GOVERNMENT COVER-UPS Why on earth would I dare write a shocking book as this one? The simplest explanations, people ALL over the world are naïve and ignorant to what conspires within their own government or of religion, for that matter. These two words dominate people's thoughts everywhere. What it boils down to is, the nature of the human race believes that "what they do not know will not hurt them". I have to disagree with this philosophy because it can hurt you and even kill you. This is what MOST governments rely on, for people to disbelieve, what is the real truth? Lies are more profitable and who will believe the truth anyway? The truth seems to come out of a science fiction novel. Propaganda rules because the public refuses to believe that this is not the ninetieth or twentieth century anymore. There are new

inventions of warfare that most have never heard of. A large amount of ground troops and bombings are becoming obsolete because of laser cannons, robots and the "High Frequency Active Auroral Research Program" (HAARP) project. What better ways to exterminate the over-population then blame it on the weather so the government gets away with "legalized MURDER"? WHY is it so hard to understand or believe, when in reality, people believe in sasquatches (Big Foot), Yeti, abdominal snowman, UFO's, ghost or even living zombies because of panic but they deny government conspiracies? More advanced countries in technology consider "Oriental Countries" as being expendable, to be used as human guinea pigs. Everybody just witnessed this from the typhoon 'Yolanda in the Philippines, November 8, 2013, before that an Indonesia earthquake followed by a large tidal wave and then

a Japan catastrophe. WAKE UP before you become the casualty or of your own family. It is getting worse every day. It is getting worse every year; most do not care or are oblivious to the facts so get educated to reality.

A tale of initiation, adventure, and romance set within the medieval Crusades • Shares in novel form the mystical rituals and techniques of the Nizari Ismailis (the legendary Assassins) communicated to selected Knights Templar during the Crusades • Shows how the Gnostic traditions of the Cathars and Nizaris were blended to become the core of the “heretical” doctrines for which the Templars were later condemned • Sheds light on the contemporary conflict between Islam and the West and offers a natural path of reconciliation between these disparate cultures Set within the dramatic tableau of the medieval Crusades, this story of initiation, adventure, and romance follows members of the Knights Templar and Assassins as they discover a mystical tradition with the potential to unify, protect, and liberate humankind--the very heresy for which the Knights Templar were later condemned. The tale begins with a young Persian student, Sinan, as he witnesses his teacher deliver the heretical Qiyama proclamation, seeking to abolish Islamic religious law in favor of a more mystical approach to spirituality. After completing his initiation into the revolutionary doctrines and practices of the Assassins--also known as the Nizari Ismailis or Hashishim--Sinan is appointed head of the Nizaris in Syria. Years later, after Sinan has become a wise and respected leader, he encounters Roland de Provence, a young member of the Knights Templar. Impressed by his courage and intelligence, Sinan selects him for initiation into the Nizari tradition. As readers follow Sinan and Roland through the process, they experi-

ence firsthand the transmission of these secret teachings and the paranormal, even magical powers of the Assassin adepts. Roland braves hashish journeys, mystical rituals, and divine epiphanies, as well as sexual awakening at the hands of Sinan’s beautiful consort Aisha. When Roland completes his education with Sinan, he vows to share the Nizari teachings with his fellow Templars. However, he is met with strong opposition from his Templar commander, and factions within the Order quickly arise. As we follow Roland to southern France, we witness how he blends the Cathar and Nizari traditions to form the core of the “heresy” for which the Templars were later arrested and condemned. Now an outlaw, hunted by his Templar brethren, Roland is forced to choose between the beliefs with which he was raised and the realizations of his own personal truths. Bringing to life the historical truths of his expertly researched bestseller *The Templars and the Assassins*, James Wasserman artfully traces the evolution of the Western Esoteric Tradition during the fertile cultural interactions of the Crusades. His story also sheds light on the modern conflict between Islam and the West--which began a thousand years ago--and offers a natural path of reconciliation between our disparate cultures.

Thought to be the father of modern witchcraft, Gerald Gardner published *The Meaning of Witchcraft* in 1959, not long after laws punishing witches were repealed. It was the first sympathetic book written from the point of view of a practicing witch. *The Meaning of Witchcraft* is an invaluable source book for witches today. Chapters include: *Witch's Memories and Beliefs*, *The Stone Age Origins of Witchcraft*, *Druidism and the Aryan Celts*, *Magic Thinking*, *Curious Beliefs about Witches*, *Signs and Symbols*, *The*

Black Mass, Some Allegations Examined. The Meaning of Witchcraft is a record of witches' roots-and a tribute to a founding pioneer with the courage to set that record straight.

