### A4B - ALEXANDER PAMELA

---

Forget Frosty the Snowman or Ruldolph the Red-Nosed Reindeer. The next great holiday hero is a small, flammable chunk of barbecue fodder. He's impeccably dressed, he's terribly grumpy, and he's looking for a holiday miracle. It's unmistakably Snicket - here's the opening line: This holiday season is a time for stoytelling, and whether you are hearing the story of a candelabra staying lit for more than a week, or a baby born in a barn without proper medical supervision, these stories often feature miracles.

A Warning from the Publisher: Many readers have questions about Lemony Snicket, author of the distressing serial concerning the trials of the charming but unlucky Baudelaire orphans, published under the collective title A Series of Unfortunate Events. Before purchasing, borrowing, or stealing this book, you should be aware that it contains the answers to some of those questions, such as the following: 1. Who is Lemony? 2. Is there a secret organization I should know about? 3. Why does Lemony Snicket spend his time researching and writing distressing books concerning the Baudelaire orphans? 4. Why do all of Lemony Snicket's books contain a sad dedication to a woman named Beatrice? 5. If there's nothing out there, what was that noise? Our advice to you is that you find a book that answers less upsetting questions than this one. Perhaps your librarian, bookseller, or parole officer can recommend a book that answers the question, "Aren't ponies adorable?"

I'm telling you why we broke up, Ed. I'm writing it in this letter, the whole truth of why it happened. Min Green and Ed Slaterton are breaking up, so Min is writing Ed a letter and giving him a box. Inside the box is why they broke up. Two bottle caps, a movie ticket, a folded note, a box of matches, a protractor, books, a toy truck, a pair of ugly earrings, a comb from a motel room, and every other item collected over the course of a giddy, intimate, heartbreaking relationship. Item after item is illustrated and accounted for, and then the box, like a girlfriend, will be dumped.

Collects an array of disheartening truths and unhappy observations drawn from the author's work, including "siblings who claim to get along all the time are most definitely hiding something."

Who is Beatrice, the woman to whom Mr Snicket dedicates every book? There is no question more often asked by fans of Lemony Snicket. Now this captivating collection of letters between Lemony Snicket and Beatrice provides the answers.

The elusive author provides a glimpse into his mysterious and sometimes confusing life, using fanciful letters, diary entries, and other miscellaneous documents as well as photographs and illustrations.

Renowned storytellers share tales inspired by the thought-provoking illustrations in Chris Van Allsburg's "The Mysteries of Harris Burdick," including Kate DiCamillo, Lois Lowry, Stephen King, and Jon Scieszka.

NOW A NETFLIX ORIGINAL SERIES In their most daring misadventure, the Baudelaire orphans are adopted by very, very rich people, whose penthouse apartment is located mysteriously close to the place where all their misfortune began. Even though their new home in the city is fancy, and the children are clever and charming, I'm sorry to say that still, the unlucky orphans will encounter more disaster and woe. In fact, in this sixth book in A Series of Unfortunate Events, the children will experience a darkened staircase, a red herring, an auction, parsley soda, some friends in a dire situation, a secret passageway, and pinstripe suits. Both literary and irreverent, hilarious and deftly crafted, A Series of Unfortunate Events offers an exquisitely dark comedy in the tradition of Edward Gorey and Roald Dahl. Lemon Snicket's uproariously unhappy books continue to win readers, despite all his warnings.

Is Lemony Snicket a detective or a smoke detector? Do you smell smoke? Young apprentice Lemony Snicket is investigating a case of arson but soon finds himself enveloped in the ever-increasing mystery that haunts the town of Stain'd-by-the-Sea. Who is setting the fires? What secrets are hidden in the Department of Education? Why are so many schoolchildren in danger? Is it all the work of the notorious villain Hangfire? How could you even ask that? What kind of education have you had? Maybe you should be in school?

New York Times bestselling author Lemony Snicket sheds light on the way bad moods come and go. Once there was a bad mood and a stick. The stick appeared when a tree dropped it. Where did the bad mood come from? Who picked up the stick? And where is the bad mood off to now? You never know what is going to happen.

