The only thing a prince needs to study is the art of war. This is the primary discipline of the ruler. Mastery of this discipline can make even a common citizen a great ruler. The easiest way to lose a state is by neglecting the art of war. The best way to win a state is to be skilled in

the art of war.

The Prince: Chapters XII-XIV | SparkNotes

The study of war should be a prince's main goal, for war is a ruler's only art. Knowledge of war is so vital that it not only keeps princes in power but can make princes out of private citizens. If princes become too refined to study this art, they lose their states. Being unarmed makes others contemptuous of you.
