1A8 - HUNTER LETICIA

The official prequel novel of the epic film *After Earth*, directed by M. Night Shyamalan and starring Jaden Smith and Will Smith After their exodus from Earth, the last humans settled a remote planet, Nova Prime. When an alien force known as the Skrel descended from the skies, the United Ranger Corps, an elite defense unit, valiantly resisted. Centuries passed without an attack, and many colonists believed that, with other security measures in place, the resources devoted to maintaining their military strength would be better spent elsewhere. Little did they know that trouble was coming to Nova Prime—and it had a taste for blood. The latest in a long line of decorated warriors, Conner Raige is one of the Rangers' most promising young cadets, although his brash confidence and tendency to act on instinct have earned him as many skeptics as admirers. Conner's ancestors were on the front lines of humanity's victory against the Skrel. But when a deadly ground war breaks out, Conner's up against an entirely different beast—because, this time, the Skrel have brought a secret weapon: ferocious killing machines designed to eliminate humanity from Nova Prime . . . and the universe. **BONUS:** Includes the first three novellas of *Ghost Stories*, the thrilling eBook original prequel series!

High school sophomore Toby Klein enjoys computer hacking and wearing combat boots, so she thinks it is a joke when she is invited to join the cheerleading squad but soon learns cheering is just a cover for an elite group of government operatives known as the Squad.

After years of living in the wild, a teenage girl leads her adoptive family's search-and-rescue operation -- but to find a missing child, she must uncover long-buried secrets from her past. Kira Bennett's earliest memories are of living alone and wild in the woods.

She has no idea how long she was on her own or what she had to do to survive, but she remembers the moment that Cady Bennett and one of her search-and-rescue dogs found her. Adopted into the Bennett family, Kira still struggles with human interaction years later, but she excels at the family business: search and rescue. Together with Cady's son, Jude, and their neighbor, Free, Kira works alongside Cady to train the world's most elite search-and-rescue dogs. Someday, all three teenagers hope to put their skills to use, finding the lost and bringing them home. When Cady's estranged father, the enigmatic Bales Bennett, tracks his daughter down and asks for her help in locating a missing child -- one of several visitors who has disappeared in the Sierra Glades National Park in the past twelve months -- the teens find themselves on the front lines sooner than they could have ever expected. As the search through seven hundred and fifty thousand acres of unbridled wilderness intensifies, Kira becomes obsessed with finding the missing child. She knows all too well what it's like to be lost in the wilderness, fighting for survival, alone. But this case isn't simple. There is more afoot than a single missing girl, and Kira's memories threaten to overwhelm her at every turn. As the danger mounts and long-held family secrets come to light, Kira is forced to question everything she thought she knew about her adopted family, her true nature, and her past.

Bailey Morgan isn't the type of girl who shows a lot of skin, but somehow, she ends up in a dressing room at the mall with her friend Delia applying a temporary tattoo to her lower back. Never one to suffer fashion doubt, trendsetter Delia knows exactly where she wants her own tattoo: on her stomach, right where her shirt ends—can you say "midriff"? Annabelle, the quiet one, chooses the back of her neck, and tomboy Zo plasters hers on the top of her foot. The tattoos will last for three days, and Delia's sure that with them, the four friends will absolutely kill at the school dance. Unfortunately, killing is just what someone has in mind, and Bailey, Delia, Annabelle, and Zo are in for the battle of their lives. Along with her tattoo, each girl receives a gift—a supernatural power to help them in their fight. As Bailey's increasingly frightening dreams reveal the nature of their enemy, it becomes clear to the girls that it's up to them to save the world. And if they can get Delia to stop using her newfound power to turn gum wrappers into Prada pumps, they might actually stand a chance.

When Lizzie loses her popularity at school, she resorts to magic to get her revenge.

