885 - PEREZ DURHAM

"The Beta Male Revolution is for men in the 21st Century what Feminism was for women in the 1960s and 1970s" says Author and Professional Dating Coach Alan Roger Currie in his latest book. Most men don't want to remain 'just friends' with women. Men want either sex only from women, or a combination of sexual companionship and non-sexual companionship. Unlike men, women have as many as FOUR types of men they want to spend time with: - Men who women only want to spend time with for sexual enjoyment and satisfaction: These are 'Total Alpha males' - Men who women only want to spend time with for a combination of sexual companionship and non-sexual companionship. These are 'Alpha males with a few Beta traits and tendencies' - Men who women want to spend time with primarily for the benefit of entertaining conversation, enjoyable social companionship, and financial assistance and support. These are 'Beta males with a few Alpha traits and tendencies' - Men who women only want to spend time with for strictly platonic friendship, flattery, and to have men provide them with an 'empathetic listening ear' when they are feeling bored, frustrated, or depressed. These are 'Total Beta males' Many women socially interact exclusively with Alpha male types between the ages of 18 and 29, and then begin looking for a nice, sweet, polite, monogamy-oriented Beta male type for marriage once they reach the age of 30. Well, the Beta male types are tired of this routine, and they are now avoiding proposing to marriage to women who they perceive as "Alpha male leftovers." Beta males are now well aware that the vast majority of women want to spend time with Alpha males for sexual enjoyment and satisfaction. They are also well aware that most women want to spend time with Beta males for platonic friendship, financial favors, and entertaining conversation. The Beta Male Revolution is a brutally honest assessment of where we as a society have been, where we are now, and where we are headed regarding the state of dating, long-term romantic relationships, marriage, and monogamy vs. promiscuity vs. polyamory. Women can also learn from this book because Currie explains just why men pursue some women for short-term non-monogamous 'casual' sex only, while they pursue other totally different women for long-term romantic relationships and marriage. Purchase this book right now and be educated and enlightened. You are guaranteed to have a better understanding of the manner in which the mind of the opposite sex works, and why men and women gravitate toward the type of romantic companions and sexual companions that they do after reading this book. This book will be talked about for years to come.

FOUR WORDS WOULD CHANGE HER LIFE... Precious Rafferty is an American antiques dealer living in Paris. Though Precious--known as Preshy--lives in the world's most romantic city, she keeps her feet firmly on the ground. No man will ever sweep her off her feet. Until she meets Bennett James. He's perfect in every way. Is he too good to be true? Granted, she doesn't know much about his business or personal life in Shanghai, but isn't it time to stop being so jaded about romance? And then her long-lost cousin Lily Song sends her an urgent message about Preshy's new love. "Meet me in Venice" are Lily's cryptic words. ONE MAN MIGHT POSSIBLY END IT... Lily lives in Shanghai and knows the antiques underworld there--and she has a secret important enough to draw her to Venice to meet Preshy for the first time, face-to-face. Ruggedly handsome, world-weary writer Sam Knight senses there's a story afoot. Precious senses he's getting closer and closer to her and enmeshed in this tangled web of danger and desire. But is Sam also not all he seems to be? Does he have a terrible secret he's keeping from Preshy? In Venice, Precious will have to weave through a maze of betrayers and seducers to discover who she can trust with her heart...and with her life. Page-turning, lushly descriptive, and intelligent, Meet Me in Venice is a cat-and-mouse game with plenty of twists and wonderful characters you'll never forget. It is Elizabeth Adler at her storytelling best.