A sleepy bohemian neighborhood becomes the unexpected setting for an adventure story as a lively cast of characters that include a brilliant but troubled young writer, a voluptuous healer, and a shadowy cult and its sinister leader take on an ancient legend of the occult. From the mysterious and the horrific to the comedic and the erotic, *Unspeakable Secrets of the Aro Valley* is a dark and hilarious odyssey through Wellington's underbelly that weaves through trail of riddles, a struggle for ultimate power, and a final, unspeakable secret.

Neither debunking nor worshiping, Smith pierces the veil of myth and mystery around the Holy Lance--the spear that pierced the side of Jesus Christ on the cross. Illustrations.

The secrets of Santeria, Voodoo and Obeah are among the oldest enigmas in the world. Their roots go back to pre-historic Africa - perhaps even beyond that. From the 16th century onwards, the slave trade brought these ancient mysteries to the West, where they blended strangely with traditional Christianity: the ancient African gods became identified with legendary saints. This integration of the two faiths slowly evolved to form the many varieties of Santeria, Obeah and Voudoun that are widely practiced throughout the world today. Their characteristic dancing and drumming seem able to invoke strange states of mind in which almost anything is possible. Even stories of zombies - the walking dead - still persist. Is there a rational explanation for them? Contemporary Voudoun priests, priestesses, magicians and enchan-

ters use rare herbs and spices as well as charms, dolls and talismans to control the natural world in ways that science cannot always explain. Accounts of their inexplicable successes are examined in depth. Most intriguing of all are the claims that are made for their love philtres and aphrodisiacs. What powers do these old religions still possess?

Founded upon the revolutionary premise that High Magick can be distilled to a few powerful and efficient steps, Louis T. Culling's original edition of this classic magick book broke all the rules. Llewellyn is proud to present an updated and expanded edition of this pioneering work. The G.:B.: G.:, or "Great Brotherhood of God," was a magickal order founded by acclaimed magician Frater Genesthai. Louis T. Culling, one of the initial members of the G.:B.: G.: in California, was instructed by Genesthai to reveal the Order's magickal curriculum when the time was right. Carl Llewellyn Weschcke, publisher of Culling's original edition of this book, offers illuminating commentary, definitions, and discussion points to render these profound magickal philosophies and practices even more accessible and relevant for contemporary magickal practice. This new edition is also an interesting philosophical commentary, answering a number of questions about historical occult orders and figures like Aleister Crowley. The techniques taught in this curriculum include: Dream Recall and Interpretation Functioning in the Borderland Finding One's True Magickal Identity The Retirement Ritual The Invocation of Thoth Ritual Divination Imprinting the I Ching on the Body The Three Degrees of Sex Magick Thelema and the Magickal Will Invocation of Human Quality The Rite of Transubstantiation Conversations with a God Magickal Offspring The Familiar The Great Lunar Trances

I want to list here some of my reasons for writing this book. First to give a history of Thelema and additions and corrections from those histories. Second to announce that Thelema is the only system geared to perfect humanity. Fourth to list and briefly explain my philosophy which includes perfecting humanity.

Entering the world of conspiracy theories and secret societies is like stepping into a distant, parallel universe where the laws of physics have completely changed: black means white, up is down, and if you want to understand what's really going on, you need a good reference book. That's where *Conspiracy Theories & Secret Societies For Dummies* comes in. Whether you're a skeptic or a true believer, this fascinating guide, packed with the latest information, walks you through some of the most infamous conspiracy theories — such as Area 51 and the assassination of JFK — and introduces you to such mysterious organizations as the Freemasons, the Ninjas, the Mafia, and Rosicrucians. This behind-the-curtain guide helps you separate fact from fiction and helps you the global impact of these mysterious events and groups on our modern world. Discover how to: Test a conspiracy theory Spot a sinister secret society Assess the Internet's role in fueling conspiracy theories Explore world domination schemes Evaluate 9/11 conspiracy theories Figure out who "they" are Grasp the model on which conspiracy theories are built Figure out whether what "everybody knows" is true Distinguish on assassination brotherhood from another Understand why there's no such thing as a "lone assassin" Why do hot dogs come in packages of ten, while buns come in eight-packs? Everybody knows its a conspiracy, right? Find out in *Conspiracy Theories & Secret Societies*

For Dummies.

