Revolution for Dummies - HarperCollins

US History: Industrial Revolution for Kids

The Industrial Revolution concentrated laborers in mills, factories and mines and facilitated the organization of combinations or trade unions, which pushed for the laborers' rights. Unions could demand and get better terms by withdrawing the entirety of the labor force and thus stopping production.

Dummies has always stood for taking on complex concepts and making them easy to understand. Dummies helps everyone be more knowledgeable and confident in applying what they know. Whether it's to pass that big test, qualify

for that big promotion or even master that cooking technique; people who rely on dummies, rely on it to learn the critical skills and relevant information necessary for ...

The French Revolution for Dummies (and 'Les Misérables ...

The French Revolution ended the age of absolute monarchy in France, but was followed by the Reign of Terror, a violent spell in which rival factions dueled it out for power, resulting in the ...

The French Revolution completely changed the social and political structure of France. It put an end to the French monarchy, feudalism, and took political power from the Catholic church. It brought new ideas to Europe including liberty and freedom for the commoner as well as the abolishment of slavery and the rights of women.

In *Revolution for Dummies*, Youssef recounts his life and offers hysterical riffs on the hypocrisy, instability, and corruption that has long animated Egyptian politics. From the attempted cover-up of the violent clashes in Tahrir Square to the government's announcement that it had created the world's first "AIDS cure" machine, ...

"American Revolution For Dummies" by Steve Wiegand was a surprisingly quick and enjoyable read. The author made the topics feel more 'contemporary' because of the straightforward writing style. The pacing is really well done. The interweaving of the more famous highlights with the lesser known details was also well done.

Revolution for dummies is a good one. I

got to know about the dictatorship and political condition in Egypt even if it was through satire. It certainly takes lot of courage to talk against the deep rooted politics with jokes, and Bassem showed that courage for the better of the people and the Country.

Revolution for Dummies on Apple Books

In *Revolution for Dummies*, Youssef proudly and hysterically riffs on the hypocrisy, instability, and corruption that manifested in Egyptian politics: everything from how the government tried to cover up the violent clashes in Tahrir Square to how the military announced they had created the world's first AIDS machine that could cure anyone of the disease to how officials were convinced ...
