Muted Modernists is a particularly important read during the current times of rising Islamophobia in the west, and indeed worldwide, as Saudis and other Arabs are increasingly viewed as generally lacking a culture of freedom and democracy and as incapable of accommodating western cultural ideals of civil and human rights, especially for

Muted Modernists not only challenges one-dimensional portrayals of Islamists, it also shows an ability to look behind the scenes of superficial media coverage and identify issues that often go unnoticed, but which are affecting the social fabric of what remains one of the most poorly understood countries in the Muslim world.