OMG Classics, the greatest stories ever told . . . in texts. Imagine: What if Mount Olympus got WiFi and the gods and goddesses had smartphones? The classic Greek myths get new life in irreverent and hilarious texts and posts! Zeus, a king of the gods always in search of a new bae. A squad of goddesses who can't resist stirring the pot. And the selfie-obsessed heroes out for all the likes. If you have trouble telling Perseus from Theseus (#Greek2Me) or have ever wondered about Oedipus's tragic dating profile or why Medusa's Instagram never got traction—this satirical book of

Greek myths retold for the Internet age is for you! tl;dr D'Aulaires' and Homer's Greek myths told through characters texting with emojis, posting photos, checking in at locations, and updating their relationship statuses. The perfect gift for any reader—young or old—with a sense of humor! A glossary and cast of characters are included for those who need it. For example: tl;dr means too long; didn't read.

A New York Times bestseller! Coco meets Stranger Things with a hint of Ghostbusters in this action-packed supernatural fantasy. For Lucely Luna, ghosts are more than just the family business. Shortly before Halloween, Lucely and her best friend, Syd, cast a spell that accidentally awakens malicious spirits, wreaking havoc throughout St. Augustine. Together, they must join forces with Syd's witch grandmother, Babette, and her tubby tabby, Chunk, to fight the haunting head-on and reverse the curse to save the town and Lucely's firefly spirits before it's too late. With the family dynamics of Coco and action-packed adventure of Ghostbusters, Claribel A. Ortega delivers both a thrillingly spooky and delightfully sweet debut novel.

Bayport High's Varsity cheer squad is made up of the hottest of the hot. But this A-list is dangerous in more ways than one. The Squad is actually a cover for the most highly trained group of underage government operatives the United States has ever assembled. They have the perfect cover, because, beyond herkeys and highlights, no one expects anything from a cheerleader.

When Katarina Bishop was three, her parents took her to the Louvre...to case it. For her seventh birthday, Katarina and her Uncle Eddie traveled to Austria...to steal the crown jewels. When Kat turned fifteen, she planned a con of her own--scamming her way into the best boarding school in the country, determined to leave the family business behind. Unfortunately, leaving "the life" for a normal life proves harder than she'd expected. Soon, Kat's friend and former co-conspirator, Hale, appears out of nowhere to bring her back into the world she tried so hard to escape. But he has good reason: a powerful mobster's art collection has been stolen, and he wants it returned. Only a master thief could have pulled this job, and Kat's father isn't just on the suspect list, he is the list. Caught between Interpol and a far more deadly enemy, Kat's dad needs her help. For Kat there is only one solution: track down the paintings and steal them back. So what if it's a spectacularly impossible job? She's got two weeks, a teenage crew, and hopefully

just enough talent to pull off the biggest heist in her family's (very crooked) history--and, with any luck, steal her life back along the way.

"Legend doesn't merely survive the hype, it deserves it." From the New York Times bestselling author of *The Young Elites* What was once the western United States is now home to the Republic, a nation perpetually at war with its neighbors. Born into an elite family in one of the Republic's wealthiest districts, fifteen-year-old June is a prodigy being groomed for success in the Republic's highest military circles. Born into the slums, fifteen-year-old Day is the country's most wanted criminal. But his motives may not be as malicious as they seem. From very different worlds, June and Day have no reason to cross paths - until the day June's brother, Metias, is murdered and Day becomes the prime suspect. Caught in the ultimate game of cat and mouse, Day is in a race for his family's survival, while June seeks to avenge Metias's death. But in a shocking turn of events, the two uncover the truth of what has really brought them together, and the sinister lengths their country will go to keep its secrets. Full of nonstop action, suspense, and romance, this novel is sure to move readers as much as it thrills.

For the past two years, Bailey Morgan has lived a double life: high school student by day, ancient mystical being by night. As the third Fate, Bailey literally controls the fate of the world, but as Plain Old Bailey, her life is falling apart. She's got a tattoo that was supposed to be temporary (but isn't), friendships that were supposed to last forever (but might not), and no idea what her future holds after high school graduation. Then Bailey meets the rest of the Sidhe, an ancient race defined by their power, beauty, and a sinister habit of getting what they want at any cost. Before Bailey knows it, she's being drawn into an otherworldly web more complicated than anything she weaves as a mortal Fate.

