The National Park Service invites you to explore stories, places, and the people of the Amana Colonies - an American Utopia. First founded in Germany in 1714, the Community of True Inspiration made east-central Iowa their home in 1855. The Inspirationists founded seven villages near the Iowa River and practiced a fully communal lifestyle until ...

" **Seven American Utopias: The Architecture of ...**

Dolores Hayden's path-breaking Seven American Utopias examines architecture, landscape architecture, and town planning in seven American utopian communities to see how the communities' physical facilities aided or retarded social interaction and larger community goals. The settlement examined range from the nineteenth century Shaker settlement at Hancock, Massachusetts, to the twentieth century Llano del Rio community of California and Louisiana which continued until 1938.

**Seven Planned Utopian Towns That You Can Visit Today ...**

Though it was envisioned as a utopian city, modern-day manifestations of Corbusier's ideas have drawn criticism for their lack of public spaces and a general disregard for livability. Unité-like apartment complexes on urban fringes are now subject to high levels of poverty and crime.
