Based on his provocative and popular New York Times op-ed, *The Man They Wanted Me to Be* is both memoir and cultural analysis. Jared Yates Sexton alternates between an examination of his working-class upbringing and historical, psychological, and sociological sources that examine the genesis of toxic masculinity and its consequences for society.

I Wanted To Change The World Submitted By: Cage. When I was a young man, I wanted to change the world. I found it was difficult to change the world, so I tried to change my nation. When I found I couldn't change the nation, I began to focus on my town. I couldn't change the town and as an older man, I tried to change my family.

Fleming: The Man Who Would Be Bond is a 2014 British miniseries of four instalments detailing the military career of James Bond creator Ian Fleming. The somewhat fictionalised biography spans the period from 1938 to 1952, dwelling on Fleming's romantic adventures as well as his espionage for the Royal Navy.
