"Prompt feedback is very much appreciated, as this lets us know that your order has arrived safely"

Evinrude outboard engines have a serial number label that is located on the transom bracket. Serial number labels will reference the date of manufacture for the engine by providing visibility of the month and year the engine was produced. For example, if an engine was manufactured in May of 2012, the serial number label will reflect 05/2012 directly below where the serial number is indicated.