NOW A NETFLIX ORIGINAL SERIES Like bad smells, uninvited weekend guests or very old eggs, there are some things that ought to be avoided. Snicket's saga about the charming, intelligent, and grossly unlucky Baudelaire orphans continues to alarm its distressed and suspicious fans the world over. The tenth book in this outrageous publishing effort features more than the usual dose of distressing details, such as snow gnats, an organised troupe of youngsters, an evil villain with a dastardly plan, a secret headquarters and some dangerous antics you should not try at home. With the weather turning colder, this is one chilling book you would be better off without.

In anticipation of the forthcoming release of The Slippery Slope (A Series of Unfortunate Events Book the Tenth) don't miss this depressing opportunity to warn even more readers off Lemony Snicket. Finally, here is the definitive - and only - book for anyone interested in learning more about the alarmingly elusive author. Ages 10+

NOW A NETFLIX ORIGINAL SERIES A Warning from the Publisher: If you have come this far, it is likely too late. Readers who have experienced the first

nine volumes in A Series of Unfortunate Events by Lemony Snicket are usually so weakened by their dreadful knowledge of the Baudelaire orphans' story that they spend most of their time moaning and weeping, and have no strength to read The Slippery Slope, The Grim Grotto, The Penultimate Peril, or The End. If, by chance, your moaning and weeping is more or less under control, there is no need to further risk your physical, emotional, and literary health by reading the four remaining volumes in the series. It would be better to regain your strength by spending your time indulging in less alarming activities, such as whistling or making cupcakes for the elderly. After all, this collection contains all of the calamities in the last four volumes of A Series of Unfortunate Events, including abandoned condiments, cigarette smoking, a shocking revelation, a ridiculous laugh, a fearsome storm, a herd of wild sheep, a truly haunting secret about the Baudelaire parents, another shocking revelation, and Phil. There is no need to expose yourself to such atrocities, not after all you've been through already.

Perfect for fans of the classic We're Going on a Bear Hunt, this adventurous and endearing picture book follows a little boy searching high and low for his missing bear. Features a surprise ending! Where is Bear? Is Bear in the dresser? Is Bear in the bathroom? Is Bear on the swing? It's almost bedtime, and a little boy can't seem to find his beloved Bear! Children will love joining in the irresistible search for Bear and finding where he is on every page . . . and they will love the surprise ending even more!

This terribly tempting blank book offers ruled pages detailed with illustrations and quotable quotations from Mr. Snicket's archives. This journal is resilient enough to hold even the most revolting revelations from any budding young researcher or writer in disguise. Consumable.

From the bestselling author of The Dark comes another brilliantly illustrated picture book that takes on an intense childhood emotion--this time, anger--in a rollicking, kid-friendly way. Whether you're a kid or a bee, sometimes you feel so mad, you buzz around looking for people to sting and trouble to make. See how one boy, a swarm of bees, and a whole town can get riled up and then find a way to feel better through the comfort of unconditional love and community. Printed in a brilliant palette of primary colors, brimming with beautiful dots and stripes, Rilla Alexander's art sings. Not since David Shannon's No, David! have readers been given the pleasure of witnessing such uproariously terrible behavior, unbridled emotion, and ultimately, such comfort.

There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . There are many pleasant things to read about, but The Hostile Hospital contains none of them. Within its pages are such burdensome details as a suspicious shopkeeper, unnecessary surgery, heartshaped balloons, and some very startling news about a fire. Clearly you do not want to read about such things. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

A Series of Unfortunate Events.

Looking for wit, wisdom, and inspiration all within the pages of one useful book? Read Something Else. Life is a turbulent journey, fraught with confusion, heartbreak, and inconvenience. This collection of wit and wisdom from New York Times bestselling author Lemony Snicket is unlikely to help. It includes a new introduction filled with curious aphorisms, a handful of never-before-seen-or-heard quotations, and fan favorites from works over the years. These dubious offerings, collected from Snicket's books, unpublished papers, and more, have been made pleasing to the eye by illustrations, select fan art, and design flourishes.