When Cassie Hobbes joined the FBI's Naturals program, she had one goal: uncover the truth about her mother's murder. But now, everything Cassie thought she knew about what happened that night has been called into question. Her mother is alive, and the people holding her captive are more powerful -- and dangerous -- than anything the Naturals have faced so far. As Cassie and the team work to uncover the secrets of a group that has been killing in secret for generations, they find themselves racing a ticking clock. New victims. New betrayals. New secrets. When the bodies begin piling up, it soon becomes apparent that this time, the Natu-

als aren't just hunting serial killers. They're being hunted.

No one is quite who they seem to be in this twisty, soapy, gasp-inducing sequel to Jennifer Lynn Barnes' unputdownable *Little White Lies*. Think of the White Gloves like the Junior League -- by way of *Skull and Bones*. Reluctant debutante Sawyer Taft joined Southern high society for one reason and one reason alone: to identify and locate her biological father. But the answers Sawyer found during her debutante year only left her with more questions and one potentially life-ruining secret. When her cousin Lily ropes her into pledging a mysterious, elite, and all-female secret society called the White Gloves, Sawyer soon discovers that someone in the group's ranks may have the answers she's looking for. Things are looking up . . . until Sawyer and the White Gloves make a disturbing discovery near the family's summer home -- and uncover a twisted secret, decades in the making.

Don't miss this New York Times bestselling "impossible to put down" (Buzzfeed) novel with deadly stakes, thrilling twists, and juicy secrets--perfect for fans of *One of Us is Lying* and *Knives Out*. Avery Grambs has a plan for a better future: survive high school, win a scholarship, and get out. But her fortunes change in an instant when billionaire Tobias Hawthorne dies and leaves Avery virtually his entire fortune. The catch? Avery has no idea why--or even who Tobias Hawthorne is. To receive her inheritance, Avery must move into sprawling, secret passage-filled Hawthorne House where every room bears the old man's touch--and his love of puzzles, riddles, and codes. Unfortunately for Avery, Hawthorne House is also occupied by the family that Tobias Hawthorne just dispossessed. This includes the four Hawthorne grandsons: dangerous, magnetic, brilliant boys who grew up with every expectation that one day they would inherit billions. Heir apparent Grayson Hawthorne is convinced that Avery must be a conwoman, and he's determined to take her down. His brother, Jameson, views her as their grandfather's last hurrah: a twisted riddle, a puzzle to be solved. Caught in a world of wealth and privilege, with danger around every turn, Avery will have to play the game herself just to survive.

"Based on the screenplay by Marsha Griffin and Kacey Arnold."

A high-stakes sci-fi adventure about a teen girl who will do anything to escape her troubled home--even if that means joining a dangerous monster-fighting squad.

New Jersey transplant and sassy brunette Annisa Gobrowski has a

problem-literally everyone at her Florida high school is blonde. No lack of golden highlights is going to stop Annisa from making the cheerleading squad. But after accidentally breaking the most popular girl in school's nose, and discovering the cheerleaders all hate her, she starts having second thoughts. Is it too much to ask to land a spot on the team, win the heart of her dreamy crush and make tons of new friends? Annisa is on the verge of giving up, but the cheerleader in her just won't let her quit. She may be a little different, but Sand Dune High had better watch out—this non-blonde is here to stay in this hilariously funny novel from Private author Kieran Scott.

