2A9 - ALLEN MIGUEL

Sagittarius rising is quick with words and even though they seem very relaxed and easy going, they can be very insistent about the things they want and know exactly what argument to use to get their way. Rising signs are the most obvious part of our astrological make up.

Sagittarius rising people are honest and direct. They won't shy away from telling you if your outfit isn't flattering, and they won't think twice about hurting your feelings. To Sagittarius ascendant people, being honest and forthright is their priority—and that's what matters when it comes to being a good friend.

Sagittarius Rising - Ascendant in Sagittarius

Sagittarius Rising is a book for readers of all

ages. However, the older one is I suspect the more profound the passages will prove. If moved to buy this book, or if you can't decide, I highly recommend finding the TV interview that Lewis did for the BBC in 1963 or 1964.

Sagittarius is full of surprises. No two are alike. Archers have a unique surprise up their quiver of arrows. What makes each one different is the rising sign that has climbed on to the back of the unsuspecting centaur.
