Iron Shirt Chi Kung: An Ancient Kung Fu Practice Iron Shirt Energizes the Fasciae Every cell, every muscle, and every organ in the body is covered by a membranous sheath, or fascia. Connecting every tissue of the body, the fascia links the various parts of the inner body into one integrated whole.

Iron Shirt is said to be a series of exercises using many post stances, herbs, qigong and body movements to cause the body's natural energy to reinforce its structural strength. Practitioners believe that directing energy to parts of the body can reinforce these parts of the body to take blows against them.
