BFF - CARLY DORSEY

John isn't your average romance novel hero... ..Though he's every bit as sexy, in a big & cuddly sort of way. He seems to be just a regular guy, which is cool, because I'm just a regular girl. I've been head over heels for him from day one at the new job, and he doesn't even know it. Every time I try to make conversation, he retreats. Is he just not into me, or is his strong & silent exterior merely a cover? Still, he's become a permanent inhabitant of my thoughts and fantasies. One of these days I'll have to get over myself and tell him how I really feel. Only then will I figure out if John wants to be my hero after all. And whether all my dirty fantasies will finally come true. This steamy office romance features a husky plus size hero, an awkward heroine who appreciates him just how he is, plenty of sizzle, angst and colourful (British English) language. Just Another Day at the Office was first published in 2013, but has since been completely reworked and re-edited for your enjoyment. Keywords: office romance, workplace romance, colleagues to lovers, plus size hero, plus sized hero, dad bod romance, big handsome man, big boy romance, husky men romance, husky man romance, bhm, curvy hero, regular guy romance, girl next door, shy hero, inexperienced hero, virgin hero, male virgin, first time romance, new adult, new adult romance, steamy office romance, steamy new adult romance, sexy romance, romance at work, romance at the office

Myth and magic collide in this award-winning, action romance where gods manipulate humans into war, and one witch uses her magic, wits, and unfailing humor to conquer them. Vervain stumbles into the secret world of the Gods when she discovers their plans for humanity. With magic, determination, and pure, dumb luck, Vervain fights back; she begins to hunt the Gods. But not all gods are evil, and Vervain is about to discover one more secret; the Gods are at war. There are rebel gods fighting for the human race, and Vervain is about to become their greatest weapon. Praise for The Godhunter Series: "Smart, sexy, sassy and sweet this story holds adventure and romance, with a well written and witty take on mythology. Read this now!" ~Kevin Sitze "Vervain, her Gods and her men, they breathe in a way that I am unable to describe!" ~Diana Rumbold "They are so good, they should be savored, but instead I binged on them like a kid on Halloween." ~Constand Reader John Wayne Cleaver defeated a serial killer by channeling a spirit he calls "Mr. Monster," but now he must fight two demons, including one inside himself.

In his new novel, John Ajvide Lindqvist does for zombies what his previous novel, Let the Right One In, did for vampires. Across Stockholm the power grid has gone crazy. In the morgue and in cemeteries, the recently deceased are waking up. One grandfather is alight with hope that his grandson will be returned, but one husband is aghast at what his adored wife has become. A horror novel that transcends its genre by showing what the return of the dead might really mean to those who loved them.

In ASSASSIN'S CODE, the fourth book in New York Times bestselling author Jonathan Maberry's Joe Ledger series, Joe Ledger and the DMS go on a relentless chase to stop an ancient order of killers from plunging the entire world into Holy War. When Joe Ledger and Echo Team rescue a group of American college kids held hostage in Iran, the Iranian government then asks them to help find six nuclear bombs planted in the Mideast oil fields. These stolen WMDs will lead Joe and Echo Team into hidden vaults of forbidden knowledge, mass-murder, betrayal, and a brotherhood of genetically-engineered killers with a thirst for blood. Accompanied by the beautiful assassin called Violin, Joe follows a series of clues to find the Book of Shadows, which contains a horrifying truth that threatens to shatter his entire worldview. They say the truth will set you free...not this time. The secrets of the Assassin's Code will set the world ablaze.

In post-apocalyptic America, Benny Imura and his friends set out into the great Rot & Ruin hoping to find a better future but are soon pitted against zombies, wild animals, insane murderers, and the horrors of Gameland.

A LOT CAN CHANGE IN THREE MONTHS: Wars can be decided, nations can be forged . . . or entire species can be brought to the brink of annihilation. The Morningstar virus has swept the face of the planet, infecting billions. Its hosts rampage; its victims don't die, but are reborn as cannibalistic shamblers. SCATTERED ACROSS THE WORLD, EMBATTLED GROUPS HAVE PERSEVERED. For some, survival is the pinnacle of achievement. Others hoard goods and weapons. And still others leverage power over the remnants of humanity with a mysterious cure. Francis Sherman and Anna Demilio want only a vaccine, but to find it they must cross a ravaged landscape of the infected and the lawless living. THE BULK OF THE STORM HAS PASSED, leaving echoing thunder and softly drifting ashes. But for the survivors, the peril remains, and the search for a cure is just beginning. . . . Returning to the terrifying vision of his "awesome zombie novel" (David Moody) Plague of the Dead, Z.A. Recht "will once again make you turn your lights on" (J.L. Bourne) with this chilling apocalyptic thriller.