Before the Baudelaires became orphans, before he encountered A Series of Unfortunate Events, even before the invention of Netflix, Lemony Snicket was a boy discovering the mysteries of the world. Train travel! Murder! Librarians! A Series Finale! On all other nights, the train departs from Stain'd Station and travels to the city without stopping. But not tonight. You might ask, why is this night different from all other nights? But that's the wrong question. Instead ask, where is this all heading? And what happens at the end of the line? The final book in Lemony Snicket's bestselling series, All the Wrong Questions.

I should have asked the question "How could someone who was missing be in two places at once?" Instead, I asked the wrong question -- four wrong questions, more or less. This is the account of the second. In the fading town of Stain'd-by-the-Sea, young apprentice Lemony Snicket has a new case to solve when he and his chaperone are hired to find a missing girl. Is the girl a runaway? Or was she kidnapped? Was she seen last at the grocery store? Or could she have stopped at the diner? Is it really any of your business? These are All The Wrong Questions.

Flannery Culp wants you to know the whole story of her spectacularly awful senior year. Tyrants, perverts, tragic crushes, gossip, cruel jokes, and the hallucinatory effects of absinthe -- Flannery and the seven other friends in the Basic Eight have suffered through it all. But now, on tabloid television, they're calling Flannery a murderer, which is a total lie. It's true that high school can be so stressful sometimes. And it's true that sometimes a girl just has to kill someone. But Flannery wants you to know that she's not a murderer at all -- she's a murderess.

The definitive - and only - book for anyone interested in learning more about the alarmingly elusive author. Here is a collection of evidence - writings, annotated photographs, mysterious diagrams, and several disorientating maps, accompanied by captions, an introduction, and an extensive index. To-

gether, these pieces will shed light on a life that until now has been unfortunately shrouded in darkness, and will finally answer the questions on everyone's mind: what do we really know about Lemony Snicket? And why is he so interested in the lives of the Baudelaire orphans?

There is nothing to be found in the pages of *A Series of Unfortunate Events* but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . *The Carnivorous Carnival* contains such a distressing story that consuming any of its contents would be far more stomach-turning than even the most imbalanced meal. To avoid causing discomfort, it would be best if I didn't mention any of the ingredients of this story, particularly a confusing map, an ambidextrous person, an unruly crowd, a wooden plank and Chabo the Wolf Baby. Your time might be better filled with something more palatable such as eating your vegetables or feeding them to someone else. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's *A Series of Unfortunate Events* to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

The Baudelaire orphans disguise themselves as employees of the Hotel Denoument and find themselves pursued by the evil Count Olaf and others. Washington Post Bestseller *A New Stand-Alone Adventure—Appropriate for All Ages—by Lemony Snicket*, one of the twenty-first century's most beloved authors. In the years since this publishing house was founded, we have worked with an array of wondrous authors who have brought illuminating clarity to our bewildering world. Now, instead, we bring you Lemony Snicket. Over the course of his long and suspicious career, Mr. Snicket has investigated many things, including villainy, treachery, conspiracy, ennui, and various suspicious fires. In this book, he is investigating his own death. *Poison for Breakfast* is a different sort of book than others we have published, and from others you may have read. It is different from other books Mr. Snicket has written. It could be said to be a book of philosophy, something almost no one likes, but it is also a mystery, and many people claim to like those. Certainly Mr. Snicket didn't relish the dreadful task of solving it, but he had no choice. It was put in front of him, right there, on his plate.