Ever wanted to know the steps to attract and seduce women? In How To Sleep With Any Girl, Adrian Gee goes through all the things you must do in order to attract and seduce women. By owning a copy of How To Sleep With Any Girl, you will essentially have the guide to seducing women right in your pocket and readily accessible whenever you need it.About the Author: From his previous career as an online entertainer and content creator to his current role as the Author of How To Sleep With Any Girl, Adrian Gee has always been focused on one thing above everything else - the well-being and dating success of his clients.Without that focus, Adrian wouldn't have succeeded in the highly competitive dating world in Los Angeles, California & in Melbourne, Australia where the demand for his services became so great that he was to turn his part-time coaching business into full-time.And without that focus, Adrian also wouldn't have been able to create is seduction products, the latest of which is the national best seller, How To Sleep With Any Girl Book that allows men to grow and develop into the attractive man they've always craved to be."As a guy who struggled with sleeping and dating beautiful women, and seeing how much of a negative impact that became on my personal and business life," Gruszka said. "It became my goal to master the art of seduction and positively impact the lives of thousands of other guys that just don't get with the 10s that they've always dreamed of."So Gruszka devoted a large portion of his life to researching attraction, seduction & PUA. He studied some of the best seducers, dozens of dating books and hundreds of PUA systems, and programs before he started formulating his own methods.He ended up spending over 5 years studying and seducing women and just over 2 years fine-tuning his seduction philosophy. His latest seduction program utilizes all that knowledge and experience to deliver something unlike anything else on the market."Over the last 5 years I've helped over 32,000 men in the US, Canada, Australia, Great Britain, and across Europe to attract some of the most gorgeous women I've seen," Gruszka said. "I still get the chills just saying that sentence - it just means so much to me to be able to positively impact the lives of so many men out there.""And I'm super excited about my latest eBook," Gruszka said. "It's super effective, practical and covers what so many dating coaches are holding back on."

Currie breaks down the "Four Modes of Verbal Communication" to help readers better understand why men exhibit the behavior they do towards the women they are either interested in dating or having a few episodes of casual sex with.

A multidisciplinary study draws on elements of anthropology, psychology, and evolutionary theory to analyze the relationship between human nature and the history of warfare, offering a disturbing look at humankind's innate penchant for war. Reprint. 20,000 first printing.

Upton Sinclair, one of America's foremost and most prolific authors, addresses the cultivation of the mind and the body in this 1922 volume. Sinclair's goal was to attempt to tell the reader how to live, how to find health, happiness and success, and how to develop fully both the mind and the body. Part One: The Book of the Mind covers such subjects as faith, reason, morality, and the subconscious. Part Two: The Book of the Body develops such subjects as errors in diet, the fasting cure, food and poisons, work and play, and diseases and their cures .

Completed in 1173, The Book of Divine Works (Liber Divinorum Operum) is the culmination of the Visionary's Doctor's theological project, offered here for the first time in a complete and scholarly English translation. The first part explores the intricate physical and spiritual relationships between the cosmos and the human person, with the famous image of the universal Man standing astride the cosmic spheres. The second part examines the rewards for virtue and the punishments for vice, mapped onto a geography of purgatory, hellmouth, and the road to the heavenly city. At the end of each Hildegard writes extensive commentaries on the Prologue to John's Gospel (Part 1) and the first chapter of Genesis (Part 2)—the only premodern woman to have done so. Finally, the third part tells the history of salvation, imagined as the City of God standing next to the mountain of God's foreknowledge, with Divine Love reigning over all.

From #1 New York Times bestselling author Nora Roberts comes the fifth Night Tales novel—a story of forbidden love under the cover of night. Undercover cop Ally Fletcher knows that Jonah Blackhawk is bad news, which is why she's determined not to fall for his charms while working at his nightclub. But the more Ally interacts with the seductive Jonah, the more she's tempted to break her own rules. A NORA ROBERTS CLASSIC AVAILABLE DIGITALLY FOR THE FIRST TIME

The Second installment of the Dom Game Division Book Series:Mirror Talk is a deeper look within, pushing you to recognize who you are your purpose movingforward, leaving your past behind, and forgetting those fears that held you back.You are a reflection of what you bring into the world. Your body, mind and spirit follows you whereeveryou go. You are not only what you ATTRACT, you are what you EXTRACT, meaning, whatever is inside ofYOU is what you are ultimately putting out to the world and people around you.

Not caring what people think is a superpower that will allow you to get what you want out of life. Most people worry about what others will think, so they suffocate their actions. As a result, they never live up to their potential. Within this book are insights about life and living to the fullest in 7 categories. You Will Learn: -The real reason the ability to work hard is so highly valued. -How to identify where to invest your emotional energy for the greatest return -Why you can't afford to have low standards for anything you do or the company you keep. -The greatest source of motivation that's untapped by most. -Vital paradigm and mindset shifts that will allow you to get more out of life. -The difference between strategy and tactics and how to develop a mindset for both. -How to select the best people to have a relationship with and get the most out of it.

