much for sharing: ' I walked into a grocery and felt a tug on my leg. A little angel was holding on tight as darkness filled around us. She looked up and smiled at me, with goose bumps forming. My wife had died and I was in deep sorrow then. I believe that God placed that little angel there for me to calm my grieving. Then, as miraculously as she appeared, she was gone and there was no more darkness around me. Shoppers again filled the space around.

The riveting and heartwarming brand new saga from Sunday Times bestselling author Rosie Goodwin.

Keep the heart in Heart Lake. That's exactly what three small-town shop owners hope to do when they launch their crazy-ambitious "Have a Heart" campaign—asking neighbors to commit one random act of kindness every day. Emma, Sarah, and Jamie love their lakeside community, but the little town is growing too big too fast, and a doing a good deed never hurt anyone. Or so they thought... When Emma slashes prices at her quilt shop, practically giving away blankets to anyone who looks vaguely cold, she al-

most stitches her way into bankruptcy. Sarah's free cooking class boils down to a hotbed of crime when some punk kid swipes her favorite heirloom. And at Jamie's chocolate shop, things take a bittersweet turn when a local policeman starts giving her grief, stirring up feelings she's tried to forget—and slowly melts away her defenses... With irresistible humor, warmth, affection—and recipes!—author Sheila Roberts serves up a generous, open-hearted story about the friendships we make, the chances we take, and the lives we touch every day. Hoping to free his father from an unjust imprisonment, Druet the blacksmith sets out on a quest that will solve an ancient riddle and crown a man as Arcrea's first king. A host of memorable characters join Druet on his mission of justice, but opposition quickly rises to test their level of commitment and their faith in God. Will the dangerous wilds of Arcrea and her seven oppressive lords succeed in bringing an end to Druet's quest? Will they crush forever the kingdom's hopes for a just king?

Alice Hoffman is at her magical best in a new novel about loss and healing. When her family is lost in

a terrible disaster, 15-year-old Green is haunted by loss and by the past. Struggling to survive physically and emotionally in a place where nothing seems to grow and ashes are everywhere, Green retreats into the ruined realm of her garden. But in destroying her feelings, she also begins to destroy herself, erasing the girl she'd once been as she inks ravens into her skin. It is only through a series of mysterious encounters -- with a ghostly white dog and a mute boy -- that Green relearns the lessons of love and begins to heal as she tells her own story.

One perfect day in heaven, Little Angel spies Bountiful Earth. From that day on, Little Angel longs to go to Earth but has to wait through the changing in seasons. When the time finally comes, Little Angel is led by Great Angel to Twinkling Stars, Radiant Sun and Silvery Moon, who each in turn give the Little Angel a gift to be used on Earth. A gentle descent down Rainbow Bridge safely bring the Little Angel, who is now a tiny baby, into the awaiting arms of the new mother and father. Bending over the baby they whisper the baby's name.

Everyone needs a guardian angel to watch over them. Abby dreams of doing just that, but a little mishap quickly ends her dream. After taking Santa's advice and helping others in need, Abby realizes she wasn't dreaming big enough.

In this "raucous, moving, and necessary" (San Francisco Chronicle) story by a Pulitzer Prize finalist, the De La Cruzes, a family on the Mexican-American border, celebrate two of their most beloved relatives during a joyous and bitter-sweet weekend. National Bestseller and National Book Critics Circle Award finalist A New York Times Notable Book / One of the Best Books of the Year from National Public Radio, American Library Association, San Francisco Chronicle, BookPage, Newsday, BuzzFeed, Kirkus Reviews, St. Louis Post-Dispatch, Literary Hub "All we do, mija, is love. Love is the answer. Nothing stops it. Not borders. Not death." In his final days, beloved and ailing patriarch Miguel Angel de La Cruz, affectionately