**WARNING: LISTENING TO THIS TAPE WILL ONLY MAKE YOU WEEP...** Dear Listener, if you are looking for a story about cheerful youngsters spending a jolly time at boarding school, look elsewhere. Violet, Klaus and Sunny Baudelaire are intelligent and resourceful children, and you might expect that they would do very well at school. Don't. For the Baudelaires, school turns out to be another miserable episode in their unlucky lives. Truth be told, within the chapters that make up this dreadful story, the children will face snapping crabs, strict punishments, dripping fungus, comprehensive exams, violin recitals. S.O.R.E., and the metric system. It is my solemn duty to stay up all night reading my history of these three hapless youngsters into a microphone, but you may be more comfortable getting a good night's sleep. In that case, you should probably listen to something else. With all due respect, LEMONY SNICKET

The third magical book in the #1 New York Times bestselling *Magic Misfits* series from acclaimed and wildly popular celebrity Neil Patrick Harris! Theo Stein-Meyer loves being part of the *Magic Misfits*. Armed with his trusty violin bow, he completes the team with his levitation skills, unflappable calm, and proper manners. But when a girl named Emily begins to spend time with the group, Theo is surprisingly drawn to her. She seems to understand the pull he feels between music and magic, between family and friends. Then a famous ventriloquist arrives in town, and the *Misfits* are sure he (and his creepy dummy) are up to no good. With their mentor, Mr. Vernon, suddenly called away and tension simmering among the friends, can they come together to stop another member of the villainous Emerald Ring? It's time for Theo to make a choice about where—and with whom—he belongs. Join the *Magic Misfits* as they discover adventure, friendship, and more than a few hidden secrets in this unique and surprising series. Whether you're a long-time expert at illusion or simply a new fan of stage magic, hold on to your top hat!

There is nothing to be found in the pages of *A Series of Unfortunate Events* but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . In *The Reptile Room* the siblings endure a car accident, a terrible smell, a deadly serpent, a long knife, a brass reading lamp, and the re-appearance of a person they'd hoped never to see again. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's *A Series of Unfortunate Events* to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

Tolstoy wrote that happy families are alike and that each unhappy family is unhappy in a different way. In *Watch Your Mouth*, Daniel Handler takes "different" to a whole new level....

Before the Baudelaires became orphans, before he encountered *A Series of Unfortunate Events*, even before the invention of Netflix, Lemony Snicket was a boy discovering the mysteries of the world. In a fading town, far from anyone he knew or trusted, a young Lemony Snicket began his apprenticeship in an organization nobody knows about. He started by asking questions that shouldn't have been on his mind. Now he has written an account that should not be published, in four volumes that shouldn't be read. This is the first volume.

**NOW A NETFLIX ORIGINAL SERIES** A Warning from the Publisher: Imagine you are wearing a bandage that needs to be removed. Are you the sort of person who tears the bandage right off, causing an enormous amount of pain in a short instance? Or do you prefer to spread your pain out over a

longer period of time, by slowly unpeeling the bandage from your injury? If you are the first type of person, then this three-book electronic collection might be for you. All of the misery and woe available in three Lemony Snicket volumes—*The Miserable Mill*, *The Austere Academy*, and *The Ersatz Elevator*—have been joined into one compactly miserable package, so readers foolish enough to read about the Baudelaire orphans can be unnerved in a slightly more economical fashion. If you are the second type of person, then volumes four through six in *A Series of Unfortunate Events* might be for you. Even if you unwisely choose to read them at a more leisurely pace, you will encounter such atrocities as poorly paid employees, a hypnotist, an evil scheme, a gym teacher, dripping fungus, another evil scheme, a fake accent, three mysterious consonants, a red herring, and at least one more evil scheme. Of course, most people would prefer not to be injured at all. We salute these sensible people, who will doubtless not purchase any books by Lemony Snicket, no matter how conveniently bundled.

This mysterious illustrated tie-in to Netflix's award-winning *A Series of Unfortunate Events* -- featuring an introduction by Count Olaf's legal representative, Neil Patrick Harris -- shares insider secrets about the Baudelaire family and the making of the show. In every library there is a single book that can answer the question that burns like a fire in the mind... In this collector's companion you will discover never-before-seen photographs, never-before-told stories, and never-before, revealed secrets spanning all three seasons of the hilariously twisted, critically acclaimed hit series. You will encounter original concept art, annotated script excerpts, and interviews with the creative team and all-star cast, as well as glossaries, recipes, lyric sheets, hidden Easter eggs, shocking backstories, and suspicious pages from the titular tome, unredacted, and revealed here for the first time. Featuring interviews with: Tony Hale Daniel Handler Aasif Mandvi Sara Rue Barry Sonnenfeld Patrick Warburton Bo Welch Alfre Woodard and more... Perhaps you are wondering how a noble person such as yourself might become a member of a secret organization. Like so many things in life, it starts by picking up the right book. So go ahead, read at your own risk.

