~~Relentless Quotes by Dean R. Koontz - Goodreads~~

Relentless started strong, seizing my attention with tantalizing foreshadowing, a really creepy villain, and a palpable sense of looming danger. I also sensed a strong personal connection between Koontz and protagonist Cubby, a fellow author tormented by

a cruel reviewer who denies him admission into the rarefied realm of the literary elite.

Relentless echoes the very best of the Odd Thomas series in voice; this is an exquisite crafting of the thrilling, the unexplainable, and the personal, with the mirth and whimsy that Koontz throws in seemingly effortlessly just when it's most needed and least expected. Koontz fans will snap up. [relentless | Search Results | Dean Koontz](#)

I'm beginning to wonder if Dean Koontz had a life-changing event that forced him to alter his writing style.