A dramatic, thought-provoking portrait of one of the most compelling figures in early Christianity which explores two thousand years of history, art, and literature to provide a close-up look at Mary Magdalen and her significance in religious and cultural thought.

The first major biography of the glamorous and scandalous and scandalous Miriam Leslie, titan of publishing and an unsung hero of women's suffrage Among the fabled tycoons of the Gilded Age--Carnegie, Rockefeller, Vanderbilt--is a forgotten figure: Mrs. Frank Leslie. For twenty years she ran the country's largest publishing company, Frank Leslie Publishing, which chronicled postbellum America in dozens of weeklies and monthlies. A pioneer in an all-male industry, she made a fortune and became a national celebrity and tastemaker in the process. But Miriam Leslie was also a byword for scandal: She flouted feminine convention, took lovers, married four times, and harbored unsavory secrets that she concealed through a skein of lies and multiple personas. Both before and after her lifetime, glimpses of the truth emerged, including an illegitimate birth and a checkered youth. Diamonds & Deadlines reveals the unknown, sensational life of the brilliant and brazen "empress of journalism," who dropped a bombshell at her death: She left her entire multimillion-dollar estate to women's suffrage--a never-equalled amount that guaranteed passage of the Nineteenth Amendment. In this dazzling biography, cultural historian Betsy Prioleau draws from diaries, genealogies, and published works to provide an intimate look at the life of one of the Gilded Age's most complex, powerful women and unexpected feminist icons. Ultimately, Diamonds and Deadlines restores Mrs. Frank Leslie to her rightful place in history, as a monumental businesswoman who presaged the feminist future and reflected, in bold relief, the Gilded Age, one of the most momentous, seismic, and vivid epochs in American history.

What is a SIMP? A Simp is a man who puts himself in a submissive position under women in the hopes of winning them over. In this eBook readers will learn why the Simp's dysfunctional approaches to life leaves men stranded in a vicious cycle where they winds up being used and exploited by predatory women. Over the course of the book readers will learn why they shouldn't submit to women in relationships and how to break free of this destructive life paradigm and adopt healthier approaches to courting women and having relationships with the opposite sex.

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*.

"Lose yourself: Swoon has wicked fun answering that age-old query: What do women want?"—Chicago Tribune Contrary to popular myth and dogma, the men who consistently beguile women belie the familiar stereotypes: satanic rake, alpha stud, slick player, Mr. Nice, or big-money mogul. As Betsy Prioleau, author of *Seductress*, points out in this surprising, insightful study, legendary ladies' men are a different, complex species altogether, often without looks or money. They fit no known template and possess a cache of powerful erotic secrets. With wit and erudition, Prioleau cuts through the cultural lore and reveals who these master lovers really are and the arts they practice to ensnare women. What she discovers is revolutionary. Using evidence from science, popular culture, fiction, anthropology, and history, and from interviews with colorful real-world ladykillers, Prioleau finds that great seducers share a constellation of unusual traits. While these men run the gamut, they radiate joie de vivre, intensity, and sex appeal; above all, they adore women. They listen, praise, amuse, and delight, and they know their way around the bedroom. And they've finessed the hardest part: locking in and revving desire. Women never tire of these fascinators and often, like Casanova's conquests, remain besotted for life. Finally, Prioleau takes stock of the contemporary culture and asks: where are the Casanovas of today? After a critique of the twenty-first-century sexual malaise—the gulf between the sexes and women's record discontent—she compellingly argues that society needs ladies' men more than ever. Groundbreaking and provocative, *Swoon* is underpinned with sharp analysis, brilliant research, and served up with seductive verve.

The editors of *Ethics at the Cinema* invited a diverse group of moral philosophers and philosophers of film to engage with ethical issues raised within, or within the process of viewing, a single film of each contributor's choice. The result is a unique collection of considerable breadth. Discussions focus on both classic and modern films, and topics range from problems of traditional concern to philosophers (e.g. virtue, justice, and ideals) to problems of traditional concern to filmmakers (e.g. sexuality, social belonging, and cultural identity).

