### **B26 - OBRIEN JAZMINE**

In this book, film scholars, anthropologists, and critics discuss star-making in the contemporary Hindi-language film industry in India, also known as "Bollywood." Drawing on theories of stardom, globalization, transnationalism, gender, and new media studies, the chapters explore contemporary Hindi film celebrity. With the rise of social media and India's increased engagement in the global economy, Hindi film stars are forging their identities not just through their on-screen images and magazine and advertising appearances, but also through an array of media platforms, product endorsements, setting fashion trends, and involvement in social causes. Focusing on some of the best-known Indian stars since the late 1990s, the book discusses the multiplying avenues for forging a star identity, the strategies industry outsiders adopt to become stars, and the contradictions and conflicts that such star-making produces. It addresses questions such as: What traits of contemporary stars have contributed most to longevity and success in the industry? How has filmmaking technology and practice altered the nature of stardom? How has the manufacture of celebrity altered with the recent appearance of commodity culture in India and the rise of a hyper-connected global economy? By doing so, it describes a distinct moment in India and in the world in which stars and stardom are drawn more closely than ever into the vital events of global culture. Hindi films and their stars are part of the national and global entertainment circuits that are bigger and more competitive than ever. As such, this is a timely book creates opportunities for examining stardom in other industries and provides fruitful cross-cultural perspectives on star identities today. "Grounded in rigorous scholarship as well as a palpable love of Hindi cinema, this collection of 19 essays on a dizzying array of contemporary Hindi film stars makes for an informative,

thought-provoking, illuminating, and most of all, a joyful read. Pushing boundaries of not only global Star Studies but also film theory as a whole, this de-colonised and de-colonising volume is a must read for film scholars, students and cinephiles!" Dr. Sunny Singh, Senior Lecturer - Creative Writing and English Literature, Sir John Cass School of Art, Architecture & Design, London Metropolitan University "A wide-ranging overview of Hindi cinema's filmi firmament today, focussing on its most intriguing and brightest-burning stars. The variety of approaches to stardom and celebrity by both established and upcoming scholars reveals a web of interconnecting stories and concerns that provide fascinating new insights into the workings of today's Hindi film industry, while shining fresh light on contemporary India and the world we live in." Professor Rosie Thomas, Centre for Research and Education in Arts and Media (CREAM), College of Design, Creative and Digital Industries, University of Westminster

2022-23 UPTET/CTET (bilingual) English Solved Papers

The country's first and only publication devoted to narrative journalism, *The Caravan* occupies a singular position among Indian magazines. It is a new kind of magazine for a new kind of reader, one who demands both style and substance. Since its relaunch in January 2010, the magazine has earned a reputation as one of the country's most sophisticated publications—a showcase for the region's finest writers and a distinctive blend of rigorous reporting, incisive criticism and commentary, stunning photo essays, and gripping new fiction and poetry. Its commitment to great storytelling has earned it the respect of readers from around the world. □ "India's best English language magazine", *The Guardian*, London □ "For those with an interest in India, it has become an absolute must-read", *The New Republic*, Washington *The Caravan* fills a niche in the Indian media that has remained vacant for far too long, catering to the intellectually curious and aesthetically

refined reader, who seeks a magazine of exceptional quality.

This book provides a unique perspective on Arvind Kejriwal and the Aam Aadmi party (AAP) through the keen observations and first-hand insights of an active AAP volunteer and close personal friend of Kejriwal from his undergraduate days at IIT Kharagpur. They re-connected more than a decade after IIT at UC Berkeley when Kejriwal was on a visit while still actively running his NGO, Parivartan, and have remained in contact ever since. The book captures Kejriwal's transition from a social activist to becoming the brain behind the India Against corruption movement, to the founding of AAP, its dramatic rise to power, the sudden resignation, and its sweeping return to power in 2015, up until the recent internal power struggle within AAP. The book describes the extensive use of technology by the party with first hand details of how some of the most brilliant minds in the business contributed valuable time, energy and knowhow to the party, entirely on a voluntary basis. It addresses in detail the role of NRIs in AAP, the role of AAP's army of volunteers, and the associated challenges in managing their expectations and streamlining their efforts. The book covers several interesting anecdotes from private meetings in Berkeley, Goa, NY and Dubai that Kejriwal attended with friends, and provides rare insights and explodes popular myths about his leadership, his frequent references to God, and his personality in general. Through the book, the author draws upon his entrepreneurial and management experience to establish parallels between the AAP and happenings in startup companies. Finally, it looks at the aftermath of AAP's most recent power struggle, and the road ahead for AAP and its role in Indian politics.

Lakshya NTA JEE MAIN - Past 10 Varsh Solved Papers + 10 Mock Tests (3 Online Tests) Hindi edition provides you the past 10 years JEE Main (2009 - 18) solved papers with one 2018 Online Paper and 10 Mock Tests ( 7 in Book & 3 Online) exactly on the lat-

est pattern expected for NTA JEE Main 2019. The book is FULLY SOLVED and constitutes around 1890 most important MCQs.

