Tiger is definitely one of the most favourite characters of the "Shifters Unbound series. He is the different one, the one that cannot fit in rules and collars and he never obeys the shifter town's leader. This is something to be expected because Tiger was not created by Fae like the other shifters to be a slave.

Very short novella where Tiger, Carly, and Conner go on a mission to rescue someone Tiger doesn't know but knows he has to get to her fast. The drive to find her is painful and insistent and Carly refuses to let Tiger go on another adventure without her there to protect him. They are chased by black ops soldiers, cops, and park rangers.
