Mercury (Pietro Allen) is the Amalgam of Marvel Comics' Quicksilver and DC Comics Impulse.. Character overview and history. Pietro Allen was born in a far-off alternate future, where he was plagued by metamutant-hunting Sentinels.As a teenager, he found a way to time travel, and made his way to the past when the Judgment League Avengers were recruiting new members called the New Blood.

Mercury's Bane though, surpasses even his own previous work for outstanding storylines, exceptional characters and a slightly different writing style that is grittier than his past works, making this book not only edge of your seat brilliant, but also gives it a realistic edge in the desperation of the characters as they fight for their survival.