The novel of the classic horror film, with an introduction by Simon Pegg! WHEN THERE IS NO MORE ROOM IN HELL, THE DEAD WILL WALK THE EARTH George A. Romero terrified a generation with his iconic horror film and with this cult-classic novel. Immerse yourself in this unparalleled vision from the revered master of the zombie apocalypse...and be terrified all over again. Zombies have overpowered the living and ravaged the world. Society has collapsed as humans race to save themselves. No one knows how far the creatures have spread, or how to stop them. In downtown Philadelphia, four people escape the chaos and find shelter in a vacated shopping mall. But as their greed spirals and the undead close in, their haven for waiting out the end of the world becomes the last battleground for survival. And there is nowhere left to hide... "Dawn of the Dead is one of the best horror movies ever made." —Roger Ebert

Ten year old Ferius Parfax has a simple plan: kill every last inhabitant of the spell-gifted nation that destroyed her people, starting with the man who murdered her parents. Killing mages is a difficult business, of course, so Ferius undertakes to study the ways of the Argosi: the loosely-knit tribe of tricksters known for getting the better of even the most powerful of spellcasters. But the Argosi have a price for their teachings, and by the time Ferius learns what it is, it may be too late. Perfect for

fans of The Dark Tower, Firefly, Guardians of the Galaxy, Terry Pratchett, Ben Aaronovitch and Jim Butcher.

This classic study, first published in 1922, presents the writings of A. L. Kroeber, Robert H. Lowie, Clark Wissler, Paul Radin, Truman Michelson, and other prominent anthropologists. The distinguished career of Elsie Clews Parsons and its debt to Franz Boas are considered by Joan Mark in an introduction that also explores the message behind the twenty-seven stories in American Indian Life. Reproduction of the original: The Sun Dance of the Blackfoot Indians by Clark Wissler

Civilization on Earth has collapsed in the wake of the most virulent epidemic ever known. 95% of the population has died or been transformed into zombies, and petty tyrants vie for control of the remaining resources. Twelve months after the outbreak, a message is sent out by the U.S. President who has been quartered in a secure location, that a vaccine has been developed. Is it true? Or is it a ploy?

Imagine this: Your husband is murdered on your wedding day. Your gown is soiled in his blood. You are taken hostage... Treated like a caged animal. The man behind your husband's murder is revealed. His name is Draco Molina. Draco has power. Respect. Wealth. He is a savage beast of a man - dominant in every way. Soon after, he makes you an offer that you can't refuse. All you have do is submit to him, and in return you won't be punished. He will reward you handsomely. But if you disobey, you must be prepared to face the consequences. What do you do when the most wanted man in the world . . . wants you?

Provides an introduction to American pulp fiction during the twentieth century with brief author biographies and lists of their works.

Packed with myth, magic, and bloody vengeance, John Gwynne's "masterfully crafted, brutally compelling, Norse-inspired epic" (Anthony Ryan) continues in The Hunger of the Gods. THE DEAD GODS ARE RISING. Lik-Rifa, the dragon god of legend, has been freed from her eternal prison. Now she plots a new age of blood and conquest. As Orka continues the hunt for her missing son, the Bloodsworn sweep south in a desperate race to save one of their own—and Varg takes the first steps on the path of vengeance. Elvar has sworn to fulfil her blood oath and rescue a prisoner from the clutches of Lik-Rifa and her dragonborn followers, but first she must persuade the Battle-Grim to follow her. Yet even the might of the Bloodsworn and Battle-Grim cannot stand alone against a dragon god. Their only hope lies within the mad writings of a chained god. A book of forbidden magic with the power to raise the wolf god Ulfrir from the dead...and bring about a battle that will shake the foundations of the earth. Praise for The Shadow of the Gods "There is not a dull chapter in this fantasy epic." —Vulture (Best of the Year) "A satisfying and riveting read. It's everything I've come to expect from a John Gwynne book." —Robin Hobb "A masterfully crafted, brutally compelling Norse-inspired epic." —Anthony Ryan "A masterclass in storytelling . . . epic, gritty fantasy with an uncompromising amount of heart." —FanFiAddict For more from John Gwynne, check out: The Bloodsworn Trilogy The Shadow of the Gods The Hunger of the Gods Of Blood and Bone A Time of Dread A Time of Blood A Time of Courage The Faithful and the Fallen Malice Valor Ruin Wrath

The bestselling author of the Blood Books delivers a masterful new urban fantasy. Alysha Gale is a member of a family capable of changing the world with the charms they cast. Then she receives word that she's inherited her grandmother's junk shop in Calgary, only to discover upon arriving that she'll be serving the fey community. And when Alysha learns just how much trouble is brewing in Calgary, even calling in the family to help may not be enough to save the day.

