566 - SCHMITT GABRIELLE

Jodi Ellen Malpas was born and raised in the Midlands town of Northampton, England, where she lives with her two boys and a beagle. She is a self-professed day-dreamer, a Converse and mojito addict, and she has a terrible weak spot for alpha males.

This Man is devastatingly handsome, charming and confident. He is also a conceited, hedonistic playboy, who knows no boundaries. Ava desperately does not want to be attracted to him, but she can't control the overwhelming affect he has on her. Every instinct is telling her to run, so she does, but Jesse Ward is not so willing to let her go.

Jodi Ellen Malpas wrote her debut series, The This Man Trilogy, in secret, worried about what people might think if they knew what her imagination was capable of. She was shocked herself. But she finally found the courage to unleash her creative streak and self-published THIS MAN - the first book of the This Man Trilogy - in October 2012.
