Learn approximately 35 new techniques, safety considerations and subjects when you crack open the second edition of Rock Climbing: Mastering Basic Skills, a National Outdoor Book Award winner. Available at REI, 100% Satisfaction Guaranteed.

Belaying-Keeping Your Partner Safe --Rigging a belay device --Belayer position and anchoring --Belaying a top-roped climber --- Belaying a Leader --Catching a fall --Lowering a climber --Belaying with a Munter hitch --Belaying with a GriGri --Belaying the second climber --Communication signals --Top-roping-Climbing with the Safety of an Overhead Rope --Setting a slingshot top-rope --Climbing with a slingshot top-rope --Passing a knot --Managing a top-belay top-rope --Sport Climbing-Climbing ... Climbing steep rock requires fitness, tenacity, and imagination. On overhanging rock: Think fast and commit to the moves before your arms melt. Rest when possible, even if you don't really need to rest. A variety of contortionist positions help climbers rest and maximize the weight on their feet on overhanging rock.

Mastering Basic Skills should be purchased at the same time as one's first pair of rock shoes. This book is as comprehensive as Freedom of the Hills but written for the rock climbing niche. It delivers a full spectrum of skills and knowledge every climber should develop.

 Overview Thousands of rock climbers have learned the sport using Craig Luebben's seminal and bestselling text, *Rock Climbing: Mastering Basic Skills*. Now Craig's friend and fellow climber Topher Donahue brings the content up to current standards and includes technological advances, while preserving Craig's comprehensive approach.  
 Rock climbing is a sport in which participants climb up, down or across natural rock formations or artificial rock walls. The goal is to reach the summit of a formation or the endpoint of a usually pre-defined route without falling. Rock climbing is a physically and mentally demanding sport, one that often tests a climber's strength, endurance, agility and balance along with mental control.