"I'm not saying this is Sawyer's fault," the prim and proper one said delicately. "But." Eighteen-year-old auto mechanic Sawyer Taft did not expect her estranged grandmother to show up at her apartment door and offer her a six-figure contract to participate in debutante season. And she definitely never imagined she would accept. But when she realizes that immersing herself in her grandmother's "society" might mean discovering the answer to the biggest mystery of her life—her father's identity—she signs on the dotted line and braces herself for a year of makeovers, big dresses, bigger egos, and a whole lot of bless your heart. The one thing she doesn't expect to find is friendship, but as she's drawn into a group of debutantes with scandalous, dangerous secrets of their own, Sawyer quickly discovers that her family isn't the only mainstay of high society with skeletons in their closet. There are people in her grandmother's glittering world who are not what they appear, and no one wants Sawyer poking her nose into the past. As she navigates the twisted relationships between her new friends and their powerful parents, Sawyer's search for the truth about her own origins is just the beginning. Set in the world of debutante balls, grand estates and rolling green hills, *Little White Lies* combines a charming setting, a classic fish-out-of-water story, and the sort of layered mystery only author Jennifer Lynn Barnes can pull off.

There are people in this world who are Nobody. No one sees them. No one notices them. They live their lives under the radar, forgotten as soon as you turn away. That's why they make the perfect assassins. The Institute finds these people when they're young and takes them away for training. But an untrained Nobody is a threat to their organization. And threats must be eliminated. Claire has been invisible her whole life, missed by the Institute's

monitoring. But now they've ID'ed her and have sent Nix to remove her. Yet the moment Nix lays eyes on her, he can't make the hit. It's as if Claire and Nix are the only people in the world for each other. And they are—because no one else can really see them.

Come with the Mob Squad on an amazing adventure through the Overworld in this official Minecraft novel! The village of Cornucopia is practically perfect in every way. Plenty of food, cozy homes, and a huge wall to keep everyone safe from the scary world outside. What more could a kid possibly need? Well, a lot, actually. Mal, a fearless girl, needs adventure, and her friends are right there with her: Lenna, a dreamer whose family underestimates her every day. Tok and Chug, brothers who love to build stuff (Tok) and smash stuff (Chug). They're best friends, and in a town whose grown-ups value safety over bravery and fitting in over standing out, they're the bad apples. But when a mysterious mob sneaks past Cornucopia's defenses, the village is in huge trouble. And nobody knows what to do. Finally faced with the adventure she's always wanted, Mal and her friends defy the rules their elders have always followed and set out beyond the wall for the first time. On their journey across the Overworld, they discover wonders they've never dreamed of and dangers they've never imagined. To save the day, they'll have to prove they're more than bad apples. They're the Mob Squad!

When her grandfather develops dementia, sixteen-year-old Tess, who has been keeping his Montana ranch going, is whisked away to Washington, D.C., by a sister she barely knows and thrown into a world of politics, power, wealth, love triangles, and family secrets.

NATIONAL BESTSELLER • NATIONAL BOOK CRITICS CIRCLE WINNER • With music pulsing on every page, this startling, exhilarating novel of self-destruction and redemption "features characters about whom you come to care deeply as you watch them doing things they shouldn't, acting gloriously, infuriatingly human" (The Chicago Tribune). Bennie is an aging former punk rocker and record executive. Sasha is the passionate, troubled young woman he employs. Here Jennifer Egan brilliantly reveals their pasts, along with the inner lives of a host of other characters whose paths intersect with theirs. "Pitch perfect.... Darkly, rippingly funny.... Egan possesses a satirist's eye and a romance novelist's heart." —The New York Times Book Review

Saying Toby Klein is an unlikely cheerleader is like saying Paris Hilton might be into guys—understatement of the year. But as a Bayport High cheerleader and an undercover government operative, she's living a life that's anything but typical. Being on the Squad has its benefits, but just as Toby is getting the hang of protocol and pep rallies, fate kicks things up a notch.

