Martin Dillon is a fine Investigative Journalist. In Northern Ireland he has established reliable contacts on both sides of the conflict. Nevertheless he, at considerable personal risk, 'raises his head above the parapet' and tells it as it is. He has written several fine books on 'The Troubles' and Trigger Men is no exception.

Another more powerful group of "trigger men" were the influential figures in the shadows who were experts in motivating the killers under their control. All of these men, whether they squeezed the trigger on a high-powered rifle, set the timer on a bomb or used their authority to send others out to commit horrific and unspeakable acts of cruelty, are featured in this book.

Assassins is a satirical and stylish look at why individuals reach for a gun when they feel their voice can't be heard. From John Wilkes Booth to Lee Harvey Oswald, writers Stephen Sondheim and John Weidman, bend the rules of time and space, taking us on a roller coaster ride in which assassins and would-be assassins from different historical periods meet, interact and inspire each other to perform harrowing acts.