If we want to feel alive and passionate again, it is time to reclaim the art of seduction. The Way of a Seducer is a code of honor to this lost art and sees in a seduction, based on integrity rather than manipulation, the secret to every thriving relationship, including the one we have with ourselves. This book will change the way you look at your relationships forever. International praise for the book: "The Way of a Seducer beautifully blends a strong message of integrity, honor, and courage with the gentle essence of vulnerability, playfulness, and wonder. This book is unlike any other book I've ever read. Days after reading it, I'm still dwelling on its ideas as I interpret experiences through the lens of seduction, and seduction is everywhere." - Steve Pavlina, author of *Personal Development for Smart People* "A poetic glimpse at the spiritual dimension of seduction. Lovely illustrations and text and many thoughtful insights." -Betsy Prioleau, author of *Swoon: Great Seducers and Why Women Love Them* "Hans Comyn has written a timeless beautiful book about the most compelling of subjects. For men and women alike, it is a clarion call to the truth of who you really are. Highly recommended." - Jamie Smart, author of the Sunday Times Bestseller *RESULTS: Think Less, Achieve More* "Hans is a fellow troubadour and lover of beauty. His enthusiasm, dedication, and love for people are his greatest strengths, and he has written a book where these qualities shine through on every page. I've seen first-hand the power of his revelatory ideas and I am certain this book will change the world for the better." - Zan Perrion, author of *the Alabaster Girl*

The doctor suddenly appeared beside Will, startling him. He was sleek and prosperous, with a dainty goatee. Though he smiled reassuringly, the poet noticed that he kept a safe distance. In a soothing, urbane voice, the physician explained the treatment: stewed prunes to evacuate the bowels; succulent meats to ease digestion; cinnabar and the sweating tub to cleanse the disease from the skin. The doctor warned of minor side effects: uncontrolled drooling, fetid breath, bloody gums, shakes and palsies. Yet desperate diseases called for desperate remedies, of course. Were Shakespeare's shaky handwriting, his obsession with venereal disease, and his premature retirement connected? Did John Milton go blind from his propaganda work for the Puritan dictator Oliver Cromwell, as he believed, or did he have a rare and devastating complication of a very common eye problem? Did Jonathan Swift's preoccupation with sex and filth result from a neurological condition that might also explain his late-life surge in creativity? What Victorian plague wiped out the entire Brontë family? What was the cause of Nathaniel Hawthorne's sudden demise? Were Herman Melville's disabling attacks of eye and back pain the product of "nervous affections," as his family and physicians believed, or did he actually have a malady that was unknown to medical science until well after his death? Was Jack London a suicide, or was his death the product of a series of self-induced medical misadventures? Why did W. B. Yeats's doctors dose him with toxic amounts of arsenic? Did James Joyce need several horrific eye operations because of a strange autoimmune disease acquired from a Dublin streetwalker? Did writing *Nineteen Eighty-Four* actually kill George Orwell? The Bard meets House, M.D. in this fascinating untold story of the impact of disease on the lives and works of some of the finest writers in the English language. In Shakespeare's Tremor and Orwell's Cough, John Ross cheerfully debunks old biographical myths and suggests fresh diagnoses for these writers' real-life medical mysteries. The author takes us way back, when leeches were used for bleeding and cupping was a common method of cure, to a time before vaccinations, sterilized scalpels, or real drug regimens. With a healthy dose of gross descriptions and a deep love for the literary output of these ten

greats, Ross is the doctor these writers should have had in their time of need.

