Summer camp is a traditional teenage rite of passage, but when you add supernatural powers to the typically high dosage of adolescent hormones - you get an even more combustible mix. Sixteen-year-old werewolf twins Kate and Logan Danvers are none too thrilled at being shipped off to a supernatural youth leadership conference in West Virginia. From the moment they arrive at the camp, the twins sense something is off and they react in their usual manner - Logan reserving judgement and surveying the set-up, while Kate charges forward determined to get answers. Kate and Logan quickly ascertain that most of the conference attendees have already formed hostile factions, leaving the twins and a few other misfits to band together. What seems like teen hormones in overdrive becomes something much more dangerous, even deadly. Add in a strange magic-warded cabin in the woods

and a local history rife with curses and macabre legends, and it becomes clear this was a really, really bad place to build a camp for teenage supernaturals.
