'Whoever lives in our country, speaks our language, is brought up in our culture and takes pride in our glory is one of us.' Thus ran a declaration of modern leaders of Arab states. But what exactly is an Arab, and what has been their place in the course of human history? In this well-established classic, Professor Lewis examines the key issues of Arab development - their identity, the national revival which cemented the creation of the Islamic state, and the social and economic pressures that destroyed the Arab kingdom and created the Islamic empire. He analyses the forces which contributed to that empire's eventual decline, and the effects of growing Western influence. Today, with the Arab world

facing profound social and political challenges, it constitutes an essential introduction to the Arabs and their history.

thored jointly by Nelson Mandela's great-grandchildren and daughter, this amazing story is told as never before to celebrate what would have been Nelson's Mandela 100th birthday.

introduces the early history of Islam, from the life of the Prophet Muhammad to the collapse of the Islamic Empire in the early 10th century.

Presents a selection of the author's poems from throughout his life, from playful early poems to themes of mourning and loss.

"In 2012, the year 1433 of the Muslim calendar, the Islamic population throughout the world was estimated at approximately a billion and a half, representing about one-fifth of humanity. In geographical terms, Islam occupies the center of the world, stretching like a big belt across the globe from east to west."--P. vii.

This intriguing three-volume set explores the ways in which religion is bound to the practice of daily life and how daily life is bound to religion. In *Religion and Everyday Life and Culture*, 36 international scholars describe the impact of religious practices around the world, using rich examples drawn from personal observation. Instead

of repeating generalizations about what religion should mean, these volumes examine how religions actually influence our public and private lives "on the ground," on a day-to-day basis. Volume one introduces regional histories of the world's religions and discusses major ritual practices, such as the Catholic Mass and the Islamic pilgrimage to Mecca. Volume two examines themes that will help readers understand how religions interact with the practices of public life, describing the ways religions influence government, education, criminal justice, economy, technology, and the environment. Volume three takes up themes that are central to how religions are realized in the practices of individuals. In these essays, readers meet a shaman healer in South Africa, laugh with Buddhist monks, sing with Bob Dylan, cheer for Australian rugby, and explore Chicana and Iranian art. Includes contributions from 36 scholars from a dozen countries around the globe

One of the most celebrated poets of the classical world, Pindar wrote odes for athletes that provide a unique perspective on the social and political life of ancient Greece. Commissioned in honor of success-

ful contestants at the Olympic games and other Panhellenic contests, these odes were performed in the victors' hometowns and conferred enduring recognition on their achievements. Andrew M. Miller's superb new translation captures the beauty of Pindar's forty-five surviving victory odes, preserving the rhythm, elegance, and imagery for which they have been admired since antiquity while adhering closely to the meaning of the original Greek. This edition provides a comprehensive introduction and interpretive notes to guide readers through the intricacies of the poems and the worldview that they embody. "Two kindred spirits find each other in this beautifully written memoir about the human-animal bond" (Temple Grandin, author of *Animals in Translation*). When Susan Richards agreed to take on the care of one of the abused horses just rescued by the local SPCA, she didn't know it was about to open a new chapter in her life. Things had not always been easy for Susan—she had lost her mother at the age of five and was raised by uncaring relatives, married unhappily and divorced, and suffered from alcoholism. But while Susan is trying to capture the horse assigned to

her, a skeletal mare named Lay Me Down walks into her trailer of her own volition. Susan already owns one mare and two geldings—the diva-like Georgia, boyish Tempo, and hopelessly romantic Hot-shot—but it is with Lay Me Down that she forges a special, healing relationship that alters her life. Poignant and evocative, *Chosen by a Horse* is a book for anyone who has ever loved a horse, and for everyone who has ever lost a loved one.