NATIONAL BESTSELLER After nursing a broken engagement with Jane Austen novels and Absolut, Courtney Stone wakes up and finds herself not in her Los Angeles bedroom or even in her own body, but inside the bedchamber of a woman in Regency England. Who but an Austen addict like herself could concoct such a fantasy? Not only is Courtney stuck in another woman's life, she is forced to pretend she actually is that woman; and despite knowing nothing about her, she manages to fool even the most astute observer. But not even her level of Austen mania has prepared Courtney for the chamber pots and filthy coaching inns of nineteenth-century England, let alone the realities of being a single woman who must fend off suffocating chaperones, condom-less seducers, and marriages of convenience. This looking-glass Austen world is not without its charms, however. There are journeys to Bath and London, balls in the Assembly Rooms, and the enigmatic Mr. Edgeworth, who may not be a familiar species of philanderer after all. But when Courtney's borrowed brain serves up memories that are not her own, the ultimate identity crisis ensues. Will she ever get her real life back, and does she even want to?

An unconventional business book for the rebels and misfits—the Rare Breeds—who don't fit the traditional mold, offering an approach that's anything but business as usual. "Brazen rant!" -- Seth Godin, New York Times bestselling author of *This is Marketing and What to Do When It's Your Turn* In every job you've ever had, you've been judged, labeled, and made to feel like an outsider. Defiant. Dangerous. Different. A real pain-in-the-ass. The message? To be successful, you've got to fundamentally change. But what if -- instead of conforming -- you learned how to punch society's codes in the nose, run like a hooligan through the corridors of entrenched power, and succeed -- not by grinding down your prickly parts, but by going all-in on who you really are? "A guide for strategic rebellion." -- Mark Levy, founder of *Levy Innovation* and creator of *Your Big Sexy Idea*® Meet Sunny Bonnell and Ashleigh Hansberger, award-winning global brand consultants, founders of *Motto*, and authors of *Rare Breed: A Guide to Success for the Defiant, Dangerous, and Different*. In this book, you'll come face-to-face with seven controversial virtues that are typically seen as ladder-burning, career-ending personality traits that - convention says -- keep mavericks, oddballs, and visionaries like you from getting along, getting buy-in, and getting ahead. "A beautiful reminder that you are not alone." -- Charlamagne Tha God, New York Times bestselling author of *Black Privilege* Sunny and Ashleigh provide singular insight into how you can flip the script and turn your so-called "vices" into your virtues, transforming your most "undesirable" flaws into the high-octane fuel of your success. In a world that wants to own you, you'll finally learn how to own yourself, through embracing all your parts - not just the pretty ones. College dropouts and social misfits Sunny and Ashleigh provide front-row seats to their own counterintuitive rise from broke-ass outsiders to brand consultants for iconic brands. Success, they show you, is no longer the sole purview of the Harvard MBA graduate. Your ticket to ride resides within the side of you that's disorderly, independent, and rogue. Deep down, you've always been the kid to point out when the emperor has no clothes. Yet, time and time again you've been faced with the consequences of deviating from social expectations. This is a new conversation for a new era. What would happen if, starting today, you walked away from the sheeple? What could you build?

Shame is a powerful thing. It can weigh on your heart and mind, diminish your sense of self-worth, and impact the way you live in the world. But what happens when you share that secret burden? Amy Ferris, Hollye Dexter, and the writers they brought together are all ready to let go of shame. In *Dancing at the Shame Prom*, twenty-six extraordinary women—Lyena Strelkoff, Teresa Stack, Monica Holloway, Nina Burleigh, Amy Friedman, Meredith Resnick, Victoria Zackheim, and more—take the plunge and say "yes" to sharing their stories. These brave writers, journalists, musicians, artists, directors, and activists have offered up their most funny, sad, poignant, miraculous, life-changing, and jaw-dropping secrets for you to gawk at, empathize with, and learn from—in the hopes that they will inspire others to do the same. Letting go feels good! Freeing, provocative, and audacious, *Dancing at the Shame Prom* is about flaunting the secrets that have made you feel small so that you can stand up straight, let the shame go, and finally—decisively—move on with your life.

