Geluk is een universeel mensenrecht. Iedereen verdient het om gelukkig te zijn. Iedereen is er driftig naar op zoek. Maar, wat is geluk precies en wanneer ben je echt gelukkig? Neuroloog Dirk Nuytten toont aan hoe denken over geluk is geëvolueerd naar een neurowetenschap. Geluk izt in je hoofd is een bijzonder geluksboek vol waardevolle tips die het leven aangenamer en gelukkiger kunnen maken.

In this hour of all-but-universal darkness, one cheering gleam appears: within the fold of conservative Christianity there are to be found increasing numbers of persons whose religious lives are marked by a growing hunger after God Himself. They are eager for spiritual realities and will not be put off with words, nor will they be content with correct “interpretations” of truth. They are athirst for God and they will not be satisfied till they have drunk deep at the Fountain of Living Water... This book is a modest attempt to aid God’s hungry children so to find Him. Nothing here is new except in the sense that it is a discovery which my own heart has made of spiritual realities most delightful and wonderful to me. Others before me have gone much farther into these holy mysteries than I have done, but if my fire is not large it is yet real, and there may be those who can light their candle at its flame. –A.W. The first book in a new series by the multimillion-copy bestselling author of Conversations with God. Neale Donald Walsch has changed the way millions of Americans think about God. His Conversations with God series, book 1, book 2, and book 3, have all been New York Times bestsellers- book 1 for over two years. The essence of Neale Donald Walsch's message lies at the heart of faith- the sacred place in every person, where he stands alone with his God. Walsch urges each of us to forge our own unique relationship with God, a God who is everywhere and speaks to us in all we do. It is up to us to stop and listen. It is up to us to respond...to begin the conversation. And a conversation is the first step, just as in any relationship, in establishing trust, in building friendship, in creating communion. In Friendship with God, Neale Donald Walsch shares the next part of his journey, and leads us to deepen and strengthen our own bonds with God. He honors our heart's desire: a closer connection, richer and fuller. A friendship with God.

Looks at the experiences of people who have had near death experiences and compares it to religious and philosophical beliefs about the afterlife from around the world.

Be careful. This book is dangerous. It explores with startling freshness the most important question you could ever ask, and offers with breathtaking courage the most extraordinary answer you could ever imagine. That answer is so theologically revolutionary and so spiritually empowering that it could change the course of human history. If embraced, it most certainly will change your life. There are people and institutions in the world, long in place and long in power, that want neither of these outcomes to occur. They would rather that you put this book down right now. It's up to you.

In Addicted to Love, Jan Geurtz clearly demonstrates how our search for love and approval stems from a fundamental self-rejection. We try to compensate for this by seeking other people’s appreciation. But this is counterproductive: it actually makes us more insecure and therefore increasingly dependent. This creates an addiction to love, approval and the security of a relationship. As a result, most romantic relationships eventually fail, or – perhaps even worse – are reduced to dreary co-existence with little room for growth and happiness. With humour and practical examples, Jan Geurtz shows a way out of this vicious circle. Once we have let go of self-rejection, we find that our painful emotions, and also our sexual desires, are the gateway to a state of being that is completely free of restriction and dependence, and is filled with love and clarity – with or without a relationship. Jan Geurtz has written several books on addictions, including the bestseller Quit Smoking in One Day. He studied remedial pedagogy, education sciences and philosophy of science, and is inspired by Buddhism.

A compassionate spiritual meditation on the process of death and dying, written by the author of the popular Conversations with God series, offers counsel on how to draw wisdom and peace of mind throughout the process, which is explained as the beginning of an "after life" in God's kingdom. Reprint. 60,000 first printing.

Furnishing an outline for a new form of spirituality, the best-selling author of Conversations with God creates a question-and-answer dialogue between the author and God in which he describes a new form of spirituality that will enhance each individual's life and discusses such topics as sex, relationships, politics, and other timely topics. Reprint. 100,000 first printing.

Neale Donald Walsch has changed the way the world thinks about God. His books have been translated into twenty-five languages, and his Conversations With God series, book1, book 2, and book 3, have all been New York Times bestsellers-book 1 for over two years. In the Conversations books, Walsch shared with his readers the beginning of a sacred relationship, as he began an exchange with God on everything from love and faith, to life and death, and good and evil. And then, as Walsch recounted in Friendship with God, something else extraordinary began to happen. His relationship with God began to strengthen and deepen, just as our own relationships do, into a friendship. Now in Communion with God, his most richly intimate book yet, Walsch discovers how to elevate that friendship to a state of communion. In this blueprint for seekers, he reveals The Ten Illusions of Man- the misconceptions we hold about ourselves and our world and our God. He describes with striking clarity how we might heal the great divide that has arisen from these illusions. And as he explores the true meaning of bringing God into our everyday lives, of having the courage of our convictions.

Walsch shows us that we can only break free from our illusions when we act always from a place of deep fellowship with all that is holy-a place of communion with God.

