Invisible Man: Study Guide | SparkNotes

The Invisible Man is a science fiction horror novel by the British author H.G. Wells. It was first published in the United Kingdom in 1897 in serialized form in Pearson's Magazine. It was published again in book form later the same year. The novel tells the story of a scientist named Griffin.

Summary and Analysis. Chapter 1. Summary. The narrator — speaking in the voice of a man in his 40s — reminiscing about his youth, opens the novel. He remembers when he had not yet discovered his identity or realized that he was an invisible man. The narrator relates an anecdote concerning his grandfather who, on his deathbed, shocks his family by revealing himself as a traitor and a spy (to his race).

Invisible Man is a novel by Ralph Ellison, published by Random House in 1952. It addresses many of the social and intellectual issues faced by the African Americans in the early twentieth century, including black nationalism, the relationship between black identity and Marxism, and the reformist racial policies of Booker T. Washington, as well as issues of individuality and personal identity.

Hailed as a novel that "changed the shape of American literature," Invisible Man traces the nightmarish journey of its unnamed narrator from his high school and college days in the South to his harrowing experiences in the North as a member of the Brotherhood, a powerful organization that purports to fight for justice and equality for all people but in reality exploits blacks and uses them to promote its own political agenda.

In Invisible Man, race is a constant subject of inquiry. As a young black man in the middle of 20th century America, the narrator most often confronts the idea of race through experiencing the racism of others - from the degradation he experiences in the battle royal to his realization of his token role in the Brotherhood. However, the novel also explores the question of whether race might be an authentic marker of individual identity, outside the context of racism and other narratives ...