Before the Baudelaires became orphans, before he encountered *A Series of Unfortunate Events*, even before the invention of Netflix, Lemony Snicket was a boy discovering the mysteries of the world. Match wits with Lemony Snicket to solve thirteen mini-mysteries. Paintings have been falling off of walls, a loud and loyal dog has gone missing, a specter has been seen walking the pier at midnight -- strange things are happening all over the town of Stain'd-By-The-Sea. Called upon to investigate thirteen suspicious incidents, young Lemony Snicket collects clues, questions witnesses, and cracks every case. Join the investigation and tackle the mysteries alongside Snicket, then turn to the back of the book to see the solution revealed. A delicious read that welcomes readers into Lemony Snicket's world of deep mystery, mysterious depth, deductive reasoning, and reasonable deductions.

**NOW A NETFLIX ORIGINAL SERIES** If you have not read anything about the Baudelaire orphans, then before you read even one more sentence, you should know this: Violet, Klaus, and Sunny are kindhearted and quick-witted, but their lives are filled with bad luck and misery. All of the stories about these three children are unhappy and wretched and will most likely fill you with deep despair. From *The Bad Beginning* to *The End*, this comprehensive collection with unfortunate bonus material that may or may not include trivia questions, character profiles, and several very sad sentences is the only choice for people who simply cannot get enough of a bad thing!

"Exquisitely written, ferocious, and haunting. Don't miss this one!" —Sarah J. Maas, New York Times bestselling author of the *Throne of Glass* series  
 "Julie Eshbaugh is a unique new voice with talent enough for a whole team of writers. I'm still under the spell of her storytelling." —Amie Kaufman, New York Times bestselling co-author of *Illuminae* and *These Broken Stars*  
 Loosely inspired by *Pride and Prejudice*, *Ivory and Bone* is an enthralling tale of high-stakes survival, blinding betrayal, and star-crossed love. Hunting, gathering, and keeping his family safe—that's the life seventeen-year-old Kol knows. Then bold, enigmatic Mya arrives from the south with her family, and Kol is captivated. He wants her to trust him, but any hopes of impressing her are ruined when he makes a careless—and nearly grave—mistake. What Kol doesn't know is that underneath Mya's cool disdain is a history wrought with loss that comes to light when another clan arrives. With them is Lo, an enemy from Mya's past who Mya swears has ulterior motives. As Kol grows closer to Lo, tensions between Mya and Lo escalate until violence erupts. Faced with shattering losses, Kol is forced to question every person he's trusted. One thing is for sure: this was a war that Mya or Lo—Kol doesn't know which—had been planning all along. With riveting action and illustrative prose that leaps from the page, Julie Eshbaugh will have readers mesmerized and thirsty for more... So don't miss the sequel, *Obsidian and Stars*.

From bestselling author Lemony Snicket and celebrated illustrator Maira Kalman comes an uproarious, whimsical word book like no other. Together, Snicket and Kalman present a strikingly beautiful journey woven from a practical introduction to thirteen wonderful words, featuring such marvels as Bird, Dog, Panache, and Haberdashery. Snicket, the notoriously clever and elusive New York Times bestselling author, pushes the boundaries of storytelling in the most fanciful of ways. Maira Kalman, renowned for her art and design, carries this madcap adventure to wondrous heights with her vision of a world populated with hats, song, and cake. This rollicking, surprising book is a true celebration of words.

Fletcher Christian, master's mate on HMS *Bounty* prepares to seize control of a ship torn apart by the sadism of her captain  
 The adventures of a goldfish who just died.

A book of blank pages for writing personal observations in the spirit of "A series of unfortunate events" by Lemony Snicket.