called Big Angel, has summoned his entire clan for one last legendary birthday party. But as the party approaches, his mother, nearly one hundred, dies, transforming the weekend into a farewell doubleheader. Among the guests is Big Angel's half brother, known as Little Angel, who must reckon with the truth that although he shares a father with his siblings, he has not, as a half gringo, shared a life. Across two bittersweet days in their San Diego neighborhood, the revelers mingle among the palm trees and cacti, celebrating the lives of Big Angel and his mother, and recounting the many inspiring tales that have passed into family lore, the acts both ordinary and heroic that brought these citizens to a fraught and sublime country and allowed them to flourish in the land they have come to call home. Teeming with brilliance and humor, authentic at every turn, The House of Broken Angels is Luis Alberto Urrea at his best, and cements his reputation as a storyteller of the first rank. "Epic . . . Rambunctious . . . Highly entertaining." -- New York Times Book Review "A raucous, moving, and necessary book . . . In-

timate and touching . . . the stuff of legend." --San Francisco Chronicle "An immensely charming and moving tale." --Boston Globe

Home and hearth were not the life Rhea dreamed of. She longed for adventure and sights beyond her little village, where everything stayed the same. Enlisted as a healer and light bearer by the goddess herself, Rhea said goodbye to all she had ever known and set off to find her place in the world. When a dark and dangerous force threatens to bring down all that Rhea holds dear, she must rise above and fight. Magic, matters of the heart, and a little help from a vampire that struggles to hold on to his humanity will be the foundation Rhea needs to face the world's greatest evil. Before she can take on the demon king that threatens her very existence, she must first face the demons she keeps locked deep down inside herself; she must unleash her inner power and learn to trust her heart. Love will conquer all if she can only find it within herself to let go of the past and learn to be loved for who she really is.

Edgar Award Finalist: The

hunt for a vanished singer leads a detective into the depths of the occult in this “terrific” novel (Stephen King). Big-band frontman Johnny Favorite was singing for the troops when a Luftwaffe fighter squadron strafed the bandstand, killing the crowd and leaving the singer near death. The army returned him to a private hospital in upstate New York, leaving him to live out his days as a vegetable while the world forgot him. But Louis Cyphre never forgets. Cyphre had a contract with the singer, stipulating payment upon Johnny’s death—payment that will be denied as long as Johnny clings to life. When Cyphre hires private investigator Harry Angel to find Johnny at the hospital, Angel learns that the singer has disappeared. It is no ordinary missing-person’s case. Everyone he questions dies soon after, as Angel’s investigation ensnares him in a bizarre tangle of black magic, carnival freaks, and grisly voodoo. When the sinister Louis Cyphre begins appearing in Angel’s dreams, the detective fears for his life, his sanity, and his soul. Falling Angel was the basis for the Alan Parker film *Angel Heart*, starring Mickey Rourke, Robert De

Niro, and Lisa Bonet. This ebook features an illustrated biography of William Hjortsberg including rare photos from the author’s personal collection.

At turns heartbreaking, uplifting, fiercely romantic, and riotously funny, *QUEEN OF AMERICA* tells the unforgettable story of a young woman coming of age and finding her place in a new world. Beginning where Luis Alberto Urrea’s bestselling *The Hummingbird’s Daughter* left off, *QUEEN OF AMERICA* finds young Teresita Urrea, beloved healer and “Saint of Cabora,” with her father in 1892 Arizona. But, besieged by pilgrims in desperate need of her healing powers, and pursued by assassins, she has no choice but to flee the borderlands and embark on an extraordinary journey into the heart of turn-of-the-century America. Teresita’s passage will take her to New York, San Francisco, and St. Louis, where she will encounter European royalty, Cuban poets, beauty queens, anxious immigrants and grand tycoons—and, among them, a man who will force Teresita to finally ask herself the ultimate question: is a saint allowed to fall in love?

Inspiring Collection of Life-Transforming Stories from a Bestselling Author God is near and desires to change our lives, and then change us--from the inside out. In this new collection, ordinary people share stories of how God has used miracles to change their lives. They tell how God's display of power helped them overcome weakness, sin, and unbelief. These accounts will bring you hope that you aren't defined by your past. This book will encourage your belief in God's power on earth. More important, it will show that he wants to do more than demonstrate his might--he wants to have a closer relationship with you.