NUMEROUS volumes have been written as commentaries upon the secret systems of philosophy existing in the ancient world, but the ageless truths of life, like many of the earth's greatest thinkers, have usually been clothed in shabby garments. The present work is an attempt to supply a tome worthy of those seers and sages whose thoughts are the substance of its pages. To bring about this coalescence of Beauty and Truth has proved most costly, but I believe that the result will produce an effect upon the mind of the reader which will more than justify the expenditure.

There is something wicked about the Greywick triplets. The tag #wickedacademia has millions of views on BookTok Join thousands of other students at the Celestial Academy for Fallen Stars and discover what house you belong to Lost Stars is the first in a steamy, magical dark academia series Vivian, Marion, and Timothée Greywick's father told them one thing before he died: stay away from the Celestial Academy for Fallen Stars. And they've done just that, becoming perfectly respectable members of society, with no use for star magic. Never mind that Vivian has a mysterious affliction that her siblings call an illness and she calls a curse. Never mind that Marion works at a leech shop and hoards blood for... some reason. Never mind that Timothée looks exactly like an ancient god who tormented the world thousands of years ago. Never mind that on moonless nights, the Greywick siblings glow. When the triplets accidentally save a prince from a vampire attack, they're not just the Greywicks anymore. They're the Lost Stars: descendants of the gods, harboring unforntold magic. Now they're bound for the Celestial Academy for Fallen Stars, whether they like it or not. A university in the sky. Clouds that rain starlight. Students with terrible magic and worse intentions. The Academy will test not only the triplets' ability to survive, but their loyalty to each other. Vivian falls for a prince and keeps trying to kill him. Marion discovers a plot that can topple kingdoms and unseat even a god's power if she claims it for herself. And Timothée delves into magic so dark, it has been forbidden for thousands of years. As the triplets unravel the secrets of the school, they begin to realize their father didn't want to protect them from the Celestial Academy. He wanted to protect the Academy from them. One will become a monster. The other, a queen. The last, a god. Anything is possible at the Celestial Academy for Fallen Stars. Wicked Academia: Lost Stars is a new adult fantasy romance perfect for fans of A Court of Thorns and Roses, Blood and Ash, and Zodiac Academy. It has magic, adventure, swoon-worthy romance, and spice! If you've graduated from Hogwarts, it's time to attend the Celestial Academy for Fallen Stars!

The Torch and the Sword is the long-awaited sequel to The Final Quest and The Call. Written for mature Christians, this book is not recommended for the spiritually timid. Continuing themes estab-

lished in the previous books, *The Torch and the Sword* carries these themes further and deeper while venturing into new spiritual territories. *The Torch and the Sword* paints an increasingly broad and clear spiritual picture of our times. As Christians, we are called not only to endure the challenges with which we are faced, but also to prevail, seizing the great spiritual opportunities available to us. The truth of the gospel of Jesus Christ is the light which is stronger than any darkness. This book is a call to those who will love and stand for the Truth until His victory is complete.

Depicts the zombie apocalypse through the journal of a member of the military and descriptions of the other survivors he meets in the fourth book in the series following *Origin to Exile* and *Beyond Exile*. Original. 75,000 first printing.

A triumph of the imagination, rich in incident and beautiful in its detail, *Cloudsplitter* brings to life one of history's legendary figures--John Brown, whose passion to abolish slavery lit the fires of the American Civil War in a conflagration that changed civilization.

The long-awaited finale of Z.A. Recht's "action-packed zombie extravaganza" (Ryan C. Thomas) that began with the acclaimed novels *Plague of the Dead* and *Thunder and Ashes*. . . . THE MORNINGSTAR STRAIN WAS THE END OF THE WORLD. In the wake of the zombie apocalypse, two separate bands of survivors journey across a decimated America, each with the desperate goal of finding the cure for the virulent plague that threatens the existence of humankind—or what's left of it. Now it's up to these inheritors of the future to outlive their waking nightmare, any way they can. BUT FOR THESE SURVIVORS, IT IS JUST THE BEGINNING. One group includes a brilliant virologist; for the other, an immune soldier proves invaluable. Battling infected and marauding raiders at every turn, the teams soon uncover the devious plans of Sawyer, an agent of the Chairman of the Reunited States of America, who believes that Dr. Anna Demilio already has the cure, and he will stop at nothing to find her. Now, with the salvation of the world and their own souls on the line, how far will the survivors go to emerge victorious?

