Malaysia presently offers more than 100 different types of incentives to promote investment in the economy. These are disbursed in three main forms: Pioneer Status, Investment Tax Allowance and Reinvestment Allowance. One long-established incentive is the Pioneer Status, which provides corporate tax exemption for

This volume arose from the discussions at

the Columbia Center on Sustainable Investment's Eighth Annual Columbia International Investment Conference on "Investment Incentives - The Good, The Bad, and the Ugly: Assessing the Costs, Benefits, and Options for Policy Reform," held at Columbia University in New York in November 2013.

CCSI has launched a series of short videos from the authors of Rethinking Investment Incentives: Trends and Policy Options (Columbia University Press, July 2016), summarizing the important messages...

Rethinking Investment Incentives: Trends and Policy ...

Rethinking Investment Incentives: Trends and Policy Options is an essential resource for understanding what the increasing mobility of capital means for the cities, states, countries and regions that seek to attract, direct, and retain investments. Complementing the edited volume, the Columbia Center on Sustainable Investment has launched a series of short videos from the book's authors, summarizing the important messages from each chapter.