Part fascinating history and part practical manual, this engaging guide takes the position that the Ouija Board is indeed as powerful as its detractors claim, revealing the dark secrets and hidden truths of this curious, enduring "game."

Claims and counter-claims. Accusations and allegations. NSA spying and suppressed evidence. Cover-ups and threats. Documented connections and intrigue. Suggestions of a New World Order. Are we to believe the coincidences are mere chance? Might the paranoid be on to something? Who really holds the levers of power? History admonishes us to be vigilant of hidden plots and nefarious agendas of governments and the powerful. Shedding light onto sometimes sinister and coercive groups, *Secret Societies: The Complete Guide to Histories, Rites, and Rituals* is packed with details on nearly 200 organizations, their histories, found members, backgrounds, and suspected conspiracies. It uncovers and examines the hidden, overlooked, and buried history of some of the most notorious groups, including the Illuminati, the Freemasons, Skull and Bones, World Bankers, the Secret Government, and extraterrestrial invaders, to name a few. Tracing the chilling and corrosive affects of powerful cliques and their plots, it exposes their deep reach into the operations of today's world. Providing gripping details, presenting the facts, and letting the reader decide, this revealing work probes the hidden agendas and agreements of secret cabals and associations. Along the way, it debunks myths and presents the evidence on an invisible world of influence and power.

"After stillness is cultivated there are rare experiences which occur while sitting and walking around such as only invisibility." - from The secrets of western and eastern occultism and mysticism

The Book of Revelation, chapter 12, tells us of a pregnant Woman Clothed with the Sun, wailing in birth pangs. It also tells us before St. Michael flung the dragon to the earth, he pursued the winged Sun Lady to devour her and her royal child of God. But in the last moment, they are snatched away to safety. Many have speculated that this story connects to the great celestial sign pointing to a series of future calamities which are unfolding before our eyes. These stories, symbols, and archetypes point to an emerging revelation about humanity's secret past and ultimate destiny. We must travel back to ancient Israel, Samaria, Egypt, Rome, Greece, and Babylon to find the origins of the Sun Lady. Why does the occult place special emphasis on the Book of Revelation? Do you have the heart and mind to discover the truth? Join me, Alex Rivera, for an exciting and dangerous journey into the esoteric and hidden dimensions of the Sun Lady Unveiled!

This expanded deluxe hardcover adds to the best-selling Hail Thyself, Unlocking the Secrets of Control, Wealth, and Power. Learn all of this and more: perfect the thought process of how you see the world as self-control comes before controlling others, and

Also discussed is how to overcome failure, wealth building and how to keep it once your work pays off, from wealth to generosity. Many quotes and life lessons from successful people on money, power, and happiness from Will Smith, Gene Simmons, Bill Gates, Mark Cuban, Warren Buffett, Oprah, Winfrey, J.K. Rowling, Napoleon Hill, and Dale Carnegie that have relevance today.

Sketching out a fascinating network of historic figures, cults, and Christendom, this book by an occult-studies expert and respected authority on magic and sorcery takes Western spiritual traditions seriously—but examines them with common sense and self-effacing humor. Working backward from the Freemasons to one of their original orders, the 14th-century Knights Templar, the account considers sorcery, heresy, and intrigues; explores the legend that the Knights possessed a powerful secret dangerous to the Church of Rome; and finds an essential clue to the order's practices in their connection to the biblical Solomon, king of Israel in the 10th century BC. This updated edition features new images, chapters on important symbols, and a new preface.