The #1 bestselling pioneer of "fratire" and a leading evolutionary psychologist team up to create the dating book for guys. Whether they conducted their research in life or in the lab, experts Tucker Max and Dr. Geoffrey Miller have spent the last 20+ years learning what women really want from their men, why they want it, and how men can deliver those qualities. The short answer: become the best version of yourself possible, then show it off. It sounds simple, but it's not. If it were, Tinder would just be the stuff you use to start a fire. Becoming your best self requires honesty, self-awareness, hard work and a little help. Through their website and podcasts, Max and Miller have already helped over one million guys take their first steps toward Ms. Right. They have collected all of their findings in *Mate*, an evidence-driven, seriously funny playbook that will teach you to become a more sexually attractive and romantically successful man, the right way: No "seduction techniques," No moralizing, No bullshit. Just honest, straightforward talk about the most ethical, effective way to pursue the win-win relationships you want with the women who are best for you. Much of what they've discovered will surprise you, some of it will not, but all of it is important and often misunderstood. So listen up, and stop being stupid!

We have all surrendered ourselves to the world that writing creates. Eudora Welty once observed that her mother read the works of Charles Dickens in the same spirit with which she would have eloped with him. Some of us remember our first novel with more pleasurable vividness than our first kiss. Many of us go to on-line chat rooms, looking for love with our keyboard. And most of us have tried to seduce with words--reciting that Shakespeare sonnet or composing that Valentine's Day poem with tremulous hope. All writing seeks to ensnare the reader in its embrace. As Frances Wilson also proves in this engaging, enlightening, and provocative new book, writing can also ensnare the writers themselves. Highlighting the lives and loves of celebrated literary couples, *Literary Seductions* reveals the depth of their passion for language--their own as well as their partner's. Taking as a point of departure the legendary courtship of Robert Browning and Elizabeth Barrett, a courtship conceived on the printed page, Wilson explores how easily, how seductively, literary desire becomes sexual desire and vice versa. "Literary seductions," she writes, are "violent, extreme, and irreversible." Not all reading seduces, not all writing inflames. But when they do, what is written ceases to be merely an arrangement of symbols on a page. The word has been made flesh. Lady Caroline Lamb and Lord Byron, Anaïs Nin and Henry Miller, Laura Riding and Robert Graves, Osip and Nadzheda Mandelstam, W. B. and Georgie Yeats were all in the grip of a compulsion for writing and reading, enmeshed in words. Miller called his relationship with Nin, a "literary fuck-fest"; for Riding and Graves, it took on the self-destructive (and self-conscious) melodrama of a Russian novel; for the Mandelstams, it was a life-giving (if self-sacrificing) bond in a precarious world; for George and W. B. Yeats, it offered sexual stimulus. The couplings of verbs and nouns do more than precede coupling; they comprise it. *Literary Seductions* is itself a seductive book. The elegant power of Wil-

son's arguments, the rigor of her research, and the delights of her prose enthrall the reader. Here is intellectual engagement and readerly pleasure rolled into one.

"20% of Men Get 80% of Women." ~ (Source: Medium | Data Science) If you want to be a man that 80% of women desire, this book is your key. Based on over 120 scientific studies, this book is the ultimate guide to creating and maintaining attraction with women. Attraction doesn't grow in a warm, safe environment, it grows in a swamp of discomfort and anxiety. This is just one of many truths you're about to discover. In *Atomic Attraction* Christopher Canwell takes us on a journey through the dark waters of attraction. What turns women on? What makes them choose one man over another? And how can you become truly desirable and attractive? This book answers these questions by combining the latest scientific research with real-life case studies to show you, the reader, how to ignite the fires of attraction and captivate those around you. **INSIDE YOU'LL DISCOVER** – How to get more sex, love, and affection – How to increase your sexual market value – How to use body language to attract women – How to create instant attraction with women – How to keep your girlfriend/wife interested in you – How to maintain attraction in long-term relationships – How to become the most attractive version of yourself – How to build attraction online by text and social media Everything you need to know about creating, building, and maintaining attraction with women can be found within these pages. *This book includes 40 real-life case studies.

