694 - LANG ROLLINS

One of the most important steps in the process of obtaining financial compensation for your injuries and losses during a civil suit is negotiating an insurance settlement. The settlement is the agreement you come to with an insurance company regarding how much money it will give you for the damages you have from an accident.

Don't let the insurance adjuster pressure you into settling your case. It may be tempting, but don't give in. Hold out for as long as possible. Keep a day-by-day diary of your injuries. The judge will want to know how long you have been suffering from your injuries, and a diary can help in this regard.