Illuminati! Are They Really What the Stories Present Them To Be, or Are They Something Entirely Different? Keep Reading and Find Out! As far as secret societies that supposedly have complete control over the world are concerned, the Illuminati should be at the top of any conspiracy theorist's list... Who exactly are the Illuminati? What are they supposed to represent? Why the shroud of

mystery? Is it possible that they are hatching some nefarious plans for the world or that they simply want to make the world a better place - if they even exist at all? The Order of the Illuminati and other secret societies have frequently been the subject of heated debates about their role in human history, particularly during the Renaissance. However, as the number of people who believe that the Illuminati secretly controls the world or that the whole thing is a hoax is increasing, more and more facts about the Illuminati have been twisted into falsehoods and myths, making it difficult to discern what is true and what is false. As a result, obtaining a truth regarding the Illuminati Order may be difficult, considering that their history is often rewritten and even changed by those in power. Furthermore, like any other secret organization, the Illuminati Order is meant to be kept hidden. Still, some things are not meant to stay hidden forever... If you are looking for the truth and accurate answers about Illuminati, you are in the right place! This book seeks to construct a more accurate image of the Illuminati Order based on verifiable evidence, much of which is written and accounted for by certain Secret Societies initiates, as it contains valuable information on the Illuminati, including the history, aims, beliefs, and several well-known conspiracy theories related to the group. Here is what this Illuminati guide for conspiracy lovers can offer you: The Illuminati's early beginnings and their religious background The Order's three grades - what is the meaning behind? The Illuminati and modern conspiracy theories - influence on the popular culture Symbolism, rituals, and occultism in the Illuminati Order The link between Illuminati and Freemasons explained The Illuminati's political agenda, strategies, and plans for the world - what is real and what is

made up? And much more! If you are looking for answers that will shed light and reveal the truth about the "people who control the world from shadows," this book is perfect for you. Embark on a unique journey and discover the real face of the Illuminati. So, what are you waiting for?

A fully illustrated history of the Temple of Solomon • Examines the Temple of Solomon in the Hebrew Scriptures, the New Testament, and Apocryphal writings • Explores its role in the founding of Freemasonry, the legends of the Knights Templar, the doctrines of the Kabbalah, and the teachings of Islam • Explains the sacred nature of the Temple Mount--the site of the Temple of Solomon--and the secrets that may still be hidden there • Richly illustrated, including many photos and images from rare archives The spiritual heart of many esoteric societies, the Temple of Solomon was located atop the Temple Mount in Jerusalem, a site venerated by the three great monotheistic religions as the intersection of Divine and human. Built by King Solomon at the peak of ancient Israel's power, the Temple of Solomon housed the golden Ark of the Covenant in its Holy of Holies, a sacred chamber where one could communicate directly with God. Centuries after the temple's destruction, the Temple Mount was used as the headquarters for the Knights Templar during the Crusades, and countless legends have come down through the centuries about the secrets they may have uncovered there, including discovery of the Holy Grail or the Ark of the Covenant. Richly illustrated with biblical and Masonic illustrations, photographs, and ancient and modern paintings--many from rare archives--this book explores the Temple of Solomon in the Hebrew Scriptures, the New Testament, and

Apocryphal writings as well as its role in the founding of Freemasonry, the legends of the Knights Templar, the doctrines of the Kabbalah, and Muhammad's visionary journey from the Temple Mount through the heavens. Seeking to understand the powerful desire of many religions and secret societies to re-create the temple through ritual and prayer, James Wasserman explains why it was built, the magical forces King Solomon may have used in its creation, what its destruction meant for Jews and Christians alike, and why the Knights Templar as well as several modern secret societies named their orders after it. Detailing the sacred architecture of this perfectly proportioned mystical edifice through words and art, the author reveals the Temple of Solomon as the affirmation of God's presence in human affairs, the spiritual root of Western culture, and an important monument to the Divine nearly forgotten in today's secular times but sorely needed to bridge the divide between our ancient past and our spiritual future.

A beautifully illustrated lexicon of the major symbology of the great esoteric traditions • Includes a new chapter on secret societies and their role in safeguarding and transmitting of esoteric knowledge • Includes a full-color reproduction of the medieval alchemical masterpiece Splendor Solis Symbol in the esoteric sense is not to be confused with allegory; symbolic images are the alphabet of the "theory of correspondences" that underlies all the Mystery traditions of the West. This theory recognizes the interdependent relationship of all things and provides, for example, the basis of the belief that the position of the stars in the heavens will influence our thought, emotion, and perception. It also explains how the alchemist's work with base metals will result in a transformation of his own consciousness. In *The Mystery Traditions* James

Wasserman offers a full-color lexicon of occult imagery drawn from the Kabbalah and tarot as well as the traditions of magic, alchemy, and astrology, accompanied by commentary on each image's significance and the wisdom teachings from which it derives. In this new edition he also looks at the pivotal role played by secret societies in safeguarding and transmitting these teachings and presents rarely seen artifacts of these societies. Among the splendid offerings in this collection are all 22 paintings of the medieval alchemical masterpiece *Splendor Solis* in full color and works by significant artists and esoteric thinkers such as Leonardo da Vinci, Robert Fludd, Austin Osman Spare, Harry Smith, Manly P. Hall, and Raymond Lull. This book provides an excellent introduction to the timeless and hidden dimensions of occult practice. An extensive bibliography of classical occult works also complements this unique collection.