This is the first full-length English translation of Benjamin Constant's massive study of humanity's religious forms and development, published in five volumes between 1824 and 1831. Constant (1767-1830) regarded *On Religion*, worked on over the course of many years, as perhaps his most important philosophical work. He called it "the only interest, the only consolation of my life," and "the book that I was destined by nature to write." While the recent revival of interest in Constant's thought has been welcome and fruitful, it has been incomplete, tending to leave out of account his writings on religion. In this connection, *On Religion* is essential reading and of interest for many reasons. As an analysis of humanity's religious experience, the work is notable for its methodology. Unlike previous writers with dogmatic commitments, whether theological or philosophical, Constant aimed to work with well-established facts and to relate religious forms to their historical contexts and civilizational developments. In this way, he was a precursor of the scientific study of religion. This objectivity, however, was not tantamount to moral-political neutrality. In the aftermath of the French Revolution, he wanted partisans of the new order to recognize that the religious impulse was natural to the human heart: to extirpate religion was therefore a fool's errand and worse. Likewise, he instructed religious reactionaries that history had left them behind: now the natural state of the religious sentiment was an unfettered "spirituality" left free to find new forms of expression. His counsel to contemporaries has proven prescient concerning subsequent religious developments in democratic and totalitarian societies. In his day, Constant was a consistent liberal, a life-long advocate of representative government, as well as of the central liberal arrangement concerning religion: separation of church and state. But *On Religion* demonstrates that principled liberalism can turn a sympathetic as well as analytic eye toward religion and, in an unbegrudging way, find an important place for it in free society. There are signs that this is a lesson that contemporary liberalism would do well to relearn. Peter Paul Seaton Jr. teaches philosophy at St. Mary's Seminary and University in Baltimore. His scholarly interests focus on the intersection of religion, politics, and philosophy. He has translated a number of works in French thought, especially political philosophy. These include works by Pierre Manent, *Democracy without Nations?* and *Modern Liberty and Its Discontents* (with Daniel J. Mahoney), Chantal Delsol, *Unjust Justice*, and Rémi Brague, *On the God of the Christians and The Legitimacy of the Human*.

THE 2.5 MILLION COPY SELLING WORLDWIDE PHENOMENON MEN WILL DENY IT, WOMEN WILL DOUBT IT. I BEG YOU FOR YOUR FORGIVENESS IN ADVANCE . . . The Game recounts the incredible adventures of an everyday man who transforms himself from a shy, awkward writer into the quick-witted, smooth-talking Style, a character irresistible to women. But just when life is better than he could ever have dreamed, he falls head over heels for a woman who can beat him at his own game. Jaw-dropping and hilarious, *The Game* reveals the naked truth about sex, love, relationships - and getting exactly what you want.

"I'm a young guy and I still don't know how to approach girls, but this eBook has helped me to pick up more girls in bars and clubs. Highly recommended for those seeking advice on seduction!" Francesco Tesesi "I never had a problem getting girls but reading this guide I actually learned how to seduce in a magnetic and delicious way! Now I pick up girls even at the bus stop!" Paolo Rieti "My friends always talk to me about liquid love, and about how to talk to girls the right way so as to pick them up and seduce them. Well, in this book you will find a very up-to-date and interesting guide on how to have a magnetic and delicious seduction! Congratulations to the author." Fabio Persico "With this book seducing women seems a piece of cake, but is it true? I still have to try many of the techniques, but so far it seems to be better in picking up girls. So, kudos to the author." Enzo Dellera

Drawing from his vast experience with women, the world-renowned seducer Aaron Sleazy wrote *Minimal Game* for regular guys who want to get laid more often, and without having to rely too much on luck. This is a fairly modest goal, but it is a realistic one that is within reach for pretty much any man. The knowledge in this book will enable you to have a stable sex life, so that lack of sex will cease to be a source of frustration for you. However, by revealing the key aspects of seduction, *Minimal Game* provides such a strong foundation that you will greatly benefit from it even if you are already getting a lot of women. In this case, you will learn how to become much more efficient, which will get you more girls in less time, and girls you have more in common with.

I've done a lot of stupid stuff in my life. But sleeping with my best friend tops the list. Annabel and I have been close since college. When I left school to play pro football, she was there. While I collected Super Bowl rings and cars worth more than the house I grew up in-she was there. I always assumed we'd end up together. Everyone did. But by the time I retired from football, Bel was married. I thought I'd missed my shot at love. So I buried myself in my new job as CEO of Blue Mountain Farm, a five-star resort my family and I built in the Great Smoky Mountains of North Carolina. It seems like a good place to be alone with the secret I have to keep from her. Now Bel is a divorced single mom, struggling to raise her daughter on her own-and it's my turn to be there for her. So I invite her and the baby up to the resort for some much needed R&R. Then, in a moment of bonfire-and-bourbon induced weakness, I kiss her. And the fallout could ruin everything. **SOUTHERN SEDUCER** is a full length, standalone novel. It is the first book in the all new North Carolina Highland series.

