Jump to navigation Jump to search. "The Laugh of the Medusa" is an essay by French feminist critic Hélène Cixous. Originally written in French as "Le Rire de la Méduse" in 1975, was (after she revised it) translated into English by Paula Cohen and Keith Cohen in 1976. In the essay, Cixous issues an ultimatum: that women can either read and choose to stay trapped in their own bodies by a language that does not allow them to express themselves, or they can use the body as a way to communicate.

The Laugh of the Medusa Summary—eNotes.com

In her seminal work "The Laugh of the Medusa" feminist thinker Helene Cixous deals with the topic of feminine writing. Her main point in the article is that wom-

en should pursue writing despite attempts to drive them away from the field in the past. She also demonstrates how feminine writing can look like through the text itself.

~~Juliet Jacques on Hélène Cixous: The Medusa gets the last ...~~

~~Episode 4: Hélène Cixous and The Laugh of the Medusa ...~~

As a feminist essay, The Laugh of the Medusa is written specifically to women imploring them to write. In all aspects, her writing is concise, navigable and powerfully sturring. At the very beginning, Cixous states, "woman must write her self: must write about women and bring women to writing, from which they have been driven as violently as from their bodies."

Written in French in 1975 and published in English in Signs journal the following summer, The Laugh of the Medusa (Le Rire de la Meduse) remains the most influential text by feminist theorist Hélène Cixous.

Helene Cixous Feminism: The Laugh of Medusa - Helene Cixous, born in 1937 is a French feminist. She along with Luce Irigaray, Julia Kristeva and various other feminists are part of what is called "French Feminism,"

In her fundamental essay The Laugh of the Medusa, Hélène Cixous, French philosopher and feminist critic, openly introduces this idea of woman's need for writing as a biological drive which intimately relies on her ceasing back and mastering her own body that has been violently

miused by male's rhetoric, as Toril Moi asserts that 'always and everywhere, the rational, active, masculine intellect operates on the passive, objectified, feminized body' (189).
