Mothers and Children: Feminist Analyses and Personal ...

Mothers and Children approaches all issues from the feminist perspective, and it also covers some cross-cultural materials. Overall, the book reads very well and is easy to follow. It can be read from any chapter as the instructor sees fit. Mothers and Children debunks many myths and the view that the mass media portray of motherhood and ...

Project MUSE - Mothers and Children: Feminist Analyses and ...

Motherhood is a highly personal array of experiences with a uniquely public dimension, preoccupying policymakers, advice givers, health care providers, religious leaders, child care workers, educators, and total strangers who feel entitled to judge mothers they see with their children in the neighborhood or on the TV news.

Mothers and Children: Feminist Analyses and Personal ...

This feminist exploration of mothers, mothering, and motherhood combines evaluations of empirical and theoretical work with personal narratives by mothers or caregivers. While the authors' analyses yield suggestions for new approaches to motherhood, the narratives vividly demon-

strate the relevance of these issues to women's lives. The result is a nuanced picture of the complex realities ...
