The Riftwar Saga Series Books 2 and 3: Silverthorn, A Darkness at Sethanon by Raymond E. Feist Book Summary: The Riftwar Saga continues... This ebook contains Silverthorn and A Darkness at Sethanon, books two and three of the Rift War Saga by Raymond E. Feist.

Silverthorn is the second one ebook within the Riftwar Saga. The trilogy concludes with ebook 3, A Darkness at Sethanon.

The adventure concludes with the triumphant finale in the Riftwar Saga. Raymond E. Feist is an internationally best-selling author. The battle may be over, but war is coming... The Kingdom forces may have won the first conflict but the enemy has a strong grip on Midkemia and invasion now seems inevitable.

Silverthorn is the third (or second, depending on how you count Magician) book in Raymond E. Feist's Riftwar Saga, the first subseries in the Riftwar Cycle. This one picks up about a year after the previous book left off.

To save his beloved, Arutha sets out in search of the mytics herb called Silverthorn that grows only in the dark and forbidding land of the Spellweavers. Accompanied by a mercenary, a minstrel, and a clever young thief, he will confront an ancient evil and do battle with the dark powers that threaten the enchanted realm of Midkemia.

The second book in the Riftwar Saga. A decent enough follow up the Magician but fails to capture that magic from the previous book, as all of his books will. I enjoyed Silverthorn however there was something off for me with the feel of this book.

The third installment of Raymond Feist's Riftwar Saga, Silverthorn is by far the best. If you like a fast-paced, finely constructed plot with excellent characterizations, this is your book! Usually I don't recommend reading novels in a series out of sequence, but I'll make an exception in this case.