In this road map to restoring feminine sexual power, Betsy Prioleau introduces and analyzes the stories and stratagems of history's greatest seductresses. These are the women who ravished the world—from such classic figures as Cleopatra and Mae West to such lesser-known women as the infamous Violet Gordon Woodhouse, who lived in a ménage with four men. Smarts, imagination, courage, and killer charm helped these love maestras claim the men of their choice and keep them fascinated for life. Through an exposé of their secrets, *Seductress* provides an authoritative, empowering guide to erotic sovereignty.

Practical Female Psychology for the Practical Man is a unique examination of women and relationships in an era of material equality between the sexes. Despite vast gains in the welfare of women, especially in the modern West, both men and women are finding relationships ranging from dating to marriage increasingly difficult. The author draws upon cutting edge science in evolutionary biology, and neuropsychology, and vast personal experience with women to distill some simple and practical principles men will find useful for creating and maintaining relationships with emotionally compatible women.

Told from the perspective of his innumerable sexual conquests, *Casanova's Women* renders a vivid flesh-and-blood portrait of the famed philanderer, clearing away the myth while illuminating the lives of the women who have too long languished in the shadows. The eighteenth-century Venetian adventurer Giacomo Casanova used his magnetic personality to talk his way into the beds of more than two hundred women. Charming, brilliant, and devastatingly attractive, he claimed to like women and to understand their emotional and sexual needs. To those he truly loved, he was the perfect lover—thoughtful, generous, and imaginative. To others he could be ruthless, selfish, and dishonest. Judith Summers's exuberant and candidly erotic biography reveals how Giacomo Casanova, a sickly son of Venetian actors, went on to transcend the rigid social boundaries of the eighteenth century to keep company with kings and beguile beautiful women. With original research culled from period diaries, wills, correspondence, and memoirs, this unique look at the legendary lady-killer gives voice to the many women on whose naked backs Casanova's reputation was built.

Results from world-renowned relationship expert John Gottman's famous Love Lab have proven an incredible truth: Men make or break relationships. Based on 40 years of research, *The Man's Guide to Women* unlocks the mystery of how to attract, satisfy, and succeed with a woman for a lifetime. For the first time ever, there is a science-based answer to the age-old question: What do women really want in a man? Dr. Gottman, author of the New York Times bestseller *The Seven Principles for Making Marriage Work*, and his wife and collaborator, clinical psychologist Julie Schwartz Gottman, PhD, have pored over the research along with bestselling coauthors Douglas Abrams and Rachel Carlton Abrams, MD. Together, they have written this definitive guide for men, providing answers on everything from how to approach a woman and build a connection with her to how to truly satisfy her in bed and know when the relationship is on the right track. *The Man's Guide to Women* is a must-have playbook for how to play—and win—the game of love.

A "drop-dead shocker" (*Washington Post Book World*) that uses evolutionary psychology to explain human mating and the mysteries of love If we all want love, why is there so much conflict in our most cherished relationships? To answer this question, we must look into our evolutionary past, argues prominent psychologist David M. Buss. Based on one of the largest studies of human mating ever undertaken, encompassing more than 10,000 people of all ages from thirty-seven cultures worldwide, *The Evolution of Desire* is the first work to present a unified theory of human mating behavior. Drawing on a wide range of examples of mating behavior — from lovebugs to elephant seals, from the Yanomamö tribe of Venezuela to online dating apps — Buss reveals what women want, what men want, and why their desires radically differ. Love has a central place in human sexual psychology, but conflict, competition, and manipulation also pervade human mating — something we must confront in order to control our own mating destiny. Updated to reflect the very latest scientific research on human mating, this definitive edition of this classic work of evolutionary psychology explains the

powerful forces that shape our most intimate desires.