In your hands is a poetry journal written by an undead poet, recounting his firsthand experience during the zombie plague. Little is known about the author before he turned into a zombie, but thanks to his continued writings in this journal - even after his death - you can accompany him from infection to demise. Through the intimate poetry of haiku, the zombie chronicles his epic journey through deserted streets and barricaded doors. Each three-line poem, structured in the classic 5-7-5 syllable structure, unravels a little more of the story. You'll love every eye-popping, gut-wrenching, flesh-eating page!

From the acclaimed author of *Infected* comes an epic and exhilarating story of humanity's secret battle against a horrific enemy. Across America, a mysterious pathogen transforms ordinary people into raging killers, psychopaths driven by a terrifying, alien agenda. The human race fights back, yet after every battle the disease responds, adapts, using sophisticated strategies and brilliant ruses to fool its pursuers. The only possible explanation: the epidemic is driven not by evolution but by some malevolent intelligence. Standing against this unimaginable threat is a small group, assembled under the strictest secrecy. Their best weapon is hulking former football star Perry Dawsey, left psychologically shattered by his own struggles with this terrible enemy, who possesses an unexplainable

ability to locate the disease's hosts. Violent and unpredictable, Perry is both the nation's best hope and a terrifying liability. Hardened CIA veteran Dew Phillips must somehow forge a connection with him if they're going to stand a chance against this maddeningly adaptable opponent. Alongside them is Margaret Montoya, a brilliant epidemiologist who fights for a cure even as she reels under the weight of endless horrors. These three and their team have kept humanity in the game, but that's not good enough anymore, not when the disease turns contagious, triggering a fast countdown to Armageddon. Meanwhile, other enemies join the battle, and a new threat — one that comes from a most unexpected source — may ultimately prove the most dangerous of all. Catapulting the reader into a world where humanity's life span is measured in hours and the president's finger hovers over the nuclear button, rising star Scott Sigler takes us on a breathtaking, hyper-adrenalized ride filled with terror and jaw-dropping action. *Contagious* is a truly grand work of suspense, science, and horror from a new master.

The Morningstar virus. Those infected suffer delirium, fever, violent behaviour ... and a hundred per cent mortality rate. But that's not the worst of it. The victims return from the dead to walk the earth. And when a massive military operation fails to contain the plague of the living dead, it escalates into a worldwide pandemic. On one side of the world, thousands of miles from home, a battle-hardened general surveys the remnants of his command: a young medic, a veteran photographer, a rash private, and dozens of refugees -- all of them his responsibility. Meanwhile in the United States, an army colonel discovers the darker side of Morningstar and collaborates with a well-known journalist to leak the information to the public...

The classic collaboration from the internationally bestselling authors Neil Gaiman and Terry Pratchett, soon to be an original series starring Michael Sheen and David Tennant. ?Season 2 of *Good Omens* coming soon! "Good Omens . . . is something like what would have happened if Thomas Pynchon, Tom Robbins and Don DeLillo had collaborated. Lots of literary inventiveness in the plotting and chunks of very good writing and characterization. It's a wow. It would make one hell of a movie. Or a heavenly one. Take your pick." —Washington Post According to *The Nice and Accurate Prophecies of Agnes Nutter, Witch* (the world's only completely accurate book of prophecies, written in 1655, before she exploded), the world will end on a Saturday. Next Saturday, in fact. Just before dinner. So the armies of Good and Evil are amassing, Atlantis is rising, frogs are falling, tempers are flaring. Everything appears to be going according to Divine Plan. Except a somewhat fussy angel and a fast-living demon—both of whom have lived amongst Earth's mortals since *The Beginning* and have grown rather fond of the lifestyle—are not actually looking forward to the coming Rapture. And someone seems to have misplaced the Antichrist . . .

May 16th. 1201 hrs. We are now under siege. Beyond the silo access doors, we have a small army of beaten and battered undead to contend with. They only want one thing... Day by Day Armageddon is the handwritten journal of one man and his struggle for survival. Trapped in the midst of global disaster, he must make decisions that could mean life, or which could condemn him eternally to walk as one of them. Enter, if you dare, into his world. The world of the undead.

Reveals the life of Lakota healer Nicholas Black Elk as he led his tribe's battle against white settlers who threatened their homes and buffalo herds, and describes the victories and tragedies at Little Bighorn and Wounded Knee. Reprint.

Lesser Feasts and Fasts has not been updated since 2006. This new edition, adopted at the 79th General Convention (resolution A065), fills that need. Biographies and collects associated with those included within the volume have been updated; a deliberate effort has been made to more closely balance the men and women represented within its pages.