Indore city has been declared the cleanest city in the country for the fifth time in a row in 2021. Indore became cleanest city in the country for the first time in Swachh Sarvekshan 2017 while in the Swachh Sarvekshan 2016, it was 25th in the ranking. The story of Indore from 25th position to becoming the cleanest city of the country and then sustaining the position is written in this book by the author P. NaraharilAS. P. Narahari was the Collector and District Magistrate of Indore when the campaign to become the cleanest city was initiated. The author spearheaded the campaign to make Indore Rural District the second Open Defecation Free (OD-F) in the country. After achieving such a feat, the campaign to make Indore the Cleanest city was initiated with the support of the whole society. What were the strategies applied by the city administration in ensuring absolute cleanliness on the lines of the Swachh Bharat Campaign? How a song to motivate the citizens of Indore became an anthem for cleanliness is mentioned in this book. How Indore became a role model for not only many other cities of the country but also of the world is delineated in this book. This book also talks about how Safai Karmcharis became champions of Cleanliness in this campaign? This book can be a reference point for citizens, administrators, policy makers, students of journalism and civic societies of any city to make their cities highly liveable. It will lead to the Right to Cleanliness for a healthy living of everyone.

On 15 August 2014, in his maiden Independence Day address to the country, Narendra Modi became the first Prime Minister of India to take on the national shame of open defecation. Launched a few weeks later, on Gandhi Jayanti, the Swachh Bharat Mission has come a long way over the past five years. India is now close to declaring itself an Open Defecation Free nation on 2 October 2019, the 150th birth anniversary of the Father of the Nation. The Swachh Bharat Revolution looks at all that went into making this remarkable transformation happen, and how a nation of over a billion people led the largest people's movement in the world to make the impossible possible. This is a compendium of essays -- with names such as Arun Jaitley, Amitabh Kant, Ratan Tata, Sadhguru, Amitabh Bachchan, Akshay Kumar, Tavleen Singh, Bill Gates and many more, along with a message from Prime Minister Modi himself -- that celebrates a historic national achievement.

BPSC Previous Year Solved Question Papers helps you to understand the requirements for the BPSC exam and provides guidance in the right way to study for it. This new volume looks at a selection of important issues resulting from the digitization of society, which has fundamentally transformed organizations. These new technological innovations are creating new opportunities as well as new challenges. This volume considers the emerging paradigm of digitization in economy and society, which covers a wide spectrum of digitization processes and consequences, accelerated by the current COVID-19 pandemic, the lockdown scenario, and the increase in digitization by individuals, businesses, and governments. The book explores digital social trends, digital marketing, and the service industry, as well as the societal consequences of technologies and solutions to those problems. The diverse topics include the societal impact of digitization on gender issues, virtual relationships, e-government, online privacy, the gig economy (using Uber as an example), work life changes, online education, online media health public service advertisements, loneliness of the elderly, and more. This book is essential reading for students and faculty of social sciences, economics, and management technology to understand the broad dimensions of digitization in our everyday life and the theoretical and practical utilization and outcome of digitization.

This book gathers selected high-impact articles from the 1st International Conference on Data Science, Machine Learning & Applications 2019. It highlights the latest developments in the areas of Artificial Intelligence, Machine Learning, Soft Computing, Human-Computer Interaction and various data science & machine learning applications. It brings together scientists and researchers from different universities and industries around the world to showcase a broad range of perspectives, practices and technical expertise.

Disrupting Hate in Education aims to identify and respond to the ideological forms of hate and fear that are present in schools, which echo larger nativist and populist agendas. Contributions to this volume are international in scope, providing powerful examples from US schools and communities, examining anti-extremism work in the UK, the "saffronization" of schools in India, struggles to re-orient the villainization of teachers in Brazil, and more. Written by a dynamic group of activist educators and critical researchers, chapters demonstrate how conservative mobilizations around collective identities gain momentum, and how these mobilizations can be interrupted. Out of these interruptions come new opportunities to practice a critically democratic education that hinges upon risk-taking, deep dialogue, and creating a space for common dignity.

This book provides an in-depth analysis of and discussion about the relationship between green tourism, economic growth and globalization. It explores numerous topics relating to tourism including transport efficiency, foreign direct investment, clean energy, climate change dynamics and advances in sustainable tourism

management. The book begins with discussion of sustainable tourism and economic growth, particularly focusing on management strategies. It then presents the relationship between energy use and tourism, looking at green energy and energy shock. It then discusses transport efficiency, tourism efficiency and financial growth in both developed and developing countries. This book is of interest to researchers, policymakers, and postgraduate students in the areas of energy, environmental and tourism economics.

