contact your local panasonic supplier. (for australia) warning the lithium battery in this unit must only be replaced by qualified personnel. if this is necessary, contact the panasonic customer care centre on 132600 for your nearest authorized service centre.

The SDR-H40 is the entry-level model in Panasonic's new range of HDD/SD hybrid camcorders. Like the H60 and SDR-H280 , it records standard-definition video to either SD memory cards or an in-built hard disk drive (which in the H40's case, sports 40GB of memory for up to 36 hours of recording). While its video quality isn't anything to write home about, a bevy of user-friendly features – including a gigantic 42x optical zoom – lifts it head-and-shoulders above the majority of competitors.

Panasonic SDR-H40P/PC Pdf User Manuals. View online or download Panasonic SDR-H40P/PC Operating Instructions Manual

The PANASONIC SDR-H40 40GB HDD Camcorder is a compact standard definition camcorder that records unto hard disk. With 40 GB of internal memory, users can record for hours without having to worry about extra storage mediums. In case that's not enough, users can insert an SD or SDHC card for more recording time.
