Night of the Demons 2009 is a film that is put together with an undeniable slickness but also where the elements it has to work with are so generic that one feels that they have seen every single move it has to offer dozens of times before. The roles in the film are so one-dimensional that when it has two blondes (Diora Baird and Bobbi Sue Luther) walking around dressed in identical cat suits ...

Apprentice mage Chance Fortunato just can't catch a break. His training has gotten even harder, and his mentor Dr. Corwin is pushing him to take his mage trials early. Still, it beats his old gig working for a demon. But life takes a turn for the worse when a member of his girlfriend Shade's werewolf pack is killed by a member of a rogue pack.

~~Prom Knight The Demons Apprentice~~

Apprentice mage Chance Fortunato has faced off with a lot of nasty things. Power hungry vampires, abusive alpha werewolves, and deranged cultists. But none of his training under his mentor Dr. Corwin has prepared him for the trial he is about to face: Junior Prom.