Crowley at his absolute best. An annotated and very personal encyclopedia of magical instruction covering the Qabalah, the major schools and symbols of magick, meditation and astral projection, the tarot, astrology, pentacles, lamens, talismans, and much, much more.

In English for the first time, a guide to the true secret structure of the Illuminati and their invisible network made of various power structures, author Leo Lyon Zagami uses their internal documents and reveals confidential and top-secret events. His book contends that the presence of numerous Illuminati brotherhoods and secret societies—just as those inside the most prestigious U.S. universities such as Yale or Harvard—have always been guides to the occult. From the Ordo Templi Orientis (OTO)'s infiltration of Freemasonry to the real Priory of Sion, this book expos-

es not only the hidden structure of the New World Order and the occult practices but also their connections to the intelligence community and the infamous Ur-Lodges.

The great depression in the popular recording industry that began in 1979 still continues. There are signs, however, that the industry is adjusting to new technologies and may soon revive. R. Serge Denisoff documents the decline and possible revival of this comprehensive study of the recording business, a sequel to his widely acclaimed *Solid Gold: The Popular Record Industry*. Denisoff offers a brief history of popular music and then, in detail, traces the life cycle of a record, beginning with the artist in the studio and following the record until its purchase. He explains the relationships between artist, manager, producer, company, distributor, merchandiser, and media. They all play roles in the scenario of a hit record. He also discusses the new technologies and how they may affect record sales, especially round-the-clock rock and roll on cable television. *Tarnished Gold* joins *Solid Gold* as a staple in the popular culture literature.

Previously published as *Ancient Science*, *Secret History* contains 150 pages of new material. *The Secret History of The World and How To Get Out Alive* is the definitive book of the real answers where Truth is more fantastic than fiction. Laura Knight-Jadczyk, wife of internationally known theoretical physicist, Arkadiusz Jadczyk, an expert in hyperdimensional physics, draws on science and mysticism to pierce the veil of reality. With sparkling humour and wisdom, she picks up where Fulcanelli left off, sharing over thirty years of research to reveal, for the first time, *The Great Work* and the esoteric Science of the Ancients in terms accessible

to scholar and layperson alike. Conspiracies have existed since the time of Cain and Abel. Facts of history have been altered to support the illusion. The question today is whether a sufficient number of people will see through the deceptions, thus creating a counter-force for positive change - the gold of humanity - during the upcoming times of Macro-Cosmic Quantum Shift. Laura argues convincingly, based on the revelations of the deepest of esoteric secrets, that the present is a time of potential transition, an extraordinary opportunity for individual and collective renewal: a quantum shift of awareness and perception which could see the birth of true creativity in the fields of science, art and spirituality. *The Secret History of the World* allows us to redefine our interpretation of the universe, history, and culture and to thereby navigate a path through this darkness. In this way, Laura Knight-Jadczyk shows us how we may extend the possibilities for all our different futures in literal terms. With over 800 pages of fascinating reading, *The Secret History of The World and How to Get Out Alive* is rapidly being acknowledged as a classic with profound implications for the destiny of the human race. With painstakingly researched facts and figures, the author overturns long-held conventional ideas on religion, philosophy, Grail legends, science, and alchemy, presenting a cohesive narrative pointing to the existence of an ancient techno-spirituality of the Golden Age which included a mastery of space and time: the Holy Grail, the Philosopher's Stone, the True Process of Ascension. Laura provides the evidence for the advanced level of scientific and metaphysical wisdom possessed by the greatest of lost ancient civilizations - a culture so advanced that none of the trappings of civilization as we know it were needed, explaining why there is no 'evidence' of

civilization as we know it left to testify to its existence. The author's consummate synthesis reveals the Message in a Bottle reserved for humanity, including the Cosmology and Mysticism of mankind Before the Fall when, as the ancient texts tell us, man walked and talked with the gods. Laura shows us that the upcoming shift is that point in the vast cosmological cycle when mankind - or at least a portion of mankind - has the opportunity to regain his standing as The Child of the King in the Golden Age. If ever there was a book that can answer the questions of those who are seeking Truth in the spiritual wilderness of this world, then surely *The Secret History of the World and How to Get Out Alive* is it.

