Following the events of Avalon, Jeth Seagrave and his crew are on the run. Jeth is desperate to find the resources and funding he needs to rescue his mother from an ITA's re-

search lab and leave this whole galaxy behind for a new life somewhere else. But the ITA is just as desperate, and soon Jeth finds himself pursued by a mysterious figure hell-bent on capturing Jeth and his crew—dead or ...

Polaris Avalon 2 Mindee Arnett

Mindee Arnett's Avalon is a wonderful YA science fiction duology. I loved Avalon when I read it last year and Polaris picks up right where that story left off. I loved learning more about Jeth and his family and

seeing more of Sierra. There were also some new characters introduced that I found very interesting.