Dit is het verhaal van mijn struggle for life, met als leidraad: mijn zoektocht naar spirituele rijkdom en innerlijke rust. Dat is altijd de prioriteit in mijn leven geweest, al ging dit gepaard met veel opofferingen en verlies. Desondanks blijf ik na zestig jaar in dit leven bij mijn standpunt: geestelijk inzicht neem ik mee, al de rest moet ik achterlaten. Geest keert terug naar geest, stof blijft bij stof.De sub-titel is "Mijn paranormale Avonturen" en ik heb inderdaad de meest ongewone gebeurtenissen van mijn leven gebundeld in dit boek, teneinde het spannender te maken voor de lezer. Ik hoop dat ik daarin geslaagd ben en dat mijn voorbeeld anderen mag inspireren om ook verder te kijken dan het alledaagse. Er is nog zoveel wonderlijks te ontdekken, dat aan onze gewone zintuigen ontsnapt! Sta er voor open en laat je verrassen, zoals ik het al zo dikwijls heb mogen meemaken.Dankbaar voor zoveel wonderlijke belevenissen.Paulus Peeters

The Gift helpt je op nuchtere wijze antwoord te vinden op vragen ' Wie ben ik?' en ' Wat wil ik?' en reikt je instrumenten aan om je leven optimaal te leven. Inspirerend en spiritueel, maar ook werkbaar en concreet.

Preaching – described here in Johan Cilliers's groundbreaking new book as the heart and soul of the church – requires both constant revision and fidelity to principles. Hence this book’s subtitle: “Revisiting the basic principles of preaching”. From various theoretical and practical viewpoints, Cilliers critically examines the state and future of preaching and deals boldly with contentious issues such as the validity of legalistic and moralistic preaching.

Alfie is enjoying life as a werewolf - until his crazy, werewolf-hating neighbour, Mrs Chalker, arrives back in town. And she appears to have turned over a new leaf. Can Alfie trust her? Then things gets even more suspicious when two Mrs Chalker lookalikes are spotted carrying a rowing boat through the forest. There can't be three Mrs Chalkers, can there? Alfie is on his guard, but too late he discovers that the Mrs Chalkers are all part of a club dedicated to eradicating all werewolves. Alfie better watch his hairy werewolf back...

Walsch offers an explanation for the upheaval we are seeing all over our planet right now, and proposes a simple plan by which we can impact both our personal and collective future in an extraordinary way.

In Rituals, Amsterdam of the fifties, sixties and seventies is viewed from the perspective of the capricious Inni Wintrop. An unintentional suicide survivor, the unexpected gift of life returned lends him the curiosity, and impartiality, to survey others' lives and routines. Inni's opposite, the one-eyed downhill skier Arnold Taads measures his life by the clock, while his disowned son Philip follows Japanese rituals which themselves seem to render his existence meaningless. A novel for those who seek to unravel our mysterious, apparently directionless lives...

THE FIRST ENGLISH TRANSLATION OF A POSTWAR MASTERPIECE 'I work in an office. I take cards out of a file. Once I have taken them out, I put them back in again. That is it.' Twenty-three-year-old Frits - office worker, daydreamer, teller of inappropriate jokes - finds life absurd and inexplicable. He lives with his parents, who drive him mad. He has terrible, disturbing dreams of death and destruction. Sometimes he talks to a toy rabbit. This is the story of ten evenings in Frits's life at the end of December, as he drinks, smokes, sees friends, aimlessly wanders the gloomy city street and tries to make sense of the minutes, hours and days that stretch before him. Darkly funny and mesmerising, The Evenings takes the tiny, quotidian triumphs and heartbreaks of our everyday lives and turns them into a work of brilliant wit and profound beauty. From the Hardcover edition.

What is needed now is for humanity to agree on the most important topic in human history. We could produce spectacular results if we did so, changing life on Earth for the better - forever. And this is not out of our reach. We could bring an end to anger, violence, disagreements between people and nations, financial hardships, poverty, starvation, and the suffering of millions. We could bring peace, prosperity, security, opportunity, and joy to people around the world. In short, all that humanity has ever hoped for or dreamt of and what we were truly meant to experience could be ours. This could happen virtually overnight. And it could be done with the embracing of a single idea.

Dialogen waarin God antwoord geeft op een aantal levensvragen van de mens.

This book explores the connections between salvation and evil in their Christian, religious, and non-religious shapes. How are our biographies embedded in the Christian tradition and the surrounding culture? How do we deal with experiences of evil and how do we yearn for or enact shalom? The Kampen research group in practical theology and ethics explores these concepts and argues for a multidimensional understanding.