Yet again, Gardiner finds himself on a journey across the world to uncover the ancient secrets of the world's most powerful men.

This book features the greatest minds of magic assembled in one place! Compiled by two of the leading figures in the magick community, this new hardcover title in Llewellyn's Complete Book series includes more than 650 pages of fascinating insights into the history and contemporary practice of ritual magick. With contributions from dozens of top authors, this book brings the practices, theories, and historical understanding of magick into the 21st century, including in-depth chapters on: Foundations of Western Magick • Qabalah • Demonology & Spirit Evocation • Alchemy • Planetary Magick • Enochian Magick & Mysticism • The Magick of Abramelin • The Golden Dawn • Thelema & Aleister Crowley • Polytheistic Ceremonial Magic • Magician's Tables • The Future of Ceremonial Magick

From the strange symbols on a one-dollar bill to the secret signs

of the Knights Templar and Freemasons, invisible societies, and the world of magic and alchemy, *The Book of Secrets* is a comprehensive introduction to the world of secret and esoteric knowledge throughout history. It offers a doorway into the initiated secret traditions of the fascinating unseen spiritual world: its symbols, secret societies, and seers. You'll discover: Key Concepts: the Great Work, the Universal Force, Polarity, the Four Elements, Magick and Mysticism, Esoteric Anatomy, Qabalah, Alchemy, Astrology, the Astral Plane, and more. Symbolism: More than 100 secrets symbols, words, objects, including their meanings and the secret powers they invoke. Secret Societies and Holy Orders: The gatekeepers and the transmitters of sacred knowledge: Freemasons, O.T.O., Cathars, Templars, Assassins. Pineda places them all in history and geography and explains who they are/were and what they stood for. Luminaries and Seers: More than 200 legends and historical personages: Hermes Trismegistus, Jesus, Siddhartha, Osiris, and other seers from the Middle Ages, the Renaissance, the 19th and 20th centuries.

*Secrets of the Lost Symbol* is an essential resource for Dan Brown fans who want to know the facts behind the fiction. From Abramelin the Mage to the Zohar, this encyclopedic unofficial companion guide to *The Lost Symbol* uncovers the forgotten histories of arcane traditions that have shaped—and still inhabit—our modern world. Discover the truth about Freemasonry—a major theme in Brown's best-selling novel—including its rituals, temples, and infamous members such as the legendary Albert Pike. Get the real story behind the Rosicrucians, the Temple of Solomon, and ancient occult rites.

In the book *Invisible Master*, author Leo Lyon Zagami has re-

vealed long-hidden information behind the extraterrestrial phenomenon. With extreme clarity, Zagami discusses the prophets, initiates and magicians who have discovered, over time, this otherworldly connection. He unveils the truth about where we come from, and the reasons behind the political and religious choices we have made during our long march through history. Finally, the reader will gain historically significant insights into this ultra-terrestrial source, and an understanding of the esoteric knowledge once revealed only to the initiates of mystery schools. Who are the Unknown Superiors ... the Secret Chiefs ... the Invisible Masters who have guided Freemasonry and other secret societies? What is the Illuminati and the various power groups associated with them? For the first time in history, Zagami gives us access to these secrets, and presents an opportunity to understand our alien reality and its true implications for humanity. In the months and years to come, information unveiled in this revolutionary work will become increasingly evident. Supported by the latest discoveries in quantum physics and the significance of CERN, the author identifies the existence of multidimensional doors ... gates to the infinite ... which are used by the Illuminati sects to gain access to extraterrestrial entities within our world. Shocking revelations unveil the links between these beings with supernatural powers and the secret traditions practiced within the mystery schools for millennia. About the Author: Leo Lyon Zagami is a bestselling author and researcher. He is the author of the groundbreaking Confessions of an Illuminati series, and Pope Francis: The Last Pope? They generate fear, suspicion, and—above all—fascination. Secret societies thrive among us, yet they remain shrouded in mystery. Their secrecy suggests, to many, sacrilege or crime, and their loyalties are often accused of undermining governments and tipping the scales of justice. The Freemasons, for example, hold more seats of power in the U.S. government than any other organization. No fewer than sixteen presidents have declared their Masonic affiliation, and there may have been more. Secret societies have infiltrated pop culture as well. Celebrity members of Kabbalah include Madonna, Demi Moore, and Elizabeth Taylor, among others. From the Mafia and the Yakuza to the Priory of Sion, Skull and Bones and the Templars, Reynolds offers an illuminating and entertaining exploration of the stories—confirmed and fabricated—that surround these societies, as well as provides detailed information on their origins, initiations, rituals, and secret signs. Dispelling myths and providing gripping revelations—such as a direct historical link between the Assassins of the Middle

