(PDF) The Unintended Reformation: How a Religious ...

"The unintended problem created by the Reformation was . . . not simply a perpetuation of the inherited and still-present challenge

of how to make human life more genuinely Christian, but also the new and compounding problem of how to know what true Christianity was" (p. 368).

The second chapter looks at how the Protestant Reformation and modern philosophy "led in divergent ways to unintended pluralisms based respectively on the Bible and reason."

In The Unintended Reformation, Brad Gregory offers a sweeping indictment of contemporary life in the West, and a sweeping historical narrative—or a series of six narratives, to be precise—to explain how we got to where we are today. Harnessing historical scholarship to cultural criticism, Gregory argues that some of the most problematic ...