In an Indian household; the cleaning up of the house is the first

step towards the celebration of an approaching festival. Not only it is hygienic but the symbolic significance of the festival is enhanced many times by this act of cleaning. It symbolizes purity of mind and clarity of thoughts before one goes to pray and celebrate an event of importance. These acts lead us to the attainment of the ultimate elation; where the body is in the pink of health and the mind is in the depths of joy. Such insight and far-sightedness in thought and actions have been the hallmark of the Indian history. These actions are nothing but the manifestations of our rich cultural heritage. A festival is a symbol of a prosperous society and a rich culture; it signifies growth and development. Therefore; any development; any growth is no less than a festival and the primary step to a celebration; which starts with cleanliness. For India; ‘Swachh Bharat Abhiyan’ is nothing but the first step towards celebrating development and prosperity. Certainly this book will facilitate the fulfillment of Swachh Bharat Abhiyan.

Populism is on the rise, and so are academic studies on populism. The study of populism has long focused on the way its spokespersons have behaved as an oppositional force, in Western countries in particular. While discourses and practices of populists exercising a protest function still merit attention, this volume trains the focus on populists in government. The real novelty of the past de-

cade is that many populists are now (or have been) in power, in Europe as well as in other parts of the world, and this book intends to play a pioneering role from a geographical and analytical standpoint. Besides Europe and Latin America, where populism is well established, populists are today--or have been recently--in office in the Middle East (Turkey, Israel), Asia (India, Thailand, the Philippines, Pakistan, Sri Lanka), and the United States. In most of the cases, their rule has resulted in forms of authoritarianism, giving birth to a new kind of regime that combines elections--which populists need to nurture their legitimacy--and attacks against institutions in charge of checks and balances, including the judiciary. While most of the populist rulers have consolidated their power, democratic resilience has prevailed in some rare cases. Alain Dieckhoff is Director of the Center for International Studies (CERI) at Sciences Po, France, and CNRS Research Professor. Christophe Jaffrelot is a CNRS Research Professor at the Center for International Studies (CERI) at Sciences Po, France, Prof. of Indian politics and sociology at King's College (London) and President of the French Political Science Association. Elise Massicard is a CNRS Research Professor at the Center for International studies (CERI) at Sciences Po, France. .

The protagonist of this book represents such a section of youths in Indian society, who is loyal towards family values and holds high virtues in all situations, keeping his aspirations aside, and is ready to give everything for his nation and family. In this book, you will meet a youth who is hiding his identity under constant life-threatening pressure. A youth who is fighting for his self-esteem at every step, with the regular insults and profanity thrown at him, this youth sometimes becomes speechless and sometimes angry. His conscience, which is constantly stopping him from walking on to the wrong path and finally, how he escapes from all this, you will experience when you indulge yourself in his story! Love and emotions, the needed support when one works in a broken administration, while every day at work facing egoistic and corrupt bosses. The higher values of love, sacrifice, and morality meet responsibility and how he moves forward with all this has been mentioned with complete ease in this book. A youth who is on a journey to fulfill a dream is tough: his way ahead is full of fog and unexpected twists and turns. He completes his journey by showing extreme valour, strength, wisdom, skill, and knowledge to win the so-called required battle in the end. With constant inquiries at all

levels of administration and his efforts to expose the corrupt system and in this process, receiving constant threats by higher officials and pressure from the system under which he is working and, in the end, walking out in a triumph. This is the overall picture of the story in this book. The story of such a youth who fulfilled all his responsibilities by separating his love life and professional life and at times sacrificing his love, to work for the betterment of the district, to bring about a positive change, and make changes in the way of good governance, happily gave up his personal wishes and ambitions. Welcome him, a 25-year-old officer, who, with his efforts, exposed and eventually suspended a corrupt officer who had 25 years of experience. The one who suc-

cessfully helped 30,000 beneficiaries to get their rights as a citizen of this nation, the one who exposed the biggest scam of a total of 550 panchayats in the district of Mainpuri and brought impetus to the radical growth and development of the villages in this area. In short, this book is written for love, responsibility, dreams, and duty; all woven into one incredibly true story, which discovers the secret of a hidden hero who is within all of us. We welcome you into this world full of adventure and agony, sacrifice, and honest, diligent work for the greater good of the nation and society. Columnist, author and political commentator, Aakar Patel has long been a close observer of the political scenario. In Price of the Modi

Years, he seeks to explain the data and facts on India's performance under Narendra Modi. Modi's predecessor, Manmohan Singh, had once said that Modi would be a disaster as prime minister. This book shows how. It concedes Modi's popularity; this is an accounting of the damage he has wrought. It is the history of India since 2014, assessing the damage across the polity from the economy, national security, federalism, foreign relations, legislations and the judiciary to media and civil society. Our memories are not long, news cycles are transient and incidents are forgotten or misclassified as being only episodic, unless documented, unified and placed together as a record. And, therefore, this book—a history of these present times.
