...

The Methodologies Of Art: An Introduction. Since the 19th century, when art history became an established academic discipline, works of art have been "read" in a variety of ways. These different ways of describing and interpreting art are the methodologies of artistic analysis, the divining rods of meaning.

The Methodologies Of Art: An Introduction by Laurie ...

Every work of art is an expression of its culture (time and place) and its maker (the artist) and is dependent on its media (what it's made of). The methodologies discussed here (formal analysis, iconology and iconography, Marxism, feminism, biography and autobiography, psychoanalysis, structuralism, race and gender) reflect the multiplicity of meanings in an artistic image.

The Methodologies of Art: An Introduction by Laurie ...

Art methodology refers to a studied and constantly reassessed, questioned method within the arts, as opposed to a method merely applied (without thought). This process of studying the method and reassessing its effectiveness allows art to move on and change. It is not the thing itself but it is an essential part of the process.
