*Amazon.com: The Sands of Oxus: Boyhood Reminiscences of ...*

The Sands of Oxus is the first part of Aini's three-volume autobiography and one of the few literary works (they number in the single digits) translated from modern Tajiki into English. It chronicles his childhood, including the loss of his parents, who died in an epidemic when he was in his early teens, until the time he left home to become a student in a religious madrasa in Bukhara.
