Learning Radiology:

Recognizing the Basics,
3e by William ...

Learning Radiology:

Recognizing the Basics,
2nd Edition, is an image-
filled, practical, and
clinical introduction to this
integral part of the
diagnostic process.

William Herring, MD, a
skilled radiology teacher,
masterfully covers
everything you need to
know to effectively
interpret medical images.

6) Learning Radiology em-
ploys a pattern recogni-
tion approach whereby
the learner is taught to
recognize pertinent fea-
tures of radiographic im-
ages. The images shown
are extremely characteris-
tic and highlight the perti-
nent findings. This way, in
the words of the author,
the images are "burned"
into the learner's psych.
