### The Beatles All These Years

Mark Lewisohn (born 16 June 1958) is an English author and historian, regarded as one of the world's leading authorities on the English rock band the Beatles.

Over the years I have read many of the highly regarded Beatles books but Mark Lewisohn's 'All These Years' is by far and away the very best and is, I believe the definitive book on the Beatles. It is brilliantly written and painstakingly researched so if you are only going to get one Beatles book make it this one.

Before embarking on The Beatles: All These Years his books in-

Renowned Beatles historian Mark Lewisohn discusses Tune In with Fab 4 Free 4 All hosts Mitch Axelrod, Rob Leonard, and Tony Traguado. Tune In is the first volume of All These Years—a highly
