Still Anonymous promises to continue the excitement of The Anonymous Man! Praise for the bestselling The Anonymous Man: "The Anonymous Man gets decent marks for creativity and intricacy...it's a fast read that runs through familiar local settings to a satisfying conclusion...Scarsella has the makings of a good storyteller...he and [Jack] Fox could go places." - The Buffalo News "Writer Vincent Scarsella is a tricky guy.

The Anonymous Man is a handy guide to absconding with a ton of loot and rebooting your present mundane existence. Couple things, though. Don't attend your own funeral. And make sure you really, really trust your wife and best friend."

Geoff is now astronomy's most famous sexual harasser, but he is far from the only one. Use the security of your seniority and the voice afforded to you in your leadership position. Berkeley already made the choice to protect themselves, not nameless complainants like me. After all, I'm still anonymous.

I'm aware of this, however back in 2011 there was a hacker group that went under the name Anonymous. Those people have since been arrested and prosecuted, however I'm wondering if there are others that are still active under this name and same hacker collective, or possibly a new group of hackers that are using the name and brand.

Jerry had always wanted to publish his own superhero comics, especially about his hero, The Anonymous Man, but instead had found himself stuck in a dead-end job as a computer software rep. Then, one day, he, his wife, Holly, and best friend, Jeff Flaherty, conspire to fake his death to collect on his \$4 million life insurance policy.