History that doesn't suck: Smart, crude, and hilariously relevant to modern life. Those who don't know history are doomed to repeat it. Too bad it's usually boring as sh*t. Enter *The Captain*, the ultimate storyteller who brings history to life (and to your life) in this hilarious, intelligent, brutally honest, and crude compendium to events that happened before any of us were born. The entries in this compulsively readable book bridge past and present with topics like getting ghosted, handling haters, and why dog owners rule (sorry, cat people). Along the way you'll get a glimpse of Edith Wharton's sex life, dating rituals in Ancient Greece, catfishing in 500 BC, medieval flirting techniques, and

squad goals from Catherine the Great. You'll learn why losing yourself in a relationship will make you crazy--like Joanna of Castile, who went from accomplished badass to Joanna the Mad after obsessing over a guy known as Philip the Handsome. You'll discover how Resting Bitch Face has been embraced throughout history (so wear it proudly). And you'll see why it's never a good idea to f*ck with powerful women--from pirate queens to diehard suffragettes to Cleo-f*cking-patra. People in the past were just like us--so learn from life's losers and emulate the badasses. *The Captain* shows you how.

The book *Islam Aur Jinsiyaat* is a collection of hadiths from the Prophet Mohammed (s.a.w.s) and the infallible Imams (a.s) regarding the life after marriage. It contains hadith regarding intimacy and sexual relationship of a couple being within the boundaries of Islam. It also contains duas and recommended practices for newly married couples

In the name of Allah, the Most Merciful and Most Compassionate. Praise to the One Who completed this religion and sent guidance through His Messenger salAllahu 'alayhi wa sallam. To begin: Every so often our daily lives preoccupy us and turn us away from Allah's promise. When we walk out of our homes, turn on the radio, TV, or Internet, we are distracted by the evils we see and hear. As result of immorality and

unashamed disobedience, our hearts grow hard and distant from Allah and His Messenger's call. We know the message of Islam is true, but we are weak due to the rigidity of our heart, spirit and mind. In times like these, we need something to penetrate that stiffness. We need a remedy to soften that hardness and the inflexibility of our choices. Disunity and harshness afflicts this Ummah today. Consequently, many people have turned away from brotherhood, caring, and even Islam itself. Their hearts have transformed into dwellings of complete hatred for a sinner, disdain toward the weak Muslim, and jealousy of their successful brother or sister. I have selected some ahaadeeth from the most authentic book after the Qur'aan to soften the hearts in our chests. I used Shaykh Muhammad ibn Saalih Al-'Uthaymeen's explanations for the ahaadeeth selected. The ahaadeeth selected come from a book in Imam Al-Bukhari's collection titled Riqaq: Heart Softeners. This chapter brings tears to one's eyes, fear to one's mind, and most importantly it diminishes the rigidity in one's heart. I ask Allah to make the translation and compilation solely for His pleasure. I pray to Allah

for acceptance of this deed and His mercy in the Hereafter. Abu Aaliyah Abdullah ibn Dwight Battle Ramadan 18th, 1433Doha, Qatar (c)

This volume deals with the last two and a half years of the Prophet's life. In addition

to the three major expeditions to Hunayn, Ta'if, and Tabuk, it describes in detail the circumstances surrounding the illness from which he died and the subsequent crisis of leadership faced by the nascent Muslim community. The author depicts with admirable fairness all the various opinions and divisions that existed within the community. He also presents a vivid picture of the Prophet's physical appearance, his personal life, and his marriages. Among other topics discussed in this volume are all the deputations that came to Medina; a summary of all the expeditions and raiding parties; and his scribes, freedmen, horses, camels, goats, swords, coats of mail, and so on. It also covers the apostasy of Musaylimah, Aswad, and Tulhah and the Prophet's attempts to deal with them. The translation not only preserves the original lively flavor of al-Tabari but also, in its annotations, draws extensively on both parallel Arabic sources and the intensive research of recent years. Readers who seek a deeper understanding of the Prophet's personality and of the reasons for antagonisms engendered among various factions will find this volume most informative.