Ages and today's Al Qaeda—Secret Societies gives us a smart, surprising look at the best known and often least understood covert organizations.

Are there 10,000-year-old secret societies that still exist today? Was there a race of giants that once inhabited the Americas? Did ancient Egypt and ancient China have heretofore undiscovered ties? Lost Secrets of the Gods delves into these ancient mysteries and many more in articles by some of the world's most intrepid

and knowledgeable researchers. The old paradigms of history are being radically transformed as we discover more evidence of little-known cultures and what they achieved. Many ancient cultures spoke and wrote of visitors that gave them knowledge and helped shape their societies. Who were they, and where did they come from? We now know that many ancient cultures had advanced knowledge of science, agriculture, and astronomy, only some of which has been rediscovered in the last 100 years. Were The Iliad and The Odyssey really about an epic struggle in pre-Celtic Europe? What happened to the Persian army that completely disappeared from Egypt 2,500 years ago? Did the ancients know how to create psychic guard dogs to protect sacred sites? There is much more to history than what has officially been recorded. Lost Secrets of the Gods reveals startling truths and asks fascinating questions traditional historians have long ignored.

the Investigator asks the question, "Why Didn't They tell me that?" You go to church, but they don't tell you the hidden meanings in the writings, Schools don't tell you reasons why things happened, and your care givers say just do it, "No one is telling you about Stuff that really counts" in your everyday life." Then The Investigator had a realization, the reason we were not told about this stuff, "They did not know about it!" Why didn't they know it was there? They were not told about, Why? Simple, it was a "Normal people do not talk about it." Why not, simple, it's Beliefs of where you are on Earth. This is a subject Charlie the Writer, has some experience about and has researched We are going to talk about this subject, while we have a cup of coffee sitting outside our favorite coffee shop. Charlie can't prove anything in this writing and neither can anyone else, Charlie believes it is true, but

Sensationally unveils the long, secretive collaboration between arch-occultist Aleister Crowley and British Intelligence.

Esoteric symbols abound in Washington D.C. This illustrated guidebook provides a walking tour of the Masonic sites and symbols of the national capital and will be welcomed by students of esoteric symbolism as well as fans of Dan Brown's novels and the National Treasure movies.

A profound understanding of the surrealists' connections with alchemists and secret societies and the hermetic aspirations revealed in their works • Explains how surrealist paintings and poems employed mythology, gnostic principles, tarot, voodoo, alchemy, and other hermetic sciences to seek out unexplored regions of the mind and recover lost "psychic" and magical powers • Provides many examples of esoteric influence in surrealism, such as how Picasso's *Demaiselles d'Avignon* was originally titled *The Bath of the Philosophers* Not merely an artistic or literary movement as many believe, the surrealists rejected the labels of artist and author bestowed upon them by outsiders, accepting instead the titles of magician, alchemist, or--in the case of Leonora Carrington and Remedios Varo--witch. Their paintings, poems, and other works were created to seek out unexplored regions of the mind and recover lost "psychic" and magical powers. They used creative expression as the vehicle to attain what André Breton called the "supreme point," the point at which all opposites cease to be perceived as contradictions. This supreme point is found at the heart of all esoteric doctrines, including the Great Work of alchemy, and enables communication with higher states of being.

