## **A6D - SAWYER MOON**

When Mr. J. first reveals his feelings for her, she is thrilled by the relationship that grows outside the classroom walls. Then, slowly, Jennie's diary becomes a record of her loneliness, pain, and confusion. Will it also offer her a way to escape from this treacherous love?

'Treacherous Love' is a short diary-styled book recording the abuse of a teenager who is sexually exploited by her substitute teacher. If this book had been a fictional diary written by an adult, I would say that it was not particularly well-written. Many of the characters seemed

one-dimensional, and the narrative was very uneven.
