Rauland 4000 Nurse Call System Installation Manual

Rauland Telecenter ACC1207

More than a quarter century ago, Rauland-Borg's first generation of Telecenter systems addressed the specific needs of telecommunications in the K-12 environment. Telecenter ICS has taken a giant step forward in offering a system that addresses today's special school communication needs while providing a platform for tomorrow.

Bed and Staff Management Simplify bed and staff management and allow more time for patient care. We can show you how. Responder® 5000 - and our Focused Patient Care software - can help reduce the time nurses spend coordinating support staff, provide them with greater flexibility in managing bed assignments, and enable better visibility and tracking of active calls.