NEW YORK TIMES BESTSELLER • The unapologetic, laugh-your-ass-off military memoir both vets and civilians have been waiting for, from a five-tour Army Ranger turned YouTube phenomenon and zealous advocate for veterans Members of the military's special operations branches share a closely guarded secret: They love their jobs. They relish the opportunity to fight. They are thankful for it, even, and hopeful that maybe, possibly, they'll also get to kill a bunch of bad guys while they're at it. You don't necessarily need to thank them for their service—the pleasure is all

theirs. In this hilarious and personal memoir, readers ride shotgun alongside former Army Ranger and private military contractor and current social media phenomenon Mat Best, into the action and its aftermath, both abroad and at home. From surviving a skin infection in the swampy armpit of America (aka Columbus, Georgia) to kicking down doors on the outskirts of Ramadi, from blowing up a truck full of enemy combatants to witnessing the effects of a suicide bombing right in front of your face, *Thank You for My Service* gives readers who love America and love the good guys fresh insight into what it's really like inside the minds of the men and women on the front lines. It's also a sobering yet steadying glimpse at life for veterans after the fighting stops, when the enemy becomes self-doubt or despair and you begin to wonder why anyone should be thanking you for anything, least of all your service. How do you keep going when something you love turns you into somebody you hate? For veterans and their friends and families, *Thank You for My Service* will offer comfort, in the form of a million laughs, and counsel, as a blueprint for what to do after the war ends and the real fight begins. And for civilians, this is the insider account of military life you won't find anywhere else, told with equal amounts of heart and balls. It's *Deadpool* meets *Captain America*, except one went to business school and one went to therapy, and it's anyone's guess which is which.

Seventeen-year-old Cassie is a natural at reading people. Piecing together the tiniest details, she can tell you who you are and what you want. But, it's not a skill that she's ever taken seriously. That is, until the FBI come knocking: they've begun a classified program that uses exceptional teenagers to crack infamous cold cases, and they need Cassie. What Cassie doesn't realize is that there's more at risk than a few unsolved homicides???especially when she's sent to live with a group of teens whose gifts are as unusual as her own. Soon, it becomes clear that no one in the Naturals program is what they seem. And when a new killer strikes, danger looms close. Caught in a lethal game of cat and mouse with a killer, the Naturals are going to have to use all of their gifts just to survive. Think *The Mentalist* meets *Pretty Little Liars*???Jennifer Lynn-Barnes' *The Naturals* is a gripping psychological thriller with killer appeal, a to-die-for romance, and the bones of a gritty and compelling new series.

Detective Carl M² investigates the twenty-year-old murders of a brother and sister whose confessed killer may actually be inno-

cent, a case with ties to a homeless woman and powerful adversaries.

Sixteen-year-old Kari juggles saving her spy parents while impressing the guy she has been in love with forever.

A Barnes & Noble Teen Blog's Most Anticipated LGBTQAP YA Book of 2019 Jenna Watson is a cheerleader. And she wants you to know it's not some Hollywood crap: they are not every guy's fantasy. They are not the "mean girls" of Marsen High School. They're literally just human females trying to live their lives and do a perfect toe touch. And their team is at the top of their game. They're a family. But all that changes when Jenna's best friend stops talking to her. Suddenly, she's not getting invited out with the rest of the quad. She's always a step behind. And she has no idea why. While grappling with post-cheer life, Jenna explores things she never allowed herself to like, including LARPing (live action role playing) and a relationship with a trans guy that feels a lot like love. When Jenna loses the sport and the friends she's always loved, she has to ask herself: What else is left?

She who has the boys, makes the rules. Among the Golden at Emory high, Lilah Covington is Platinum - the hottest of the hot. She's popular, beautiful, and much smarter than she looks. But most importantly to Lilah, she's in complete control of her own destiny - if only someone would tell that to the mysterious ghost boy roaming the halls. Ever since Lissy and Lexie James arrived in town, Lilah's perfect world has been coming unhinged. No-one else can see the ghost who's trailing her around campus, and - forget the rumour mill - her memories have her more sidetracked than any gossip could. It looks as if the James family legacy of supernatural sight might be contagious. And to make matters worse, mutiny is brewing among the Golden, and if Lilah isn't careful, she may just lose her top-tier boyfriend to her second-in-command. Lilah knows the rules better than anyone, but between her newfound visions, an absolutely fatal attraction to a boy who isn't real, and the threat of a supernatural enemy with a sting deadlier than any Queen Bee, it's going to take everything Lilah has to stay on top at Emory. And to prove once and for all that those who make the rules are the only ones who can break them.

