The ideal resource for K-8 teachers, school librarians, event coordinators, public and children's librarians, and after-school program librarians. Arranged day by day from August 1, 2000, through July 31, 2001, it will help teachers plan lessons, arrange bulletin boards, and prepare school calendars. More than 4,000 entries include updated birthday listings of entertainers, athletes, and government officials that are of interest to children, all federal and state holidays, significant dates in American history, state fairs, space exploration milestones -- even dates that toys such as Beanie Babies "TM" and American Girl "TM" dolls were introduced.

When Mary-Kate gets the lead role in the school play, Ashley is very excited for her, until she discovers that Mary-Kate will have to kiss Ross Lambert, who is not only the leading man, but also Ashley's crush.

Includes more than 10,000 holidays, holy days, national and ethnic celebrations, astronomical phenomena, festivals, fairs, anniversaries, and other events from around the world

Travel through time with the maestros as they explore the amazing history of timekeeping! Did you know that there is more than one calendar? While the most commonly used calendar was on the year 2000, the Jewish calendar said it was the year 5760, while the Muslim calendar said 1420 and the Chinese calendar said 4698. Why do these differences exist? How did ancient civilizations keep track of time? When and how were clocks first invented? Find answers to all these questions and more in this incredible trip through history.

Join Mary-Kate and Ashley Olsen and their friends for a Christmas party in the high mountains of Vail, Colorado where they ski, snowmobile, and go sledding.

Now a Netflix Feature Film! "A heart-pounding page-turner with an outstanding cast of characters, a deliciously creepy setting,

and an absolutely merciless body count." -Courtney Summers, New York Times bestselling author of Sadie and The Project A New York Times bestseller It's been almost a year since Makani Young came to live with her grandmother and she's still adjusting to her new life in rural Nebraska. Then, one by one, students at her high school begin to die in a series of gruesome murders, each with increasing and grotesque flair. As the body count rises and the terror grows closer, can Makani survive the killer's twisted plan?

A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced-- physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. The Case for Marriage combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. The Case for Marriage is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of The Book of Virtues "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- The Wall Street Journal www.broadwaybooks.com

One law school professor called the First Edition "the best book I have ever used!" The new Second Edition of this popular law school text continues its innovative "building-block" format, leading students from the basic elements of the federal income tax When Mary-Kate and Ashley visit the Logical I Dude Ranch, eerie noises begin to haunt them in the middle of the night, and they soon realize that the noises are coming from a dragon.

This is a history of Paradise Island, Nassau, in the Bahamas. Detectives Mary-Kate and Ashley score an invitation to the movie awards in Hollywood only to find out that one of the statues has been stolen, and they must find the thief before the show is cancelled.

In a world of modern, involved, caring parents, why are so many kids aggressive and cruel? Where is intelligence hidden in the brain, and why does that matter? Why do cross-racial friendships

decrease in schools that are more integrated? If 98% of kids think lying is morally wrong, then why do 98% of kids lie? What's the single most important thing that helps infants learn language? NurtureShock is a groundbreaking collaboration between award-winning science journalists Po Bronson and Ashley Merryman. They argue that when it comes to children, we've mistaken good intentions for good ideas. With impeccable storytelling and razor-sharp analysis, they demonstrate that many of modern society's strategies for nurturing children are in fact backfiring--be-

cause key twists in the science have been overlooked. Nothing like a parenting manual, the authors' work is an insightful exploration of themes and issues that transcend children's (and adults') lives.

Includes names from the States of Alabama, Arkansas, the District of Columbia, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, Oklahoma, South Carolina, Tennessee, Texas and Virginia, and Puerto Rico and the Virgin Islands.
