Peer Leadership is an educational program intended to ease the transition from middle to high school or high school to university by recruiting upperclassmen to serve as positive role models for younger students. Peer Leadership stresses communal interaction and the development of social insight. Before meeting with smaller groups of newcomers, older Peer Leaders are trained to mentor younger students and assist with any educational needs they may require.

Published semiannually by Allied Academies, the Academy of Educational Leadership Journals is a peer-reviewed journal with articles focusing on education and educational leadership.

Journals List - ERIC - Education Resources Information Center

Peer-reviewed journal that publishes original contributions on educational management, administration and leadership in the widest sense. International Journal of Education Policy and Leadership Refereed electronic journal dedicated to enriching the education policy and leadership knowledge base, and promoting exploration and analysis of policy alternatives.

ERIC - Search Results

The best leaders in the educational system make it a point to lead by example, and not simply by words. It's easy to spell out rules and dictate them from an ivory tower, but this type of leadership will not have a large impact in your school. As an educator, you have so much influence on students. If you want students to speak kindly to one another in the hallways, you must always speak kindly, too.
