In most cultures, small talk acts as a social lubricant. It connects people across demographic lines and creates a sense of belonging and companionship. But in Sweden, small talk doesn't come ...

When we learn more and know better, we can do better. So I'm hoping to take every opportunity to talk about these things with my own kids. By weaving in conversations about race as they occur, I hope I'm equipping my kids to be better informed, make better decisions, and move through the world with an empathetic heart and open mind.
