This article explores various issues of labour matters in Myanmar. This is an important area of discussion because, in Myanmar, labour law is not codified, i.e. there is no labour code in Myanmar, which may create uncertainty at times. The purpose of this article is to examine certain areas, not all, in order to bring about some

clarity when dealing with labour related issues in Myanmar.

The legal framework regulating employment in Myanmar is found in a variety of different Laws and Rules enacted over the last century. This Guide brings together many of the sources of Myanmar labour law in a single, user-friendly guide. The Guide also provides useful information on the International Core Labour Standards to promote and inspire good practice on employment and labour in Myanmar ...