God’s number one message to the world: “You’ve got me all wrong.” Inspired by his nine-book Conversations with God series, many people have asked Neale Donald Walsch to find a way to deliver the most essential pieces of God’s message to us in a more succinct way. This concise text details and expands just what we need to know about life and how to live it. Bringing his many conversations over the years into sharper focus than ever be-

fore, Walsch in *What God Said* encourages readers to cast aside religious and cultural trappings. To experience life as fallible—and human—beings, open-minded, open-hearted, and all-embracing, and to build on, broaden, and enrich our Ancient Story. But to move forward on this ever-expanding and encompassing spiritual voyage means not only understanding what Walsch considers the most important insights of his *Conversations with God*, but also applying them in the most practical ways. And so Walsch has included solid suggestions on how to apply each of the 25 Core Messages in daily life. Should humanity begin carrying these messages forward, starting today, we can change the world.

Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling *Conversations with God* series had another conversation. *Conversations with God for Teens* is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. *Conversations with God for Teens* reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, "Why can't I just have sex with everybody? What's the big deal?", the answer God offers her is: "Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you?" There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. *Conversations with God for Teens* is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

'One of the most entertaining and profound philosophical novels ever written' *Washington Post* On a cold night in Holland two men meet and change each other's lives forever. Max Delius - a hedonistic, yet brilliant astronomer who loves fast cars, nice clothes and beautiful women - picks up Onno Quist, a cerebral chaotic philologist who cannot bear the ordinariness of everyday life. Despite their differences, they fast become great friends. And when they learn they were conceived on the same day, it is clear that their meeting is no coincidence. As the pair fall into and out of love with the same woman - Ada - so their lives become further intertwined. For all three are on a mysterious journey destined to shape human history. *The Discovery of Heaven* is internationally recognized as a masterpiece. Rich in philosophical, psychological, historical and theological enquiry, it is an extravagant, bold and satisfying novel of ideas. 'Sparkling, irresistible . . . you'll learn a lot from this novel!' *The Times* 'Anyone who reads *The Discovery of Heaven* will come away enlightened, challenged and entertained' *Wall Street Journal* 'Written carefully and ingeniously by a novelist who is also a poet' John Updike, *New Yorker*

Discover the answers to the questions of God, meaning, and existence. This is the final book of the original three-book *Conversations with God* series. The series deals with "universal truths of the highest order, and the challenges and opportunities of the soul." In Book 3, the dialogue expands to include more about the nature of God, love and fear, who we are and who we may become, and the evolution of the human species that's about to take place. This is an engaging and profound conversation about the culture, philosophy, and spirituality of highly evolved beings (some of whom we call "aliens," or "ETs") in other realms of the universe, and how they have learned to view life, love, and the pursuit of happiness. *CWG3* is meant to inspire readers to look at their lives in new and fresh ways and to question everything. It encourages readers to embrace the mysteries of existence and to live each day with love and joy.

Manifesteer een leven dat beter is dan jij nu kunt bedenken Wat als je elke dag zou voelen dat alles precies is zoals het moet zijn? Als jij echt elke situatie door de bril van liefde kan zien in plaats van angst? Dat je de voldoening niet buiten jezelf zoekt, maar in jezelf vindt en je dingen manifesteert die beter zijn dan jij nu kan bedenken? In het boek *Wonderen manifesteren* leer je het innerlijk geluk toe te laten in je leven. Als je jouw intentie daarop zet, dan kan jouw droomleven zich ontvouwen. Ook al weet je nog niet hoe dat eruit ziet of hoe dat dan gaat gebeuren. Willemijn Welten deelt in haar nieuwste en meest persoonlijke boek haar verhaal, vanaf het moment dat ze diepe angst ervaarde tot aan nu: ze is gelukkig en heeft het gevoel dat alles precies is zoals het moet zijn. Voelt ze dat altijd zo? Nee, maar het boek *Een cursus in wonderen* leert haar hoe ze telkens terug kan komen bij dat gevoel. De lessen die Willemijn zelf hebben geholpen, heeft ze voor dit boek vertaald naar praktische en nuchtere tools. Zodat ook jij elke dag die weg kunt maken van angst naar liefde en een leven kunt manifesteren dat beter is dan je nu kunt bedenken. Willemijn Welten (1986) is bestsellerauteur, ondernemer en dé manifestatie-expert van Nederland. Ze schreef de bestseller *Manifesteren kun je leren*, maakte twee kaarten-decks en de populaire podcast: *Wonderen Manifesteren*. Na meerdere opleidingen in Zuid-Amerika en bij Gabrielle Bernstein in New York startte ze haar eigen onderneming waarmee ze iedereen leert hoe je je eigen leven kunt creëren.

*The Little Soul and the Sun* is a simple and powerful story that brings children a very profound truth: there is not absolute good or bad--that underneath all that happens in the world, all that we call "good" and all that we call "bad," is love. Your child will discover a God that she or he can love, because God is love, as are all the Little Souls who are a part of God. And perhaps parents, too, will rediscover who they really are.

Drawing on his vivid childhood memories of the seaside town of Weymouth, author John Cowper Powys creates a striking collection of human oddities, through which he shows his deep sympathy for the variety, the eccentricity, the essential loneliness of human beings. "To encounter Powys is to arrive at the very fount of creation."—Henry Miller.
