In Java Edition, the Nether is stored in .minecraft/saves/worldname/DIM-1. Deleting this file resets the Nether, so that all player-made changes and buildings in that dimension are undone. In Bedrock Edition, the com.mojang/minecraftWorlds/world ID/db folder contains several collections of chunks. Some of these files are used for the Nether, but it is impossible to tell which ones simply by reading the file name.

The official Minecraft Guide to the Nether and the end will help you survive as you navigate new terrain, discover new hostile mobs and attempt to collect unique materials. Learn how to kill fire-resistant mobs in the Nether and repurpose Nether fortresses, then master the art of defeating the ender dragon and explore the outer islands of the End dimension.

The Nether is a world of it's own and contains a few blocks not seen outside it. The Nether contains Netherrack, Soul Sand, Glowstone, and Nether Brick. It also contains lakes of lava.