A group of kids from hell come to Earth on one of the craziest nights of the year—Halloween—in this snarky, witty middle grade adventure about teamwork, friendship, shattering expectations, and understanding the world (or otherworld) around us. Mal and

his friends are just your regular average kids from hell. The suburbs that is, not the fiery pit part. But when Hell's Bells ring out—signaling that a soul has escaped from one of the eternal circles, Mal and his friends can't help but take the opportunity for a little adventure. Before they know it, they've somehow slipped through the veil and found themselves in the middle of Salem, Massachusetts, on Halloween night. And what's even worse, they've managed to bring the escaped soul with them! As the essence of one of history's greatest manipulators gains power by shifting the balance on Earth, Mal and his squad-mates—along with some new friends that they meet along the way—work desperately to trap the escapee, save the people of Earth from the forces of evil, and find the portal back to their own dimension. If they can't manage it before their parents realize they're gone, they'll be grounded for an eternity. And an eternity in hell is a very, very long time.

Every other day, Kali D'Angelo is a normal sixteen-year-old girl. She goes to public high school. She attends pep rallies (reluctantly). She's human. And every other day in between . . . she's not. Though she's not quite sure what she is on those days, Kali knows what she does . . . she hunts, traps, and kills demons, hellhounds,

and other supernatural creatures that threaten her world. On those days, she is practically indestructible. But when Kali notices a mark on a popular girl at school, she knows instantly that the girl is marked for death by an unworldly being. And she knows she has only twenty-four hours to save her. There's only one problem . . . it's the wrong twenty-four hours.

Three casinos. Three bodies. Three days. Crack the case with the Naturals series by Jennifer Lynn Barnes, #1 New York Times best-selling author of *The Inheritance Games*. After a string of brutal murders in Las Vegas, Cassie Hobbes and the Naturals are called in to investigate. But even with the team's unique profiling talents, these murders seem baffling: unlike many serial killers, this one uses different methods every time. All of the victims were killed in public, yet the killer does not show up on any tape. And each victim has a string of numbers tattooed on their wrist. Hidden in the numbers is a code -- and the closer the Naturals come to unraveling the mystery, the more perilous the case becomes.

Meanwhile, Cassie is dealing with an equally dangerous and much more painful mystery. For the first time in years, there's been a break in her mother's case. As personal issues and tensions between the team mount, Cassie and the Naturals will be faced with impossible odds -- and impossible choices.

Don't miss a moment of the beloved New York Times bestselling series where spies-in-training navigate double crosses, secret missions, friendship, and first love--now with a bonus epilogue! When Cammie Morgan enrolled at the Gallagher Academy, she knew she was preparing for the dangerous life of a spy. What she didn't know was that the serious, real-life danger would start during her junior year of high school. But that's exactly what happened two months ago when Cammie faced off against an ancient terrorist organization dead set on kidnapping her. Now the danger follows her everywhere, and even Cammie "The Chameleon" can't hide. When a terrifying encounter in London reveals that one of her most-trusted allies is actually a rogue double-agent, Cammie no longer knows if she can trust her classmates, her teachers--or

even her own heart. The Gallagher Girls must hack, spy, steal, and lie their way to the truth as they discover that the key to Cammie's future may lie deep in the past.

When Lissy James moves from California to Oklahoma, she finds herself in the middle of a teenage nightmare: a social scene to rival a Hollywood movie. And if understanding the hierarchy of the Goldens vs. the Nons isn't hard enough, Lissy's ever growing Aura Vision is getting harder and harder to hide, and if she's not careful, she's going to become a Non faster than you can say "freak." But it's becoming clear that Emory High has a few secrets of its own. Around the halls, the term "special powers" goes way beyond one's ability to attract the opposite sex, and there may be something more evil than the A-crowd lurking in the classrooms. Lissy can see a lot more than the average girl, but she's about to learn the hard way that things aren't always as they appear and you can't always judge a girl by her lip gloss. From the Trade Paperback edition.