Drawing on an extensive range of writings by the surrealists and those in their circle of influence, Patrick Lepetit shows how the surrealists employed mythology, gnostic principles, tarot, voodoo, and alchemy not simply as reference points but as significant elements of their ongoing investigations into the fundamental nature of consciousness. He provides many specific examples of esoteric influence among the surrealists, such as how Picasso's famous *Demaiselles d'Avignon* was originally titled *The Bath of the Philosophers*, how painter Victor Brauner drew from his father's spiritualist vocation as well as the Kabbalah and tarot, and how doctor and surrealist author Pierre Mabille was a Freemason focused on finding initiatory paths where "it is possible to feel a new system connecting man with the universe." Lepetit casts new light on the connection between key figures of the movement and the circle of adepts gathered around Fulcanelli. He also explores the relationship between surrealists and Freemasonry, Martinists, and the Elect Cohen as well as the Grail mythos and the Arthurian brotherhood.

The locales of these stories range from California and Utah to Massachusetts and Vermont. The characters seek a paradise of one kind or another but have to make do with the world such as it is -- and all attendant twists and turns. Had this book a motto, it would be, "Don't let the bastards grind you down." In *The House of Great Spirit*, the title story in this collection, the narrator lives "in a small room in a big three-story red brick boarding house in Salt Lake City" where the "live-in-manager was Jon Severs. Already, only in his mid-twenties, lanky Severs had found his calling. It was his job to scold the tenants at Jack Mead's house in Mead's stead - to bawl them out. On rent day he went room to

room to collect money. If you didn't pay at once, he screwed his face up in a look of almost crushing contempt." Though there are also incidences of grace, courage, and joy along the way, things generally go from bad to worse. They say it's always good to touch bottom, in order to start over again. A female narrator once married to the character Eben Anders, admits "there were times I wished we'd never met. When we did first meet, I fell for him." She tells the story of how, as a younger man, Eben had found a treasure not only of money, but also of revelations. Finding himself in the role of prophet, Eben was "denounced as a madman, liar, scoundrel, false prophet, and the rest. He'd be accused of witchcraft, wizardry, demonism, and Freemasonry, with a mind to eventual world subjugation. He'd even be called the living Anti-Christ. 'Don't kill the messenger,' is all Eben would ever say to all of that." They say you can't win for losing. His ex-wife, having divorced Eben and renounced "Ebenism", is now accused of "destroying uncounted sacred privileges and worlds and futures." She's having none of that. In *With a View to The Sea*, librarian Lars Donnelly tells the story of his voyage from his west coast roots to his marriage and years of parenting in the east. Lars had explained it to his wife, "I don't want my kids to be asking me in future years, 'What did you do in the Internet Revolution, daddy?' and have to tell them that I'd just played it safe." He proposes going, with his teenage son Sean, to an important conference, "eBooks and Libraries," taking place in southern California, right on the oceanfront. "They reached the convention center around half past eight, giving them plenty of time to take advantage of the free Continental Breakfast while hobnobbing, or not, with the growing throngs of librarians, library trustees, heads of library

Friends groups, chief executive officers, directors of operations, product managers, senior and junior business development managers, senior and junior systems analysts, and a broad swath of consultants, hackers, geeks, and gawkers." And maybe a ghost from the past. They say what goes around comes around, but what could possibly go wrong?

An overview of how esoteric brotherhoods have shaped history • Examines the secret chronology and clandestine causes of seminal world events • Shows how secret societies feed into one another, and how they have worked together For thousands of years secret societies--guardians of ancient esoteric wisdom--have exercised a strong and often crucial influence on the destiny of nations. Though largely ignored by orthodox historians, the Freemasons, Knights Templar, and Rosicrucians affected the course of the French and American Revolutions as well as the overthrow of the medieval feudal order. Inevitably, the true ideals and esoteric practices of these societies have, at times, been perverted by self-serving individuals. The Nazis and the Bolsheviks, British security forces, the founding fathers of America, and the Vatican have all justified their actions--for good or for ill--by claiming the mystic ideals of secret societies. Michael Howard explores these connections, tracing their effects in politics and statecraft from the time of ancient Egypt up to the present. He sheds light on the influence of secret societies on governments and in the lives of many well-known figures, including Frederick the Great, John Dee, Francis Bacon, Benjamin Franklin, Comte de Cagliostro, Helena Blavatsky, Rasputin, and Woodrow Wilson. He contends that the recent formation of the European Union was directed by

an umbrella group of secret societies and reveals that though secret societies have been persecuted throughout history, they have survived and continue to operate powerfully in world affairs today.
