When Edward was just nine, their father died and the young boy became King, surrounded by advisors and further distanced from his beloved elder sister. But by now they were divided not just by ...

Like Henry, Edward VI believed the king was free to use his powers any way he felt was necessary. In 1553, Edward was rapidly dying from a lung infection, most likely tuberculosis, and composed a "Devise" for royal succession. The "Devise" was the most puzzling document of Edward's reign, a trick of the elusive and shrewd boy-king.

Thomas Seymour played Edward VI for a fool, counting on the young king's continuing good will and the fact that he was a favoured uncle. Edward was showing signs of becoming independent and more self-reliant; he was the King and he knew it. Edward VI was moving from child
