Dare to be different with your logo, because your company logo tells consumers why your business is unique. Sure, maybe there are 50 other coffee shops in your city, but yours is the only one that's committed to sustainability, and your green, earthy logo drives that message home. A well-designed company logo can communicate everything from the company's background (professional, relaxed ...

IP, Nation Branding and Economic Development. July 2005. Prochile (an agency under the Foreign Ministry's Directorate General for International Economic Relations), together with public and private trade-related organisations, is developing a new strategy to strengthen Chile's image.

Nation branding has become a popular yet contested field of research and practice, attracting interest from a broad range of disciplines. Not everybody is convinced that nation branding is a good idea, or, indeed, possible. The different opinions are mostly due to people's varying perspectives on the topic, but also depend on their deeper ontological beliefs and convictions.