Assigned to protect a young girl, guardian angel-in-training Gabby realizes her new assignment will be a bigger challenge than she expected.

"Listen up, folks: Chris Tusa has written a nasty little novel that somehow lifts close to grace its downtrodden and sometimes blackhearted inhabitants. They're fallen and broken, but like the New Orleans through which they stagger and flail, they are lovely ruins-and like New Orleans they are only one storm away from the End Times. Witness the storm, as told by

Tusa: Dirty Little Angels."--Review by Josh Russell, Yellow Jack.

Little Angel Helper is a novella about siblings, special needs, sacrifice, and faith in things unseen. Bradley Hunter just lost his job. His rent's due and he's up to "here" in gambling debt. His sister, Marie, shows up at the worst time, before he has a chance to call the lady from her adult special needs program and stop her from bringing Marie to New York. Now he has to tell her in person that he can't become Marie's legal guardian after all. Paulina, a "guide" at TACA (Topeka Action Center for Adults), loves her job as a helper for those with special needs. She cannot accept that Bradley would back out on his sister when she needs him most. With little time left, she'll do whatever it takes to convince Bradley to sign the guardianship papers. This story originally appeared as a live story on Bria Burton's blog, Writing For the Love. To find out more about the inspiration behind this story, read the post titled, "Afterward: Inspiration for Little Angel Helper" at [www.briaburton.blogspot.com/2014/08/afterward-inspiration-for-little-angel.html](http://www.briaburton.blogspot.com/2014/08/afterward-inspiration-for-little-angel.html).

What Damian Mohler created when he wrote "The Journey of the Little Angel Thot" is an imaginative and touching fable on the circle of life. Fables have always been a wonderful way to teach, to touch, to transform; they awaken courage and provide us with love, they make us want to seek out adventures and new experiences, they can clarify and heal. In Western society, there has always been a taboo on death and dying, and in many ways this is true to this day. Few people want to concern themselves with it, even fewer want to talk about it. It seems like we tend to be "deathly afraid" of death as a topic. Dogmatic teachings make us fear death and can actually amplify the despair and grief we feel when we lose someone dear to us. As someone who grew up in a Western society, I myself had my first "light" encounter with death in 1993 whilst travelling to Bali. We participated in a Hindu ritual where the deceased were burned on a pyre. Hindus believe in reincarnation and in souls being reborn after having left their mortal bodies, returning to the people they loved. But this is possible only after the old vessel, i.e. the body, has been

burnt. The ceremony in Bali was a joyful one - the circle of birth, life and death had come to a close and could begin anew. This succession of birth, life and death as an eternal cycle is the subject of Damian Mohler's fable. It does not, however, subscribe to any particular religion or dogma. Damian Mohler lets the reader experience this cycle through the eyes of the protagonist. The discoveries of the little angel Thot are meant to help the reader grasp and understand this cycle. Pain and grief are natural reactions to the death of a loved one. But understanding this cycle might enable us to see a light and thereby find relief, maturity and insight. And, like the little angel Thot, we too constantly describe the journey through life within this cycle, with all its ups and downs. On this journey obstacles, loss and pain can make us feel like we're breaking apart, like we can't go on, and make us want to give up. Here, Thot's experiences remind us that within the darkness of all these emotions, there is always hope. Damian is adept at passing on this wisdom and knowledge, shaped by the work he has been doing for years as well as

his own experiences. Perceptive, touching and compassionate, his story of the little angel Thot's journey of discovery helps us discover our own inner selves. Kristie Reeves Los Angeles, 18 August 2014

This book brings such joy to children as each of them knows that they are full of love, regardless of their circumstances. Reading this book to a child brings inspiration to their lives and opens up the love in their hearts. It is up to each of us as parents or in parent roles to help our children know the power of love and the magic it truly brings in their lives. Angel Anya's Adventures involves three generations of Ford's which is a bringing of hearts together in the truest sense. Vikke Ford encourages children to send in their pictures of angels.
