Sport Marketing (Second Edition) reflects the latest developments in the industry and contains valuable new information. Authors Mullin, Hardy, and Sutton have not simply borrowed mainstream marketing theory and applied it to sports-they've actually built distinct new theory about sport marketing based on their own extensive field experience and research.

Sport Marketing, Fourth Edition With Web Study Guide, has been streamlined and updated to keep pace with the latest information and issues in the competitive world of sport marketing. This text maintains its position as the best-selling and original text in the field, continuing to direct students to a better understanding of the theoretical backbone that makes sport marketing such a unique and ...
