Permanent (Evergreen) Capital Structures For Private ...

In the world of venture capital and private equity, there is no difference between a good business person and a good lawyer. They both must know capitalization structure and law, and they both must know tax and accounting. Many never achieve this mastery, and those who do only get there after many years of practice.

The course book (which includes the appendix) is Levin and Rocab Structuring Venture Capital, Private Equity, and Entrepreneurial Transactions (2019 edition). Note: The last class session will be held on Tuesday, January 21, 2020.

Deal Structuring in Private Equity. Private equity would fund a company in different ways. Common stock and convertible preferred stock are two basic ways in which a company is invested. The deal is structured after negotiations with the investee and laid down in a term sheet. Most of the times, the funding will have an anti-dilution provision.