Non-Muslims in Islamic countries are exposed to the religion of Islam 24 hours, seven days a week, for their entire life (No freedom of choice here). They hear five

prayers between 6: 00 AM and 8: 00 PM everyday on radio, television, Loud Speakers and other public address systems that cover every square inch of the country, whether they want to or not. They get to hear the Koran recited for hours every day. The non-Muslim is a second class citizen who is not allowed to rule or hold key position in the country. He can live in the abode of Islam as long as he doesn't preach his religions outside his community, doesn't insult Islam or criticize the Prophet, and he must pay a religion tax. The punishment for leaving Islam is death (most recently a young woman killed in Saudi Arabia and one in Jordan for leaving Islam; Sept. 2008]. Islam gives its followers the right to kill non-Muslims, and take their wives, children, and possessions as a booty blessed by the Koran and the Hadith. Only a Muslim man can legally lie to his wives, and his enemies.

The series Religion and Society (RS) contributes to the exploration of religions as social systems – both in Western and non-Western societies; in particular, it examines religions in their differentiation from, and intersection with, other cultural systems, such as art, economy, law and politics. Due attention is given to paradigmatic case or comparative studies that exhibit a clear theoretical orientation with the empirical and historical data of religion and such aspects of religion as ritual, the religious imagination, constructions of tradition, iconography, or media. In addition, the formation of religious communities,

their construction of identity, and their relation to society and the wider public are key issues of this series.

In the Qur'an, Allah has revealed the machinations of the hypocrites, He has unveiled their beliefs, their qualities, and made their goals clear so that the believers can be aware of them. He divided mankind into three groups in the beginning of Surah al-Baqarah: the believer, the disbeliever, and the hypocrite. He mentioned four verses concerning the believers, two verses concerning the disbelievers, and thirteen verses concerning the hypocrites due to their plenitude and the great harm and tribulation they bring to Islam and the Muslims. The harm they cause to Islam is truly severe for they claim to be Muslims, they claim to aid and support Islam, whereas in reality they are its enemies seeking to destroy it from within, covertly spreading their corruption and ignorance such that the unwary thinks that what they are upon is knowledge and right action.

The War & Peace of golf. A quaint old classic from 1946, with an intro by the Duke of Windsor. It's good advice, and seriously, this game has hardly changed a whit in 50

years!

From the foreword: "One of the High Line's powers is its ability to evoke time, to remind us of the changes we've experienced during our own lives, to bring forth echoes of the past, and to make us guess what life might be like years from now. I love the photos on these pages, because they have that power, too." --Joshua David, Co-Founder of the Friends of the High Line. Ten Avenues Press, in association with Friends of the High Line, announce the publication of High Line Nudes. In 2006, photographer Kevin McDermott took three of his friends up on the abandoned railroad tracks that would become New York City's High Line park to shoot a series of nudes. As McDermott states in his introduction, "at the time I took these photos, what I sought from its beauty was its sense of isolation, being alone, surrounded by nature in the middle of this metropolis." A decade later, this location is now one of the most visited tourist destinations in NYC and one of the largest real estate developments in the world. High Line Nudes captures a seemingly impossible, but beautiful moment in the history of the West Side Rail Yards, Chelsea and an ever changing New York Ci-

ty. The cloth hardcover book is beautifully printed in color and rich black and white duotone images.

In a comprehensive study of early Islamic

history, Wilferd Madelung examines the conflict which developed after Muhammad's death for the leadership of the Muslim community. He pursues the history of this conflict through the reign of the four 'Rightly Guided' caliphs to its climax in the first inter-Muslim war. The outcome of the war, which marked the demise of the reign

of the Early Companions, resulted in the lasting schism between Sunnite and Shi'ite Islam. Contrary to recent scholarly trends, the author brings out Ali's early claim to legitimate succession, which gained support from the Shi'a, and offers a convincing reinterpretation of early Islamic history. This

book will make a major contribution to the debate over succession. Wilferd Madelung's book *The Succession to Muhammad* has been awarded the Best Book of the Year prize by the Islamic Republic of Iran for the year 1997. Barney takes Baby Bop to the library so that she can get her own library card.
